IT IS HEREBY STIPULATED AND AGREED, by and among counsel for the respective parties hereto, that the filing, sealing and certification of the within deposition shall be and the same are hereby waived;

IT IS FURTHER STIPULATED AND AGREED that all objections, except as to form of the question, shall be reserved to the time of the trial;

IT IS FURTHER STIPULATED AND AGREED that the within deposition may be signed before any Notary Public with the same force and effect as if signed and sworn to before the Court.

* * *

1
2 J U L I O E S T R A D A, after having first been
3 duly sworn by a Notary Public of the State of New
4 York, was examined and testified as follows:

5 EXAMINATION BY

6 MR. LANE:

7 Q Mr. Estrada, my name is
8 Peter Lane. I'm an attorney for five
9 former customers of New York Motor Group:
10 Anwar Alkhatib, Boris Freire, Simon
11 Gabrys, Zhenghui Dong and Nasrin
12 Chowdhury. My clients have all filed
13 claims against New York Motor Group
14 related to auto loans that they had
15 entered into when they were purchasing
16 cars at New York Motor Group.

17 In all of the cases, we've
18 also named you as a defendant. There is
19 an additional case, filed on behalf of
20 Shahadat Tuhin, Mrs. Ariana Lindermayer,
21 who is Mr. Tuhin's counsel. All these
22 cases have been related in federal court
23 in Brooklyn. And we're in the midst of
24 discovery in these lawsuits. And we're
25 seeking that we have a deposition today.

1 JULIO ESTRADA

2 We had an order from the court to have
3 corrections produce you for the
4 deposition.

5 So these other people are
6 attorneys for the defendants in the case.
7 And I'll let them explain who they are,
8 what they're doing as well.

9 MR. LANE: Do you want to do
10 all of that on the record?

11 MR. SIMON: For the record,
12 I just object to the accuracy of your
13 statement. You said the lawsuits
14 arise out of their finance and
15 purchases. They also arise out of
16 the claims, arising out of the actual
17 sales also, the rational purchases
18 and finance.

19 MR. LANE: Okay.

20 MR. SIMON: Did you want to
21 put on the record the case that
22 you're --

23 MS. LINDERMAYER: I'm
24 representing Shahadat Tuhin in his
25 case as one of the consumers.

1 JULIO ESTRADA

2 MR. GROSSMAN: I represent
3 M&T Bank in three of the cases:
4 Gabrys, Tuhin and Chowdhury.

5 MR. BRENER: Robert Brener.
6 I represent a defendant in two of the
7 cases, in the Freire and Dong case.
8 I represent Santander Consumer.

9 MR. SIMON: My name is
10 Richard Simon. I represent the
11 dealership defendants who would
12 include New York Motor Group, Mamdoh
13 Eltouby and his daughter, Nada
14 Eltouby, who are named as defendants
15 in all cases in the context of these
16 transactions. And I also represent
17 them.

18 They're also named as
19 coconspirators with Julio Estrada,
20 named by the plaintiffs in these
21 lawsuits under Civil RICO, claiming
22 that you conspired with them to
23 wrongfully cause damage or harm to
24 the plaintiffs.

25 And I would ask as a

JULIO ESTRADA

courtesy to Mr. Estrada, I have here just the first page of the order for production. And the six cases are named. I would just want to show him the first page for production so he could see the plaintiffs' names who brought these lawsuits in which he's named in each one as the party defendant. May I show him?

MR. LANE: Sure. Off the record.

(A discussion was held off the record.)

MR. SIMON: Did you want to mark that as an exhibit, that he was shown? You don't have to.

MR. LANE: Yes. Let's do that.

MR. SIMON: I just want to make it clear that the page I gave him, which was the first page of the order produced, doesn't have the listed defendants. I mentioned who I represent. And he should be told

1 JULIO ESTRADA

2 that he's a named defendant.

3 MR. LANE: I'm going to
4 explain everything. We're going to
5 put everything on the record, so that
6 Mr. Estrada knows exactly what's
7 going on and why we're here.

8 Let's mark this as Exhibit
9 1.

10 (The above-referred-to
11 document was marked as Plaintiffs'
12 Exhibit 1 for identification, as of
13 this date.)

14 Q Mr. Estrada, we've marked
15 this as Exhibit 1 for the deposition.
16 And as Mr. Simon had explained, it does
17 list all of the cases that have been
18 related that we're here about today.

19 I want to give you as much
20 information as possible, so that you
21 understand what's happening. These six
22 lawsuits are pending now in Federal
23 District Court in Brooklyn. In the five
24 lawsuits that I'm involved in -- New York
25 Motor Group, Planet Motor Cars, Mamdoh

1 JULIO ESTRADA

2 Eltouby, his daughter, Mamdoh Eltouby,
3 and you -- have all been named as
4 defendants. Do you know anything about
5 these lawsuits?

6 A In accordance -- well, by me
7 reading one or two names there, I
8 remember when the first one or the second
9 one had one or two names, they had first
10 got together to file, if I'm not
11 mistaken, what is called a class action
12 lawsuit against New York Motor Group.

13 At that time -- at that
14 time, I was an employee on the company of
15 New York Motor Group as an independent
16 contractor. And cases were beginning to
17 be filed against New York Motor Group.

18 Q Do you remember ever coming
19 to court for a New York Motor Group case?

20 A In the past, yes, but not in
21 respect to any of those clients that are
22 mentioned in Exhibit 1.

23 Q But while you were an
24 employee -- and let's just establish. So
25 you worked at New York Motor Group?

1 JULIO ESTRADA

2 A I was an independent
3 contract for New York Motor Group. I
4 will be brought in from a case-to-case --
5 a deal-to-deal case -- excuse me. A
6 deal-to-deal basis to do deals for.

7 Q I don't really want to go
8 into substantive questions right now. I
9 was asking if you remembered going to
10 court on any of these cases before, just
11 to understand if you have any familiarity
12 with these lawsuits or the nature of
13 these lawsuits.

14 A I have.

15 Q At the moment in all of
16 these lawsuits, there are claims against
17 you and Mamdoh Eltouby for having
18 conspired together to defraud consumers.
19 I've actually been in contact with
20 Mr. James Kousouros.

21 A James Kousouros is my
22 attorney.

23 Q Is your attorney for
24 criminal cases?

25 A My criminal cases that have

1 JULIO ESTRADA

2 been brought up against me. In respect
3 to other clients, they have been involved
4 as well with New York Motor Group.

5 Q Have you retained
6 Mr. Kousouros to represent you, related
7 to these civil cases?

8 A No, sir. Before your
9 introduction to me, I was never aware of
10 any situations pertaining to any civil
11 matters brought against me. But, yes, I
12 was aware of class action matters brought
13 against New York Motor Group in the past
14 and on these cases as well.

15 Q I contacted Mr. Kousouros
16 probably two months ago. And I sent him
17 a summons for you to be deposed. And
18 Mr. Kousouros told me that he couldn't
19 accept service of the summons and told me
20 that he was not retained to represent
21 you, related to these cases; and that is
22 correct?

23 A That is correct, sir.

24 Q Did he talk to you about
25 this at all? And don't tell me anything

1 JULIO ESTRADA

2 that you ever discussed with
3 Mr. Kousouros. But did he contact you
4 about having received a summons?

5 A No, sir.

6 Q So when Mr. Kousouros
7 wouldn't accept service of the summons, I
8 asked the judge in our cases to issue an
9 order to have the department of
10 corrections produce you for this
11 deposition.

12 And I received that order
13 and then served it on the department of
14 corrections who arranged for this to
15 happen. The order is simply that the
16 department of corrections was to produce
17 you to sit here and be here for a
18 deposition.

19 A I totally understand, sir.

20 Q There is no order for you to
21 say anything. And I'm going to have
22 several questions I'd like to go through
23 about your work at New York Motor Group,
24 your relationship with Mamdoh Eltouby and
25 your interactions with my clients and

1 JULIO ESTRADA

2 other customers who had come into New
3 York Motor Group during the time that you
4 worked there. And the other attorneys
5 will also have questions about those
6 areas as well, I'm sure.

7 MR. LANE: Off the record.

8 (A discussion was held off
9 the record.)

10 Q Mr. Estrada, I want to be
11 perfectly clear with you and make sure
12 that if we go forward here with any
13 questioning, you understand several
14 things: I cannot give you any legal
15 advice. And no one in this room can give
16 you any legal advice.

17 But I want you to be aware:
18 There are six cases. In two of those
19 cases, I believe that I made service on
20 you through substitute service on your
21 wife at your Hackettstown residence?

22 A What do you mean by that,
23 sir?

24 Q Summonses with the original
25 pleadings with the complaint.

1 JULIO ESTRADA

2 A Oh, you mean you served
3 them?

4 Q Were served, yes. And
5 according to affidavits of service that I
6 filed with the court, they were received
7 by your wife at your house in
8 Hackettstown.

9 A For me to show up at court?

10 Q That's right. But that was
11 last year. I forget the exact month at
12 this point. But I learned shortly after
13 that, that you had been incarcerated.

14 So you are named as a
15 defendant in all of these cases. But to
16 be perfectly frank, I think in most of
17 the cases, in four of them, we never
18 served you. No one ever served you. You
19 didn't get any notice of the lawsuits.

20 And in two of them, in the
21 Freire and in the Gabrys cases, I believe
22 that notice of the lawsuits was served by
23 substitute service, received by your wife
24 at your house in Hackettstown.

25 A Sorry. I apologize. Which

1 JULIO ESTRADA

2 two cases, sir?

3 Q Freire and Gabrys.

4 A Do you mind if I reach and
5 grab the Exhibit 1?

6 Q Just. So you understand,
7 there are six cases. And two of them, we
8 did make service.

9 A Boris, Freire and who else?

10 Q Simon Gabrys.

11 A I know exactly who these
12 people are. I remember them vividly. In
13 any one of these clients you may mention
14 to me, today's your lucky day because I
15 remember every customer, even what they
16 were wearing. I remember exactly who
17 they are.

18 Q I want you to understand. I
19 want to be very cautious about this
20 because you had indicated -- when the
21 corrections officer brought you here this
22 morning, this was the first time that you
23 had heard about this deposition; is that
24 correct?

25 A That is correct.

1 JULIO ESTRADA

2 Q And that you have not spoken
3 to Mr. Kousouros about this deposition?

4 A Never have.

5 Q As you are a defendant in
6 these cases, you would certainly have the
7 right to consult with an attorney about
8 these cases and about your testimony here
9 today.

10 A I am very aware of my
11 rights, sir.

12 Q And are you aware of the
13 Fifth Amendment right to not incriminate
14 yourself?

15 A Absolutely.

16 Q I cannot provide you any
17 legal advice. I just want to get an
18 understanding of what it is you
19 understand about the criminal process and
20 the civil process. This is not a
21 criminal case.

22 But there are claims against
23 you for civil liability for a conspiracy
24 to defraud consumers working with Mamdoh
25 Eltouby.

1 JULIO ESTRADA

2 A Thank you for your courtesy
3 and professionalism.

4 MR. LANE: Off the record.

5 (A discussion was held off
6 the record.)

7 Q Again, I just want to be
8 perfectly clear. It sounds like you
9 understand what your Fifth Amendment
10 rights are: Your right to not
11 incriminate yourself. And you understand
12 that you could have consulted and can
13 consult with an attorney about these
14 cases; is that correct?

15 A That is correct, sir.

16 Q I want to make sure that you
17 understand that I'm not making any
18 representations about what might come of
19 you testifying today. There's going to
20 be testimony. There's a court reporter
21 who is taking down a record of everything
22 that's being said.

23 And I'm not making any
24 representations about how that might
25 affect you or what we might do with that

1

JULIO ESTRADA

2

information. We may use it; we may not

3

use it. I'm not making any

4

representations to you, regarding the use

5

of this testimony or your rights. And I

6

just want to make sure that you

7

understand that.

8

A Yes, sir.

9

MR. SIMON: I just have one

10

question. Has he been sworn?

11

MR. LANE: He has been

12

sworn.

13

MR. SIMON: Just so he

14

knows, the questions you're going to

15

be asking him, if he wants to, he's

16

going to be testifying under oath,

17

and that will be transcribed.

18

Q Have you testified at a

19

deposition before?

20

A Numerous times, sir.

21

Q And you've testified in

22

court before?

23

A Without a doubt, yes.

24

Q So you understand that

25

you're under oath right now?

1 JULIO ESTRADA

2 A Yes, sir.

3 Q So you understand what it
4 means to testify under oath?

5 A Yes, sir, the seriousness.

6 Q You understand that if you
7 fail to tell the truth while testifying
8 under oath, there could be serious
9 consequences?

10 A Without a doubt, yes.

11 Q Court sanctions; and in
12 addition, giving false testimony could be
13 perjury and that could lead to criminal
14 consequences; you understand that?

15 A Yes, sir; fully aware of it,
16 sir.

17 Q Are you on any drugs or
18 medications at the moment that would
19 affect your ability to understand
20 questions and to answer them?

21 A None whatsoever, sir.

22 Q Knowing all of this and
23 having gone through all of this, you
24 would be willing to speak to us about New
25 York Motor Group and your work there?

1 JULIO ESTRADA

2 A Yes.

3 Q So let me just get some
4 background on you.

5 If you would, could you
6 state your full legal name?

7 A Julio Estrada.

8 Q Do you have a middle name?

9 A No, sir, also known as J
10 Torres, also known as Jose Lorenzo.

11 Q Have you ever used other
12 aliases?

13 A John DeSantos at New York
14 Motor Group.

15 Q How old are you, Mr.
16 Estrada?

17 A I just turned 40 years old
18 on March 11th, sir.

19 Q Are you married?

20 A Yes, I am.

21 Q What is your wife's name?

22 A Claudia.

23 Q At the moment, you're
24 incarcerated here at Rikers Island?

25 A That's correct, sir.

1 JULIO ESTRADA

2 Q What is your legal
3 residence?

4 A My legal residence is 112
5 Knob Hill Road.

6 Q In Hackettstown, New Jersey?

7 A That is correct. 07840.

8 Q Could you tell me your
9 wife's full name?

10 A My wife's name is Claudia
11 Estrada.

12 Q What's the highest level of
13 education you've reached?

14 A I have -- I got a bachelor's
15 degree in business and science in San
16 Juan University.

17 Q In San Juan, Puerto Rico?

18 A Yes, sir.

19 Q How long have you lived at
20 112 Knob Hill Road in Hackettstown, New
21 Jersey?

22 A Approximately six years, if
23 I'm not mistaken.

24 Q Where did you live before
25 that?

1 JULIO ESTRADA

2 A I lived before that in the
3 Bronx, sir.

4 Q Could you tell me your
5 address in the Bronx?

6 A It was 814 Vincent Avenue,
7 Bronx, New York.

8 Q How long did you live at
9 that address?

10 A I lived there seven years,
11 sir.

12 Q I think I asked you this
13 before, but I just want to be clear.

14 You have worked at New York
15 Motor Group -- is that correct? -- in
16 Queens, New York?

17 A I was an independent
18 contractor for New York Motor Group, sir.

19 Q What was your title?

20 A Excuse me?

21 Q Did you have a title there?

22 A No. I was basically a
23 sales, slash, closer financier (as said).

24 Q Sales, slash, closer
25 financier?

1

JULIO ESTRADA

2

A Yeah.

3

Q And you said that this was

4

as an independent contractor?

5

A That is correct, sir.

6

Q Did you have a salary?

7

A I never had a set salary in

8

New York Motor Group, sir.

9

Q How were you compensated for

10

your work at New York Motor Group?

11

A I was compensated for my

12

work in accordance to the deals that I

13

closed and whatever the production,

14

whatever the profit was in the deals, you

15

know, in accordance to that, I was paid.

16

Q And what was the formula for

17

determining how much money you would get

18

paid?

19

A Technically -- technically,

20

I was supposed to be getting paid

21

20 percent of whatever the gross was on

22

the deals. But unfortunately for that

23

company, New York Motor Group, it all

24

ended up being whatever mood the owner

25

was in.

1 JULIO ESTRADA

2 Q When did you start working
3 at New York Motor Group?

4 A In December of --
5 December 2012, sir -- no. As a matter of
6 fact, I apologize. I remember. It was
7 exactly November 2012, one week before
8 Thanksgiving.

9 Q The plane passing just then
10 reminded me of something. I just want to
11 backtrack and make sure one other thing
12 is perfectly clear. You said you've
13 testified before. So you probably
14 understand this.

15 The court reporter is taking
16 dictation. He's writing down everything
17 that's being said. So it's important
18 that he hears you. All of your answers
19 need to be verbal answers, not shakes of
20 the head or uh-huhs or uh-uhs, yes or no.

21 And since we are dealing
22 with LaGuardia Airport close by, let's
23 just all be conscious that when the
24 planes start, we should just be quiet, so
25 that the court reporter doesn't miss any

1 JULIO ESTRADA

2 testimony.

3 A I understand.

4 Q Thank you.

5 A No problem.

6 Q So you began working at New
7 York Motor Group November 2012, one week
8 before Thanksgiving?

9 A Yes, sir.

10 Q At that time, were you
11 working anyplace else?

12 A When I started working at
13 New York Motor Group at that time, was I
14 employed by anyone else?

15 Q Anyone else, yes.

16 A No. At that time, I was
17 employed by another dealership, sir.

18 Q What was the name of that
19 dealership?

20 A Auto Palace in Woodside, New
21 York; located in Woodside, New York.

22 Q Is that owned by the
23 Kohananos?

24 A Yes.

25 Q So you were working at Auto

1 JULIO ESTRADA

2 Palace in November of 2012 as well?

3 A In November 2012, right
4 before that, which was the last month I
5 worked for Auto Palace, it must have been
6 in June, June of 2012. My previous
7 employer before I started working for New
8 York Motor Group was Auto Palace. So at
9 the time when I started working at New
10 York Motor Group, I was not employed,
11 sir.

12 Q So you left Auto Palace in
13 June 2012?

14 A Yes, sir.

15 Q And then didn't have
16 employment between June 2012 and
17 November 2012?

18 A No, sir. June 2012, I
19 didn't leave Auto Palace. I was arrested
20 at Auto Palace, sir.

21 Q You were arrested at the
22 location?

23 A At the location.

24 Q Are you sure that that was
25 June 2012 and not December 2012?

1 JULIO ESTRADA

2 A No, sir. In
3 December 2012 -- on December 2012, I was
4 working at New York Motor Group.

5 Q You were arrested in
6 June 2012?

7 A Yes, sir.

8 Q How long did you continue
9 working at New York Motor Group?

10 A Until -- until 2014 -- until
11 January of 2014.

12 Q During that time, from
13 November 2012 to January 2014, did you
14 work at any other auto dealerships?

15 A No, sir.

16 Q Did you do any independent
17 contracting work for anyone else?

18 A No, sir.

19 Q So during November 2012 to
20 January 2014, the only place you worked
21 was New York Motor Group?

22 A That's correct.

23 Q Did you work there every
24 day?

25 A No, sir.

1 JULIO ESTRADA

2 Q Did you work there Monday
3 through Friday?

4 A The days that I was
5 scheduled to work was Monday through --
6 Monday through Saturday.

7 Q How long were you there each
8 day?

9 A I used to work anywhere from
10 12:00 to 10, 11:00 at night.

11 Q You had said that your
12 agreement for compensation was 20 percent
13 of the gross on the deals; is that
14 correct?

15 A After costing out the deal,
16 whatever the profit was, I used to get --
17 I was supposed to get paid 20 percent.

18 Q Could you explain what you
19 mean by that: By costing out the deal?

20 A In accordance with what the
21 cost of the vehicle was, in covering the
22 costs of any aftermarket products that
23 were purchased by the customers, because
24 in the finance office, you sell
25 aftermarket products to the customers,

1 JULIO ESTRADA

2 and after costing out the aftermarket
3 products from the customers, at that
4 particular time, they would -- the owner
5 would do an evaluation -- would evaluate
6 how much was left, how much did the deal
7 profit. And in accordance to that, I was
8 supposed to get paid 20 percent.

9 Q So, essentially, you would
10 get 20 percent of the profit on the sale;
11 is that correct?

12 A I was supposed to get paid.
13 The reason I continue to say "supposed
14 to" and don't agree with the statement
15 that that's what I got because I never
16 got it.

17 Q Did you get paid anything
18 while you were at New York Motor Group?

19 A Yes, sir. I would get
20 paid -- I would get paid in cash from the
21 employer.

22 Q How often would the employer
23 pay you in cash?

24 A On a Saturday. And Saturday
25 when I couldn't get paid, I will have to

1 JULIO ESTRADA

2 wait to Tuesday.

3 Q Would he give you the same
4 amount of money each time he paid you?

5 A No.

6 Q Do you know who the owner of
7 New York Motor Group is or was?

8 A In accordance to your
9 question, you mean the owner on file or
10 who the actual owner is? I'm sorry for
11 asking you the question.

12 Q I appreciate it. And,
13 again, another housekeeping issue: If
14 you don't understand any question, please
15 let me know that, and I will rephrase it
16 and make sure that you do understand it.

17 I'd like to know the answer
18 to both of your questions back to me. So
19 who hired you to work for New York Motor
20 Group?

21 A Toby.

22 Q Who's Toby?

23 A Toby is the acting owner.

24 Q Do you know his --

25 A Eltouby.

1 JULIO ESTRADA

2 Q Is it Mamdoh Eltouby?

3 A Yes, sir.

4 Q You say he's the acting
5 owner. Why acting owner?

6 A 'Cause in respect to the
7 ownership of the dealership and in
8 respect to B&B licensing and things like
9 that, it makes you the owner of the
10 establishment. He's not listed as the
11 owner, official owner, in all of the
12 documents.

13 Q You understood that there
14 was another person who was also an owner
15 of New York Motor Group?

16 A Yes, sir.

17 Q Who is that?

18 A A relative of his.

19 Q Do you know that name?

20 A I don't know her name.

21 Q Do you know Aleste Abreu?

22 A Doesn't ring a bell.

23 Q The relative of Mr. Eltouby
24 that you think was the other owner --

25 A Aleste Abreu -- Aleste is --

1 JULIO ESTRADA

2 MR. LANE: Strike my last
3 question. And I would like to hear
4 what else Mr. Estrada has to say
5 about Aleste Abreu.

6 A Aleste Abreu is the person
7 that -- the original dealership, which is
8 the mother head of the dealerships, New
9 York Motor Group was just a division of
10 Planet Motor Cars which is located in
11 Hillside Avenue in the great County of
12 Queens.

13 In Planet, Mr. Abreu, they
14 are an employee that has worked with Toby
15 for over 20 years. And Toby was putting
16 numerous things under that individual's
17 name.

18 Q So Aleste Abreu worked at
19 Planet?

20 A Yes, sir. Works.

21 Q Let me just back up.

22 Do you know if Sadia Ibrahim
23 is the name of the other owner of New
24 York Motor Group?

25 A Those individuals that you

1 JULIO ESTRADA
2 have mentioned, sir, people that have
3 been used for licensing purposes or
4 permit purposes. But the actual
5 individual that runs the establishment
6 that gives out orders and what needs to
7 be done or shouldn't is Mr. Eltouby.

8 Q Do you have a sense of why
9 Mr. Eltouby was using other people for
10 licensing?

11 MR. SIMON: Just note my
12 objection to the form of the
13 question.

14 A I'm not certain, sir.

15 Q How is it that you know that
16 other people's names were listed as
17 owners of the dealership?

18 MR. SIMON: Note my
19 objection to the form. We're
20 referring to New York Motor Group?

21 MR. LANE: Of New York Motor
22 Group or Planet Motor Cars.

23 MR. SIMON: You have to
24 just -- I was confused. I didn't
25 know what dealership you were

1 JULIO ESTRADA

2 referencing.

3 A I'm sorry, sir. Can you
4 repeat your question again?

5 Q Sure.

6 How did you come to know
7 that other people were listed as owners
8 of New York Motor Group and Planet Motor
9 Cars?

10 A How did I know that
11 information? 'Cause I was a trusted
12 employee from that company.

13 Q So you saw documents that
14 had their names on them?

15 A Yes, sir. I saw. I was
16 spoken to. I was questioned as to
17 advised to; numerous things, sir.

18 Q You had said, though, that
19 it was Mamdoh Eltouby who hired you?

20 A That's correct, sir.

21 Q Did he hire you to work for
22 Planet or just for New York Motor Group?

23 A For both corporations, to go
24 back and forth in between dealerships
25 between Planet and New York Motor Group.

1 JULIO ESTRADA

2 Q Did you ever physically work
3 at Planet Motor Cars?

4 A Yes, sir.

5 Q Planet was at 160-14
6 Hillside Avenue?

7 A That is correct, sir.

8 Q And New York Motor Group was
9 on Queens Boulevard?

10 A No, sir. It's on the top of
11 that document you're holding. It says
12 the name of the dealership with the
13 address on top.

14 Q I know. But this says
15 Planet. I just want to make sure we're
16 establishing. So you did work at the
17 location of 160-14 Hillside Avenue --

18 A Yes, sir.

19 Q -- for Planet?

20 And other times, you were
21 working for New York Motor Group at 60-20
22 Northern Boulevard?

23 A What happens is in my case
24 when you're an independent contractor for
25 a dealership, sir, that doesn't

1 JULIO ESTRADA

2 necessarily, places me in one dealership
3 at all times. They take me back and
4 forth sometimes to work in different
5 dealerships to complete my tasks which is
6 of closing deals.

7 In respect to New York Motor
8 Group, the majority of my time was spent
9 at New York Motor Group.

10 Q But there were days where
11 you were actually at Planet Motor Cars?

12 A Yes, sir.

13 Q When you were there, did you
14 finish financing agreements with
15 customers at Planet Motor Cars?

16 A Did I close out deals?

17 Q Yes.

18 A At Planet Motor Cars, no,
19 sir. They were usually -- they were
20 usually brought back with me to New York
21 Motor Group.

22 Q So what did you do at
23 Planet?

24 A At Planet, usually when they
25 were customers, they wanted their money

1

JULIO ESTRADA

2

back or wanted not to proceed with the

3

deal, my job was to go over there and

4

explain to them numerous options as to

5

why there still may be a possibility in

6

me assisting them and making the deal

7

favorable for themselves and their

8

families.

9

And at that point, my job

10

was to bring back the customer to New

11

York Motor Group, sir. At New York Motor

12

Group, then I had to proceed with giving

13

them the introduction of this new deal

14

that I was speaking of at Planet Motors

15

and leaving them in their hands if they

16

decided to move forward or not.

17

Q Why did you have to bring

18

them back to New York Motor Group to

19

close out the deal?

20

A The reason being is

21

'cause -- usually when a situation in a

22

dealership got to a point, any discussion

23

escalated in respect to the customer just

24

wanting their money back or not

25

proceeding with the deal, that means that

1 JULIO ESTRADA

2 the manager is just, like, rules in the
3 car business. That means that the
4 manager at that dealership didn't have a
5 relationship or a way to communicate --
6 communicate any further with the customer
7 in a positive way, not just for the
8 customer but obviously for the
9 dealership.

10 Q Who would ask you to go over
11 to Planet to do that kind of work?

12 A My employer.

13 Q Mr. Eltouby?

14 A Yes, sir.

15 Q Did anybody else ask you to
16 go over to Planet to do that?

17 A The only one I ever took
18 orders from was Eltouby.

19 Q When did you first meet
20 Mr. Eltouby?

21 A I met Mr. Eltouby about,
22 like, eight years ago -- excuse me. I
23 met Mr. Eltouby six years ago, sir. I
24 knew of Mr. Eltouby for over nine, close
25 to ten years. Mr. Eltouby's been in the

1 JULIO ESTRADA

2 car business for numerous years.

3 Q How did you first meet
4 Mr. Eltouby?

5 A I was introduced to him by a
6 contractor.

7 Q What contractor?

8 A Excuse me. Another
9 individual that does financing as well.
10 I'm sorry. That means that another
11 individual that does financing as well
12 introduced me to him.

13 Q Who is that?

14 A His name is James.

15 Q Do you know his last name?

16 A No, sir. I apologize.

17 Q That's fine.

18 Was James a contractor who
19 did financing Mr. Eltouby?

20 A At that time?

21 Q Yes.

22 A Yes, sir.

23 Q Did you begin working for
24 Mr. Eltouby six years ago?

25 A No.

1 JULIO ESTRADA

2 Q Did you ever work for
3 Mr. Eltouby before November 2012?

4 A No, sir.

5 Q So you had said before that
6 you were arrested in June of 2012?

7 A At Auto Palace, sir. By the
8 way, I answered this question.

9 Q You did.

10 A Yes.

11 Q When did you first talk with
12 Mr. Eltouby about working at New York
13 Motor Group?

14 A When I was working at Auto
15 Palace, Mr. Eltouby used to -- used to
16 attempt to -- to bring me to his company.
17 He used to discuss with me the
18 possibilities of me working for his
19 establishment and how I would be --
20 instead of getting a flat pay like I was
21 initially getting at Auto Palace, I will
22 now get paid commission like I rightfully
23 deserve and I will get paid 20 percent
24 and how I would get paid Saturday,
25 guaranteed, with no issues, no ifs, ands

1 JULIO ESTRADA

2 and butts. That's what I was promised by
3 the gentleman: To come work in his
4 recruitment process, of course, 'cause he
5 was just recruiting.

6 Q Would he call you or would
7 he come visit you at Auto Palace?

8 A He would call and visit. He
9 would -- he would come to the dealership.
10 He would come to the dealership. Or he
11 would send other employees from his
12 company to come get me, so that way I
13 could come see him.

14 Q Would he come there
15 specifically to speak --

16 A To speak to me, that's
17 correct.

18 Q When did he start doing
19 that?

20 A In the beginning of 2013,
21 mid 2013, sir.

22 Q You said you started working
23 for him in 2012?

24 A No, sir. Your question was,
25 when he first started --

1 JULIO ESTRADA

2 Q When he first started coming
3 to Auto Palace.

4 A By 2011, 2011. Mid 2011 --
5 the beginning of 2011.

6 Q So at the beginning of 2011
7 was when he would start coming to Auto
8 Palace --

9 A Recruit me.

10 Q -- or calling to recruit
11 you?

12 A That's correct, sir.

13 Q Before that time, did you
14 have any other conversations with
15 Mr. Eltouby?

16 A Yes, sir. We used to do
17 business together. We used to broker
18 deals. We used to use his banking
19 institutions to broker deals with other
20 dealerships.

21 Q Can you explain what you
22 mean by that?

23 A By that, I mean the
24 following. I used to work for a
25 dealership called Auto Palace. At Auto

JULIO ESTRADA

Palace, being that it was an independent contractor -- excuse me. Being that it was an independent dealer, not a franchise, they didn't have the capabilities of having their own banking institutions, which meant that unless you were a franchise in the City of New York, the City of New York dealerships, banking institutions were not signing up dealerships.

They were not involved, affiliated or sponsored through another franchise, unless, of course, you were already grandfathered into the business, like in Mr. Eltouby's case, that he's not a franchise but yet has banking institutions affiliated with him, 'cause he was grandfathered into the situation.

Q Let me ask you this question.

Who was the owner of Auto Palace when you worked there?

A Jenny.

Q Jenny Kohanano?

1 JULIO ESTRADA

2 A Yes, sir.

3 Q Was her husband involved
4 with Auto Palace as well?

5 A Her husband, the same
6 situation with Toby. He's the boss. But
7 he's not the boss.

8 Q His name was Danny?

9 A Danny Kohanano, that's
10 correct.

11 Q So you felt like you really
12 worked for Danny Kohanano?

13 A I worked for Danny. Danny
14 Kohanano paid me on a weekly basis.
15 Never no problems, ever.

16 Q Danny hired you to work at
17 Auto Palace?

18 A That is correct, sir.

19 Q Did Danny Kohanano know
20 Eltouby?

21 A That is correct.

22 MR. SIMON: When are we
23 going to get to these deals?

24 MR. LANE: I understand your
25 discomfort, Mr. Simon. But we shall

1 JULIO ESTRADA

2 continue.

3 Q Did Danny Kohanano ever ask
4 you to contact Mamdoh Eltouby, so that
5 you could use Mr. Eltouby's connection to
6 a financial institution to finance car
7 sales through Auto Palace?

8 A That's exactly how it went,
9 sir. I was the bridge that introduced
10 Danny Kohanano and Mr. Eltouby to each
11 other. Danny and Eltouby were not --
12 were -- have been in the automobile
13 industry over a decade, respectively.
14 But they were not doing business with
15 each other.

16 Q Would it be accurate to say
17 that Mr. Kohanano needed Mr. Eltouby's
18 assistance in order to get financing
19 agreements for the cars and the sales at
20 Auto Palace?

21 A Yes.

22 Q So when did you first reach
23 out to Mr. Eltouby to assist Auto Palace
24 with financing?

25 A I reached out to Mr. Eltouby

1

JULIO ESTRADA

2

after -- when I first -- in order for you

3

to understand my question, I have to

4

momentarily tell you how it happened.

5

Q Please.

6

A When I first started working

7

with Mr. -- Danny Kohanano, he didn't

8

have any banking institutions. At that

9

point, I was able to get him some banking

10

institutions to assist him, sign him and

11

his dealership up, and his actions -- his

12

actions in his practices, as well as me

13

working with them, led to the fallout of

14

his situation with the banking

15

institution who is currently represented

16

by this gentleman, which I don't know his

17

name (pointing), which was Santander. At

18

that time, he had a fallout with

19

Santander.

20

At that moment, he no longer

21

had any banking institutions left. And I

22

introduced him in 2009, in mid 2009, to

23

Mr. Eltouby after I was spoken to him by

24

James, referred to him by James, which

25

was the other broker, sir.

1 JULIO ESTRADA

2 Q Auto Palace did have some
3 contracts with financial institutions?

4 A Yeah, at that time. Before
5 he met Eltouby, Auto Palace had their own
6 banking institution that they were doing
7 business with on their own under their
8 flag of Auto Palace.

9 Q But in 2009, they didn't
10 have any?

11 A No. There's a -- there's
12 different divisions in banking
13 institutions, especially -- not just in
14 franchise or independent dealers.
15 There's primary, subprimes, and there's
16 obviously others -- other banking
17 institutions, which is subprime lenders,
18 that you have to sign full resources for
19 and stuff like that.

20 Q Do I understand that
21 Mr. Kohanano lost his contract with
22 Santander Consumer?

23 A Yes, sir. He was cut off by
24 Santander financially.

25 MR. SIMON: Note my

1 JULIO ESTRADA

2 objection. You're referring to Auto
3 Palace's agreement with Santander,
4 not Kohanano?

5 MR. LANE: That's correct.

6 MR. SIMON: There was an
7 agreement with the dealership.

8 MR. LANE: Yes. I agree
9 with your characterization.

10 Q I wanted to know if Auto
11 Palace lost its contract to assign
12 financing agreements to Santander.

13 A Yes, sir.

14 Q When that occurred, it was
15 about 2009, you said?

16 A If I'm not mistaken, it was
17 around that time.

18 Q When that occurred, did that
19 result in Auto Palace not having a
20 subprime lender to work with?

21 A That is correct. He had --
22 he continued -- Auto Palace, we had
23 subprime lenders that we were still doing
24 business with but not to the extent that
25 we needed to in order to cover the

1 JULIO ESTRADA

2 spectrum of business that Auto Palace was
3 doing.

4 At that point, by Auto
5 Palace having a fallout with the banking
6 institution, Santander, that is what
7 triggered Mr. Kohanano asking me to
8 introduce -- introduce him to
9 Mr. Eltouby, so they could do future
10 business.

11 Q Did Mr. Kohanano
12 specifically asked you to introduce him
13 to Mr. Eltouby?

14 A No. He never asked me to
15 meet him. He actually told me: You take
16 care of that, you deal with him yourself.

17 Q Can you tell me exactly what
18 Mr. Kohanano asked you to do? What is it
19 he asked you to do?

20 A He asked me to be the bridge
21 in between both companies, at that time,
22 being Auto Palace and Planet Motors, so
23 that that way, they could do business
24 with each other which is called brokering
25 business with each other.

1 JULIO ESTRADA

2 Q When you approached
3 Mr. Eltouby about this in 2009, he agreed
4 to work with you and with Auto Palace?

5 A No. Mr. Eltouby, at that
6 time, told me that he's not interested in
7 doing any business with Auto Palace,
8 'cause the reputation that Auto Palace
9 has, he does not want to be affiliated,
10 One.

11 And Two, he did not want to
12 involve any of his banking institution
13 with a company that does business to the
14 degree that Auto Palace at that time was
15 doing, sir, and that he worked very hard
16 to obtain his banks to throw them out the
17 window.

18 Q That was about 2009, you
19 said?

20 A That is correct, sir.

21 Q About two years later in
22 2011, Mr. Eltouby started to come to Auto
23 Palace to talk to you and to encourage
24 you to come work for him?

25 A That's correct, sir.

1 JULIO ESTRADA

2 Q Did you have any other
3 contact or conversations with Mr. Eltouby
4 between 2009 and 2011?

5 A No, sir. Conversations?

6 Q Yes.

7 A Oh, yes, of course. Without
8 a doubt throughout the years, we've had
9 numerous conversations.

10 Q When did Mr. Eltouby tell
11 you that he was going to hire you to work
12 for New York Motor Group?

13 A 2013, sir. Excuse me.
14 2013.

15 Q I'm sorry.
16 You had said before
17 November 2012, is when you started
18 working at New York Motor Group.

19 A In November 2012, is when I
20 started working for New York Motor Group.

21 Q Was it in November when he
22 told you that that's when he wanted you
23 to work for him?

24 A Yes. In 2013, like in the
25 month of February 2013, that's when I was

1 JULIO ESTRADA

2 told that I was going to do business,
3 financing as well, closing deals for
4 Planet and for New York Motor Group.

5 Q Did you start financing at
6 New York Motor Group immediately when you
7 began working there in November 2012?

8 A No, sir.

9 Q What did you do when you
10 first started at New York Motor Group?

11 A I was waiting approximately
12 two weeks so they could fix the phones
13 and the Internet. And then that's when I
14 started working.

15 Q Did Mr. Eltouby know that
16 you had been arrested when he hired you
17 to work at New York Motor Group?

18 A Did Mr. Eltouby know that I
19 had been arrested? No, sir. I never
20 discussed that with him. The reason we
21 never discussed that -- I never discussed
22 that with him is because I never filled
23 out an employment package for his said
24 company.

25 Q Did he ever ask you for your

1 JULIO ESTRADA

2 Social Security number?

3 A No, sir. I was an
4 independent contractor.

5 Q Did he ever ask you to
6 complete a W-9 form?

7 A Yes. I know exactly what it
8 is. He did ask me for it. I gave it to
9 him. I gave him the name and the seal of
10 my corporation.

11 Q What was the name of your
12 corporation?

13 A PTG Enterprise.

14 Q Did you have a TIN for PTG
15 Enterprise?

16 A No.

17 Q A tax identification number?

18 A No.

19 Q So do you recall when you
20 completed the W-9, did you put your
21 Social Security number on it?

22 A I gave it to him.

23 Q You gave him your Social
24 Security number?

25 A No, not my Social Security

1

JULIO ESTRADA

2

number. I never gave him my Social

3

Security number. In fact, all he did was

4

give me the document. I never even

5

finished completing it. I never -- I

6

never -- to answer your question, sir, I

7

never completed the document.

8

After it was given to me and

9

we sat together, he asked me for my --

10

for my seal. I gave him my seal of my

11

company. The document was never finished

12

because I know that because I asked for a

13

copy of it. I never got a copy of it. I

14

wanted a copy to keep for my files.

15

Q So you never completed the

16

W-9 form?

17

A No, sir.

18

Q And he never took it from

19

you?

20

A No, sir. I never even -- my

21

corporation, at that time, I didn't even

22

get a check from them. We get paid cash

23

from New York Motor Group.

24

Q Did he ask you if you had

25

ever been arrested?

1 JULIO ESTRADA

2 A No, sir, he never asked me.

3 If I had been arrested, no, he never

4 asked me. He asked me -- the only

5 question is: Have you ever had any

6 problems in respect to financing with the

7 law in the State of New York or any other

8 state for that manner. That's the only

9 question he asked me. And I said, No,

10 sir.

11 Q I'm just a little confused
12 by your last response.

13 MR. LANE: Could you read it
14 back?

15 (The requested portion was
16 read back by the court reporter.)

17 MR. SIMON: Could we go off
18 the record for a second?

19 MR. LANE: I didn't agree to
20 go off the record.

21 Q I'm confused.

22 Are you saying that what
23 Mr. Eltouby asked you was: Had you ever
24 been arrested in connection with auto
25 financing?

1 JULIO ESTRADA

2 MR. SIMON: Note my
3 objection to the form of the
4 question.

5 MR. LANE: I'm asking for
6 clarification.

7 A He asked -- that means I
8 could proceed?

9 Q Proceed.

10 A He asked me -- he asked me:
11 Have you ever had any conviction or any
12 problems with the law in respect to auto
13 financing in the State of New York or any
14 state for that manner. And I said no.

15 And then he reminded me that
16 his -- that his camera was on in his
17 office and then I said okay. Then I
18 answered the question.

19 Q But you had already been
20 arrested at that point?

21 A No, sir. At that point when
22 I had been arrested, my arrest was -- had
23 nothing to do with financing, sir.

24 Q Your June 2012 arrest?

25 A My arrest in June 2012 was

1

JULIO ESTRADA

2

my -- the reason I was arrested was for

3

making false -- for obtaining --

4

obtaining funds for -- from -- from

5

people in order to provide a service

6

which I never gave. Those were the

7

allegations -- the alleged -- the

8

allegations held against me.

9

Q

So when Mr. Eltouby asked

10

you if you had ever been convicted or had

11

problems with the law related to banking

12

and financing, you felt by answering no,

13

that you weren't --

14

A

He never asked the question,

15

convicted. He just asked: Have you ever

16

had any problems with the law in respect

17

to auto financing in the State of New

18

York or any state for that manner. And I

19

said no, sir.

20

Q

And you felt that you were

21

answering truthfully when you told him?

22

A

That is correct, sir.

23

Q

At New York Motor Group, you

24

said it took a couple of weeks before you

25

fully started working?

1

JULIO ESTRADA

2

A It took approximately two weeks. There was a glitch with the Internet provider and the phone lines. As soon as that -- they were able to fix that, we resumed business as usual. And I started working for them.

8

Q By December 2012, you were doing financing at New York Motor Group?

10

A By mid November, sir.

11

Q By mid November?

12

A That is correct. The reason I say that is because I remember clearly on Thanksgiving evening, I was there until 12:00 at night, waiting to get paid.

17

Q Did anyone supervise your work --

19

A Yes.

20

Q Who?

21

A Mr. Eltouby.

22

Q Just make sure to let me finish my question completely before you answer. I just want to make sure that he hears my entire question and gets it down

23

24

25

1 JULIO ESTRADA

2 before you answer it.

3 A I apologize. Sorry.

4 Q My question was: Did anyone
5 supervise your work at New York Motor
6 Group, and you said that, yes,
7 Mr. Eltouby was your supervisor?

8 A That is correct.

9 Mr. Eltouby.

10 Q Did anybody else supervise
11 you?

12 A No, sir.

13 Q Did you supervise anyone?

14 A Did I supervise anyone?

15 Q Yes.

16 Did you have any employees
17 that worked --

18 A That worked --

19 Q -- under you?

20 A First off, I'm sorry. You
21 had just told me to wait for you to
22 answer a question and I interrupted you
23 again. I apologize.

24 Q That's okay.

25 A No, sir. My -- my position

1 JULIO ESTRADA

2 at that establishment was just to close
3 out deals, sir. That was my job. I was
4 in the office, in the last office all the
5 way in the back with two cameras. And
6 when it was time to bring a client in the
7 office, they would bring me a folder,
8 like the one in this table right there
9 (pointing), sir.

10 And at that point, they
11 would introduce me to the customer. The
12 sales rep would introduce me to the
13 customer. I would go over, confirm
14 identification of the customer in front
15 of the customer under the presence of the
16 camera. I would inform the customer that
17 everything was being recorded by audio
18 and video for their protection and the
19 protection of their bank and the
20 protection of the banking institutions.

21 And then I would proceed it
22 to confirm identity and confirm -- ask
23 them previous questions in respect to
24 their credit to be certain that that
25 person was who they claimed to have been.

1

JULIO ESTRADA

2

Q Why did you tell people
3 about the cameras?

4

A The reason I told people
5 about the cameras is 'cause in numerous
6 times when -- in the automobile industry
7 when you deal with clientele, a lot of
8 people -- a lot of clients,
9 unfortunately, get -- after signing their
10 documents and going home and then two or
11 three months later, there's a saying in
12 the car business that says that they wake
13 up from the ether or they have buyer's
14 remorse, which after going through their
15 documents and going over their stuff with
16 other people, other people have their
17 opinions, stuff like that.

18

So I always make sure that I
19 explained it to them, so that that way
20 every single time, they left the office
21 with copies of all their documents. He
22 or she cannot come back and say that I
23 did not get copies of my stuff.

24

Q So as far as you understood,
25 everything going on in your office was

1 JULIO ESTRADA

2 being recorded?

3 A A hundred -- not as far as I
4 understood, sir. I knew that for a fact.
5 It was confirmed, not just once, twice,
6 not just on occasions when customers had
7 problems. On occasions when they were
8 disputes, police officers were called in.
9 On occasions when they were -- customers,
10 numerous times.

11 I know for a fact we would
12 go to the back office, which was where
13 Toby's office was located at, and he
14 would rewind and play and put -- play the
15 audio for police officers, for bankers,
16 for whomever had any questions pertaining
17 to any situation, not just banking
18 institutions.

19 Q How were these recordings
20 made? On video?

21 A Digital video.

22 Q Digital video?

23 A Yes, sir.

24 Q Were things saved to disk
25 after that?

1 JULIO ESTRADA

2 A Yeah -- no. They were never
3 saved in the disk. They were saved into
4 a tower that was placed in the
5 controller's room. It was stored in the
6 hard drive, in the controller's room.

7 Q Where was the controller's
8 room?

9 A As you exit Toby's office,
10 on the left-hand side, sir. It was a
11 trailer.

12 Q I understand it's a trailer.
13 And we've heard testimony from Eltouby
14 about the layout of the space. So let me
15 make sure I understand it correctly.
16 It's a trailer?

17 A Mm-hmm.

18 Q And if I walk in the front
19 door with the lot behind me, there's an
20 office on the left?

21 A Office on the left belonged
22 to Toby and his daughter.

23 Q And on the right?

24 A Belong to -- that was New
25 York Motor Group to John DeSantos.

1 JULIO ESTRADA

2 Q Did you work in that office?

3 A Yes. That would be me, sir,
4 as I stated before, with my alias for New
5 York Motor Group.

6 Q So in the office where Nada
7 or Eltouby worked, there was a hard drive
8 for a computer, and all of the digital
9 video of the recordings was being stored
10 in that hard drive?

11 A Let me explain to you
12 thoroughly so you could understand.

13 Q Please. If you understand
14 the whole technical process, storing
15 those videos, please explain it.

16 A From A to Z, I understand
17 clearly. When you walk into the
18 trailers, if you walk towards the right,
19 that was where my office was -- that's
20 where I was working at, out of that
21 office. I was working under the alias of
22 John DeSantos in that office.

23 Towards the left, sir, right
24 before reaching the door of where Nada
25 and Mr. Eltouby used to sit at before I

1 JULIO ESTRADA

2 signed each and every customer, there was
3 a door on their right. That's where the
4 storage was at for the filing, for the
5 files. And there was a tower there that
6 had -- that was connected to the cameras.

7 As you enter Mr. Eltouby and
8 Nada's office on the right, there was a
9 plasma, just like there is right above
10 this camera (pointing). There's a plasma
11 there. They had screens and pictures of
12 every office, every camera in the
13 premises.

14 On the right where Toby and
15 Nada used to sit at, right in front of
16 them was the TV that had the screens. On
17 the right, they had another computer like
18 this (pointing). But it was a PC. This
19 is a laptop. They had a PC. In the PC,
20 they also had the screens that were
21 attached to every camera.

22 Every time I would sign a
23 customer out, they would watch the video
24 cameras and the videos on the PC, as I
25 was signing any client out. If they had

JULIO ESTRADA

any questions or anything like that or anything that they wanted to speak to me to in respect to that deal or anything pertaining to any other deal, what they would do is call me on the line. And at that moment, I would excuse myself from the client and tell them I have a call and I would speak to Toby or Nada. And they would -- they would tell me what was their concern in respect to the deal or the client had had.

Q You keep saying "they". During that description, you said "they." Were you referring to both Toby and Nada?

A Yes, sir.

Q Was there anybody else that you were referring to?

A The only individuals that were in there was Nada and Toby. The only individual that gave me any instructions or may have had any concerns in respect to any deal was Toby. Nada would -- never had, never had the authority, nor had the capability or the

1 JULIO ESTRADA

2 intelligence pertaining to deals to be
3 able to question me or tell me or deter
4 me from any way, shape or form towards
5 any deal. She obviously didn't have the
6 experience that Mr. Eltouby or myself had
7 in respect to deals.

8 Q How often was Mr. Eltouby at
9 the dealership, at New York Motor Group?

10 A Every day.

11 Q He was there every day?

12 A Mr. Toby, the majority of
13 the time, throughout the length of the
14 day, obviously was at Planet Motor Cars.
15 But did he -- come to New York Motor
16 Group every day -- every single day, he
17 would come there, except days that he was
18 at the auction, which was Wednesdays,
19 Fridays and Tuesday morning. Tuesday
20 night, he was at New York Motor Group to
21 come pick up people to go pick up the
22 cars.

23 Every time he would come
24 back from the auction, he would come back
25 to the dealership. But he would be in

1 JULIO ESTRADA

2 and out every day of that dealership
3 except the days obviously when he was in
4 the auction. After being done with the
5 auction, he would definitely come into
6 the dealerships.

7 Q And on the days he would
8 come by, would he go into the
9 controller's office, you called it?

10 A To the controller's office?

11 Q The office opposite yours.

12 A Where the filing cabinets
13 are at and the tower where they kept the
14 information to the videos, no, sir. He
15 would go in there if only he needed a
16 file for which he would usually tell the
17 receptionist to retrieve it from the
18 filing office.

19 Q Then who was monitoring the
20 video recordings on the screen?

21 A When I was signing customers
22 at the time when Toby was or wasn't
23 there? Toby, a hundred percent. Toby
24 used to call me from the auction and tell
25 me -- when the customer was in there, he

1 JULIO ESTRADA

2 could see it from his phone and tell me
3 what car is this customer there on. How
4 much did he give you? I mean, how much
5 did he give down payment? How did he
6 give his down payment? How much did he
7 give you before he walked in there? How
8 much does he have to give to COD? If
9 anything, I would call him, guaranteed.

10 As soon as he would hang up
11 with me, Nada's phone was ringing to then
12 confirm everything I just told him with
13 Nada. And now and then Nada would have
14 to go -- he would see Nada through the
15 cameras, going through the receipt book
16 or whatever the case may be to confirm --
17 to confirm that everything I just
18 informed him of was facts.

19 Q So he had the ability, as
20 far as you understood, to see the video
21 on his phone?

22 A Not -- to answer your
23 question, sir, not as far as I
24 understood. I knew that for a fact. He
25 used to call me and tell me what I was

1 JULIO ESTRADA

2 doing at that time that I was doing and
3 what I would just say to the customer, if
4 I didn't say it or if I did say it,
5 whatever it was, as live access to any
6 time I signed up a customer.

7 Q You know that he had that
8 access on his phone?

9 A Of course. He would call me
10 and tell me while I'm with the customer.
11 When I'm with the customer, he would tell
12 me clearly if I said anything wrong,
13 because look, I'm not going to say -- or
14 if I give any misleading information to a
15 customer or any false promise to a
16 customer, anything, whether good or bad.

17 Whatever it was, obviously
18 if it would put his company in a liable
19 situation, let's just say, or the deal or
20 the customer for that manner, he would
21 tell me, yo, don't tell him that, this,
22 that and the third. And any customer,
23 after I signed out, if he was there live,
24 like in the flesh, in the building, in
25 the trailer, by the time the customer

1 JULIO ESTRADA

2 would finish and leave out of his office,
3 either leave out of my office, will have
4 to speak to Toby every single night.

5 And they would be asked
6 everything I just told you in respect to:
7 Did you give any money to J before you
8 walked in there? How much money you
9 gave? How did you give the money? When
10 you was there, did you get your copy,
11 your paperwork? Let me see copies of
12 your paperwork. He would open up the
13 envelope that I gave the customer their
14 paperwork. He would go over all the
15 documents? Did you understand this?

16 Keep in mind: He already
17 had me recorded, explaining all this to
18 the customers. He would still go over
19 each and every one of those documents
20 with the customer and ask them: Did you
21 understand this thoroughly? So you happy
22 with the car? You know it's a used car
23 or you didn't buy a warranty or you did
24 buy a warranty? This is what you're
25 going to spend, every single customer,

1 JULIO ESTRADA

2 unless he was not in the trailer.

3 If he was not in the
4 trailer, obviously he would then tell the
5 customer -- he would call the customer
6 when I wasn't there or the times that I
7 was not in the building, the dealership.

8 Q One other question here on
9 the videos: Was there a tech guy? Was
10 there somebody who New York Motor Group
11 hired to take care of the computers and
12 any tech problems?

13 A No, sir.

14 Q Can you explain to me the
15 process that a customer goes through from
16 seeing the car on the lot with the
17 salesperson to them being --

18 A How do they make it to my
19 office?

20 Q Yes.

21 How does somebody get from
22 seeing an advertisement or seeing the lot
23 and then making their way to your office?

24 A You want to know the steps
25 in how do they make it to the last office

1 JULIO ESTRADA

2 which is my office?

3 Q Yes.

4 MR. SIMON: You're limiting
5 this to New York Motor Group?

6 MR. LANE: At the moment to
7 New York Motor Group.

8 A To New York Motor Group?

9 Q Yes.

10 A It's all basically standard
11 procedure. But I'm going to explain to
12 you in respect to New York Motor Group.
13 He or she goes online. And they see
14 online. What they do -- they do a search
15 of what vehicle they're looking for. At
16 that time, they locate the vehicle. They
17 call into the dealership to find out the
18 vehicle, if said vehicle is still
19 available. He or she confirms who they
20 spoke to. Hopefully, they confirm what
21 salesperson they spoke to.

22 At that point, the
23 customer -- the person comes down, excuse
24 me. The person comes down, asks to see
25 the Carfax on the vehicle. They get the

JULIO ESTRADA

Carfax. Then when they see the Carfax and they go -- then they want to know if they could buy the car cash or credit. If they decide to move forward, purchasing it in credit, they fill out what is called -- they fill out what is called a retail buyer's order, which is an agreement of purchase with clients' information, the vehicle's information and the agreed selling price on the vehicle.

If the vehicle is a cash deal, it would indicate on the retail buyer's order that this vehicle is being sold to the client as a cash deal. And this is the remaining balance after he or she put down X amount of dollars.

If the vehicle is being purchased on an agreement of financing, they will fill out the retail buyer's order, again with the same clients' information, vehicle information, what is the selling price of the vehicle and what was the down payment that the client gave

1 JULIO ESTRADA

2 and what would be the remaining balance
3 of the COD.

4 COD, by that, I mean if they
5 put down \$100 and they planning on
6 putting down \$3,000, the remaining
7 balance is \$2,900 due in U.S. currency or
8 debit. It cannot be given in credit if
9 they're financing -- if they're financing
10 the vehicle because they cannot give a
11 credit card for a down payment to a
12 vehicle if they're financing in credit.

13 At that point, that person,
14 when they sign a retail buyer's order,
15 they're officially has become what's
16 called a customer of the dealership.
17 When they become a customer of the
18 dealership, they proceed to get their
19 auto insurance with -- showing proof of
20 coverage, insurance card, binder. A
21 binder is a document that indicates the
22 coverage of the liabilities of insurance
23 for the vehicle.

24 Q Everything you're describing
25 so far, was that process being handled by

1 JULIO ESTRADA

2 a different company of New York Motor
3 Group?

4 A Every employee -- every
5 sales rep that introduced themselves to a
6 customer -- excuse me, to a client, they
7 walked on to the lot. In order for he or
8 she to proceed and purchase cash or a
9 finance vehicle, he or she has to fill
10 out a retail buyer's order for which they
11 get a copy of it, as well as a receipt
12 before leaving the establishment and a
13 copy of the Carfax.

14 Q So the salesperson completes
15 the retail buyer's order and confirms the
16 insurance information?

17 A At that point, they proceed
18 to get coverage of insurance with the
19 client. They put the client on the phone
20 with their insurance company. And the
21 insurance company, the sales rep tells
22 the customer: Please inform your
23 insurance company that you currently have
24 not taken the vehicle. But in order for
25 you to get into the finance office, you

1 JULIO ESTRADA

2 need proof of coverage as a stipulation
3 of promise purchase -- intention of
4 purchase, excuse me.

5 Q At what point of the process
6 would the salesperson bring the customer
7 to your office?

8 A After completing the retail
9 buyer's order and getting the proof of
10 insurance and completing all the other
11 information that I initially stated, at
12 that point, they go and meet -- at that
13 time, they meet -- they're done with the
14 sales rep.

15 Then they bring me the file.
16 They bring me a file. And right before
17 they come to see me, I submit the
18 application, if it's a finance deal. I
19 submit the application to the bank.

20 Q Would the salesperson bring
21 people to you even if they weren't going
22 to finance the deal?

23 A If they were doing a cash
24 deal, no. They would first go over
25 the -- they would first go over the deal

1 JULIO ESTRADA

2 with Ms. Nada or Mr. Eltouby. And in
3 respect to the deals -- 'cause I was only
4 dealing with clients that were purchasing
5 cash -- I mean, finance deals, sir.

6 Any customer that I saw that
7 ended up purchasing a vehicle in a cash
8 deal, it was 'cause they asked me to bill
9 out the deal for them which means print
10 out the documents in respect to that said
11 deal.

12 Q Do you know who made
13 advertising decisions?

14 A Absolutely.

15 Q Who was responsible for
16 managing the advertising of vehicles?

17 A The advertising of the
18 vehicles, a gentleman that was in charge
19 of that was Mohammed. His original name,
20 I do not know him. Obviously, in the
21 automobile industry, he has an alias.
22 His alias was Little Mohammed.

23 Q You said obviously in the
24 automobile industry, he has an alias.
25 Why is that obvious?

1 JULIO ESTRADA

2 A Oh, in the automobile
3 industry, the reason that everyone
4 usually has an alias is in respect to
5 that is 'cause a lot of situations occur
6 from it, whether you help out a customer
7 or get involved, once you're involved
8 with a dealership, usually, a client in
9 this day and age, they go online, and
10 they put your information online as being
11 part of the problem, even though it may
12 not be the case. So everyone uses an
13 alias for that reason.

14 Q So when Mr. Eltouby hired
15 you, did he know that your legal name was
16 Julio Estrada?

17 A No, sir.

18 Q He did not?

19 A No.

20 Q What did he know your name
21 as?

22 A J.

23 Q You introduced yourself to
24 him as J Torres?

25 A Everybody in the automobile

1 JULIO ESTRADA

2 industry knows me as J Torres.

3 Q So when you completed that
4 IRS W-9 form that we talked about
5 before --

6 A I know exactly which form it
7 is you mentioned.

8 Q -- did you complete it as J
9 Torres?

10 A I never completed it because
11 in my corporation, it says my name as
12 Julio Estrada. He asked me for the seal.
13 And everything in respect to my
14 corporation when I was about to complete
15 it, he never even took it because I asked
16 for copies of it. And I never even
17 completed it. I never gave him my Social
18 Security. I never did any of that.

19 Q Did you put your legal name,
20 Julio Estrada, on any documents when you
21 applied?

22 A No, sir. I was paid cash,
23 sir.

24 Q I understand.
25 But you had said that you

1 JULIO ESTRADA

2 had started to write out documents. And
3 all you put on that IRS form was the name
4 of your company?

5 A At that point, all I had put
6 was my address and the name of the
7 corporation.

8 Q Where was your corporation
9 based?

10 A Delaware.

11 Q So you had filed necessary
12 corporate documents with the State of
13 Delaware?

14 A Yes, sir.

15 Q And you were an incorporated
16 business?

17 A Yes, sir.

18 Q Did Mr. Eltouby do any kind
19 of training with you?

20 A Training?

21 Q Right.

22 Did he train you in any way
23 before you started financing at New York
24 Motor Group?

25 A What Mr. Eltouby --

JULIO ESTRADA

Mr. Toby, what he went over with me, his rules and regulations in respect to his company and what tasks is it that he expects me to perform and how it is that he wants every customer to be delivered and which copies of all the documents he wants the customers to get, et cetera, et cetera. That's it.

Just basically telling me the rules and regulations in respect to his clients 'cause he was obviously -- did not want to lose any banking institutions 'cause any little hiccup could cost you a banking institution. He did not want to risk that.

Q When did that conversation take place?

A When we were sitting in his office going over the pay and when that document was in front of me in respect to the corporation and when we were waiting -- there was nobody -- there was no one in the trailer because we had no phones, we had no Internet.

1 JULIO ESTRADA

2 Q This was November 2012?

3 A Yeah. It was just him and
4 I.

5 Q So the day that he was
6 hiring you?

7 A The day that we were going
8 to close out me working for him.

9 Q Did you have any involvement
10 in advertising the cars?

11 A No, sir.

12 Q Only Mohammed made those
13 decisions?

14 A Little Mohammed as per the
15 description and the -- the description
16 and authorization of obviously Mr. Toby.
17 The person who did the advertising was
18 Little Mohammed.

19 Q Did Toby give you any
20 authority to change the price of the
21 vehicle after it was advertised?

22 A The advertised price of the
23 vehicle is the vehicle -- the selling
24 price of the -- is the advertised price.
25 It's not the selling price of the

1 JULIO ESTRADA

2 vehicle, not just in Mr. Toby's
3 dealership, in any dealership.

4 In any dealership, not just
5 that I have worked in, not just in Auto
6 Palace, that's just -- Major World, et
7 cetera -- that's not the selling price of
8 the vehicle. The selling price of the
9 vehicle is determined -- if it's a
10 financed vehicle -- once he or she leaves
11 the finance office, that they leave with
12 a copy of the retail buyer's order and
13 they leave with a copy of the contract
14 which is usually a Chase contract or a
15 Law 553 contract.

16 The reason there's different
17 contracts is 'cause banking is different,
18 depending on the banking institution,
19 depends on which -- which contracts are
20 accepted by the banking institution.
21 Banking institutions has different
22 regulations as to which contract is
23 accepted before they front on any deal.

24 Q When you say "Law 553
25 contract," you mean the New York State

1 JULIO ESTRADA

2 form of a retail installment sales
3 contract?

4 A Yes, sir.

5 Q So then it was your
6 understanding that the price of a vehicle
7 could change from the advertised price?

8 A The advertised price, if
9 they were buying the car cash, it was the
10 advertised price or whatever vehicle
11 was -- whatever price was agreed upon
12 with management -- with management or the
13 client.

14 Any client that walked into
15 my office, finance office, which is the
16 financial financing office, what I would
17 do is I would pull out -- I would what's
18 called gut out the folder. I would pull
19 out their driver's license. I would pull
20 out their retail buyer's order. I would
21 confirm the client's signature, that he
22 or she has agreed to purchase said
23 vehicle for how much are they purchasing
24 it for and how much money they're putting
25 down before I would go over their options

1 JULIO ESTRADA

2 with them of any retail -- any
3 aftermarket product.

4 Q You just described -- if I
5 understand correctly -- the first steps
6 you took once the salesperson brought the
7 client into your office?

8 A Client after, of course,
9 confirming identity. The first thing is
10 to confirm the identity.

11 Q Could you just walk me
12 through that again? Because I want to
13 make sure I have a clear understanding
14 from the beginning of a customer being
15 brought into your office.

16 A So a customer is brought
17 into my office. At that point, I greet
18 the customer. I explain to them, to the
19 customer, Mr. Customer, just so that you
20 are aware, let's say Ms. Thomas,
21 Mr. Smith, whomever it may be, just so
22 that you're aware, before I discuss
23 anything with you, I must inform you that
24 everything in this office is currently
25 being recorded.

1 JULIO ESTRADA

2 Q Did Mr. Eltouby tell you
3 that you were supposed to tell people
4 that everything was being recorded?

5 A That I had to inform them?

6 Q Right.

7 A Was that -- Mr. Toby, did he
8 tell me? He told me: Any customer that
9 walks in there, please let them know that
10 everything in that office is being
11 recorded; plus, there was a sign on the
12 door that said everything beyond this
13 point will be recorded by audio and
14 video. It was a little display on the
15 right-hand side.

16 Q Go ahead.

17 A Then he told me that -- then
18 I would go -- I would tell the customer
19 that. And some customers would say,
20 Good, great. Some customers had jokes
21 about it. Moving forward, we would
22 just -- I would sit down with them. I
23 would ask them -- I would explain to them
24 that I have a copy of their license. But
25 if they don't mind if I could get a --

JULIO ESTRADA

can I please see your original driver's license? And they will tell me: Do you have copies of it? I would tell them, No, I just need to confirm your identity, so it's for your best interest and the best interest of the lending institutions.

And then they would give me the driver's license. I would check the driver's license in front of me. I would confirm the identity of the customer. And I would tell them that I'm just gonna leave it here. I'm gonna leave it here on my right-hand side until we're done with this procedure and that I'll be sure to give it back to you.

The reason I did that 'cause when it was time to sign documents, whenever it came around to the part of signing any documents, I would tell them that I would need them to sign in the same fashion that they signed their driver's license for security reasons.

Then at that point, I would

JULIO ESTRADA

1 go over -- first thing I would go over
2 with them, if they went over the Carfax,
3 they would say yes or no. Then I would
4 ask them if they test drove the car, if
5 they test drove the vehicle. Some would
6 say yes; some would say no. The ones
7 that would say no, I would tell them:
8 Unfortunately, if you haven't driven the
9 car, I cannot go over not even your
10 options with you until you drive the car,
11 the reason being so that there is no --
12 any other problems that may occur in the
13 future. I could have a disclose with you
14 and I could give it to you in a document
15 that we have in each file, which is
16 called a wheel, stating what is owed or
17 promised to you by this establishment.
18 So in realty, Mr. Customer, it's to
19 protect you and to protect the best
20 interests of the dealership and obviously
21 the banking institution.

22 At that point, we would
23 proceed on the ones that already had test
24 driven the cars. Once they test drove
25

1 JULIO ESTRADA

2 the cars, we would go over everything
3 with them. I would go over everything
4 with them. And then I would go over
5 their credit report with them and ask
6 them security questions in respect to
7 their credit.

8 Q Had somebody already given
9 you their down payment on the car at this
10 point?

11 A The down payment was
12 attached to the folder, sir, in the back,
13 stapled.

14 Q So when it came to you, they
15 had already made a down payment?

16 A Oh, they would not be able
17 to make it into my office without the
18 down payment or the COD.

19 Q But you were the person who
20 ran their credit?

21 A No, sir. The person that
22 ran their credit was the manager at the
23 dealership.

24 Q Who was the manager?

25 A Throughout that time span

1 JULIO ESTRADA

2 that I was employed at that
3 establishment, sir, they had over six
4 managers in that short time, sir.

5 Q Was this the sales manager?

6 A That is correct, sir, yes.

7 Q It was Angel Santiago?

8 A Angel Santiago was a manager
9 there for less than two weeks. And then
10 after I was there, Angel left to Planet
11 Motor Cars. Angel was not a manager
12 there after that. He left to Planet
13 Motor Cars. After Angel came Danny.

14 Q What was Danny's last name?

15 A Del Valle. After Danny,
16 would you like to know --

17 Q Yes, I would like, please.
18 Go.

19 A After Danny was another
20 manager named Ray. I don't know his
21 name. Again, that was his alias, I'm
22 sure. The manager that followed him was
23 Mohammed.

24 Q Is that Little Mohammed?

25 A No. Little Mohammed was

1 JULIO ESTRADA

2 never in management. Then after that
3 Mohammed came another Mohammed. These
4 individuals used to report -- the person
5 that was in charge of those managers was
6 the young lady by the name of Nada
7 Eltouby.

8 Q Nada supervised those
9 managers?

10 A Yeah. All those managers
11 reported to Nada. The only one that
12 didn't report to Nada was me. I reported
13 to Mr. Eltouby.

14 Q So the credit check was run
15 by the manager, the sales manager?

16 A Yes, sir.

17 Q So by the time you get a
18 file, there's already been a credit
19 check, and there's already --

20 A -- a completed retail
21 buyer's order.

22 Q -- and a down payment has
23 already --

24 A A down payment, a proof of
25 insurance, a Carfax has been given to a

1 JULIO ESTRADA

2 client. We have a copy of the driver's
3 license. And we have proof of residence
4 and proof of income. That's by the time
5 I get a file. This is all the documents
6 that are in that file by the time they
7 come into my hands.

8 Q Once you have all that
9 information and you've reviewed credit
10 report information with a customer, then
11 what do you do?

12 A I proceed to -- before the
13 client comes in my office, their credit
14 information is in the computer, the
15 computer database. They don't print out
16 the credit report for security reasons.

17 At that point, by the time I
18 get the file with all the information
19 that I just stated that's in it, I
20 proceed to submit the client's
21 information with the criteria of the
22 vehicle that's being purchased to a
23 banking institution in respect to what
24 are the customer's, client's credit or
25 the conditions of the vehicle.

1 JULIO ESTRADA

2 By that conditions, I mean
3 mileage. Some banking institution do not
4 finance vehicles with excess mileage over
5 100K or a framed damage vehicle, et
6 cetera, et cetera, things like that. It
7 all depends, the criteria of the vehicle
8 and the criteria of the client's credit.

9 MR. SIMON: Can we go off
10 the record for a second?

11 (A discussion was held off
12 the record.)

13 Q We'll take a break in a
14 little bit. I just want to make sure I
15 understand the overall process in your
16 office.

17 Would you choose the finance
18 institution?

19 A No, sir. With my years of
20 experience in respect to that, there
21 is -- an application that is used for --
22 in the automobile industry that's called
23 Dealertrack. At that point, you fill out
24 the application online with Dealertrack.
25 And you, in accordance to your years of

1 JULIO ESTRADA

2 experience, you select which is the bank
3 that's going to offer the client the
4 best -- the best rates, the best terms in
5 respect to the year of the vehicle, year,
6 make, models of the vehicle and obviously
7 the customer's credit.

8 The reason I mention year,
9 make, models is because there's also some
10 banking institutions that don't buy said
11 vehicles. So you have to know these
12 things before making a decision because
13 at that point, they now have an
14 additional inquiry on their credit which
15 obviously affects their credit.

16 Q So would you enter the
17 information into Dealertrack?

18 A Yes, sir.

19 Q When I say "you enter it
20 into Dealertrack," am I correct
21 Dealertrack provides software to an auto
22 dealership; you have it loaded on a
23 computer?

24 A Yes, sir. You log on to
25 Dealertrack. You put in your password,

1
2
3
4
5
6
7
8
9
10
11
12
13
14
15
16
17
18
19
20
21
22
23
24
25

JULIO ESTRADA

your ID, and you submit -- you proceed to submit the application. It tells you the name of the available lenders and in accordance to the information you originally have filled in, and it tells you available lenders to this certain client. And you're able to submit if you decide to move forward.

Q If you entered in

information about a customer and you got back a list of available dealers, you would only get a list of available lenders that had ongoing contracts with your dealership?

A To answer your question,

that is correct. You're only able to submit applications to banking institutions that you are currently signed or eligible to currently do business with.

Q And at the point that you

got that list of available lenders, an actual credit application had not gone through?

1 JULIO ESTRADA

2 A No, sir. It has not been
3 submitted at that time.

4 Q If you are working as the
5 finance representative, you would make
6 the independent decision as to which
7 lender you were going to send an
8 application to?

9 A No. In accordance to the --
10 when you load an application in
11 Dealertrack, it tells you -- Dealertrack
12 is already informed of said customer.
13 That customer's credit on criteria,
14 because you already ran their credit
15 report, you already ran their credit.

16 So when you run their
17 credit, it already shows. Let's say the
18 customer has a 700 credit score. It
19 shows -- it's already in the computer
20 that the customer has a 700 credit score,
21 the 700 credit score, what kind of
22 vehicle they're purchasing, what is the
23 loan-to-value you're looking to borrow
24 from the banking institution.

25 At that point, it tells you

1 JULIO ESTRADA

2 who you should or you shouldn't submit it
3 to. Obviously, there's going to be some
4 banks that's going to tell you, you
5 should or shouldn't submit it to.

6 But that's up to you to make
7 an individual decision, the reason being
8 is 'cause why am I going to submit a
9 customer with an 800 credit score to a
10 banking institution, let's just say like
11 Westlake, which deals with customers that
12 have subprime credit in some cases.

13 Q When you say you would make
14 the decision, you meant that you working
15 as the finance representative would make
16 the decision about which lender to send
17 an application to?

18 A Yeah, yes, sir.

19 Q Once you've sent in an
20 application, what happens?

21 A It goes into -- first says
22 transmitting. Then it goes into pending
23 status. And then it tells you if it's
24 been declined, approved or -- approved,
25 declined or you've been given a

1 JULIO ESTRADA

2 counteroffer.

3 Q And all of that information
4 was provided back to you through the
5 Dealertrack track interface?

6 A All that information is
7 available to me, he or she who has access
8 to log into Dealertrack and has
9 permission -- like, for instance, the
10 owner is able to see who they're approved
11 through. I'm able to see. The sales
12 rep, I'm not able to see. The sales
13 managers, I'm not able to see. You have
14 to have access to Dealertrack.

15 Q And you had access to it?

16 A I had access to it to submit
17 for review applications.

18 Q Before you submitted that
19 information, would a customer have
20 reviewed and signed a loan application?

21 A Yes, of course. He or she
22 would have to fill out a credit
23 application.

24 Q Would they do that in your
25 office?

1 JULIO ESTRADA

2 A No, sir. That is part of
3 the file that comes attached to the file
4 when the file comes with the driver's
5 license and with the -- documents that I
6 had mentioned earlier.

7 Q Did you enter that
8 information into Dealertrack?

9 A Yes, sir.

10 Q So you would get a loan
11 application?

12 A Signed by the customer,
13 stating that he or she allows me to
14 submit their application to as many banks
15 as they desire, as long as it's to obtain
16 them a loan through a banking institution
17 that we are currently signed up with at
18 our dealership and that all the
19 information that he or she wrote down in
20 that application is accurate, to the best
21 of their knowledge, and they have not
22 misled that application in any way, shape
23 or form.

24 Q When you got back
25 information about whether the loan would

1 JULIO ESTRADA

2 be approved or whether there was a
3 counteroffer for the loan, would you then
4 share it with the customer?

5 A At that point, when I get
6 the information, I don't share that
7 information with the customer, nor anyone
8 at the dealership until the customer is
9 in my office and I have confirmed all the
10 stipulations that are required in order
11 for me to obtain financing for that
12 customer.

13 So before I proceed to give
14 any customer any options in respect to
15 the lending institutions that are
16 available to them, I first obtain the
17 documents, which is called the
18 stipulations on the deal, before I go
19 over anything with the client.

20 When I do have the
21 stipulations in front of me and the
22 client is in front of me before I present
23 to them any loan that he or she may be
24 approved for, I give them all the options
25 as to how many banks I submitted the

1 JULIO ESTRADA

2 application to and which banking
3 institution approved them or declined
4 them or even gave them a counteroffer.

5 If you're approved through a
6 lending institution, you would get a
7 letter from the lending institution that
8 you were approved through them.

9 If you were declined through
10 a lending institution, you would also get
11 a letter. You will always get a letter.
12 The customer will always get informed by
13 the lending institution to inform them,
14 just in case he or she wants to dispute
15 as to how you got my information and I
16 did not apply for any loan. The banking
17 institutions do that, so that the clients
18 could be aware that someone has their
19 information, was applying for a loan.

20 Q What would happen if you
21 presented that information back to the
22 customer and they learned that the loan
23 was going to be more expensive than they
24 wanted it to be? Would that happen?

25 A Yes, of course.

1 JULIO ESTRADA

2 Q If a customer at that point
3 said they just didn't want to go through
4 with this deal, could they stop the deal
5 at that point?

6 A Yes, sir.

7 Q Would they get a refund of
8 their deposit?

9 A If it was done on a credit
10 card -- I mean, if it was done on a debit
11 card, they would have to bring back the
12 original debit card. And they would have
13 to bring back the original debit card.
14 And the money will be refunded back to
15 their debit card.

16 If it was done cash, he or
17 she would get a check from the company,
18 even if they gave a down payment in cash,
19 so that that way, the company could have
20 a paper trail, showing that they gave the
21 said customer their money back.

22 Q What if they had come with a
23 banker's check?

24 A Certified funds?

25 Q Certified funds.

1 JULIO ESTRADA

2 A If they had come with
3 certified funds and they gave us a check,
4 at that point, we would still give them a
5 check back from the -- not "we," excuse
6 me. If they gave us a certified funds,
7 official check, let's say from TD bank,
8 Chase Bank, that check would be in the
9 safe. We would not have access to that
10 'cause more than likely, Nada doesn't --
11 Nada didn't have access to the safe.

12 So they would cut them out a
13 check from the dealership's bank, a
14 check. They would cut them out a check
15 and give them back their refund.

16 Q But if I just showed up that
17 day with my \$7,000 certified check,
18 before I even went into your office, if I
19 were a customer, that check would have
20 gone into a safe?

21 A If you gave -- if you
22 gave -- showed up with a certified check,
23 if you showed up with a certified check,
24 at that point, if you were going into
25 financing and you were going into the

1

JULIO ESTRADA

2

finance office, at that point, Nada would

3

keep it in her draw. Nada would keep it

4

in her draw, which is locked and secured,

5

away from any sales reps, anyone in

6

management, away from J Torres or away

7

from anyone, away from myself, obviously.

8

And at that point, she will hold on to it

9

until the customer will decide if he or

10

she was going to sign for the deal.

11

Q

Again, so it wasn't in a

12

safe?

13

A

No. It depend on

14

sometimes -- on different occasions --

15

yeah. It would vary; in other words,

16

because some clients would say, listen,

17

do not put my money in a safe or anything

18

like that because I'm not certain I'm

19

going to move forward with this deal.

20

But before anything, Nada

21

would ask them as well: Did you test

22

drive the car? If they had any concerns

23

in respect to the vehicle because she

24

would check with the manager. The

25

manager would check with the client. And

1

JULIO ESTRADA

2

if they had any concerns or any questions in respect to that, they obviously would not -- they would not deposit they check. They would hold on to it.

6

And if let's just say they wouldn't sign in the finance office, which was very, very little, the time that they wouldn't sign, if there were ten clients, only probably one would not sign. If they did not deposit the check, they give the check back to the customer.

10

11

12

13

Q If they had not deposited the check into the safe?

14

15

A Correct.

16

Q So who would open the safe to put the checks in there if Nada didn't have access to it?

18

19

A The only person who had access to the safe was Mr. Eltouby.

20

21

Q So the checks would stay in a locked draw in Nada's desk until Toby could put them into the safe?

23

24

A Yes, sir. In a bag, they had a lock.

25

1 JULIO ESTRADA

2 Q If I were a customer and I
3 said to you, wow, this loan sounds bad, I
4 can't afford that, I just don't want this
5 deal anymore, if that check was not in
6 the safe, I could have just gotten it
7 back?

8 A No. If it was not in the
9 safe, you would -- it would be explained
10 'cause before I signed up -- before I
11 signed and went over anything with any
12 customer, I would have not just confirmed
13 the identity. I would confirm that he or
14 she read the retail buyer's order,
15 stating that he or she decided to move
16 forward in purchasing this vehicle. And
17 I would confirm that first with them.
18 And once -- I will confirm.

19 So you're buying this
20 vehicle for X amount of dollars and you
21 signed this; this is your signature here?
22 Yes. Okay. And you gave a thousand
23 dollars and you owe nine thousand dollars
24 more? Yes. And they would confirm yes.
25 Or I would leave that there, as well as

1
2
3
4
5
6
7
8
9
10
11
12
13

JULIO ESTRADA

their ID. And if he or she decided to tell me something like that, they not want to move forward with the loan, I would remind them: Do you remember that document that I had asked you: Did you sign? Which was in this case, Exhibit 1, that I had asked you if you signed this. Well, in this document it states that if you decide to cancel, you're aware that it states that you will be paid a 10 percent restocking cancellation fee. Correct, Mr. Customer? I would tell them that.

Q What was the restocking cancellation fee?

A Because at that point, when he or she signed a buyer's order, if -- let's just say if he came Monday to buy the car and they would not be able to come until Friday to pick up the car, that car was no longer available to sell to someone else because it was on hold for that client.

Q How much would they be

1 JULIO ESTRADA

2 charged for that?

3 A 10 percent of whatever the
4 selling price was, the original selling
5 price without adding any aftermarket fees
6 or anything.

7 Q Would the buyer's order have
8 all of the information about the loan on
9 it?

10 A The buyer's order?

11 Q Yes.

12 A No. What the buyer's order
13 stated is that you have agreed to
14 purchase this vehicle. That's what the
15 buyer's order stated. And if I decided
16 to cancel, if I mean -- me, being the
17 customer, decided to cancel, I would be
18 willing to sign, to pay a 10 percent
19 cancellation fee; in other words, I went
20 in to buy this vehicle from you guys and
21 if I decide to cancel, as it says and it
22 states clearly on your fine print that I
23 read because keep in mind, I have an 800
24 credit score, a 700 credit score,
25 whatever the case may be, and the finance

1 JULIO ESTRADA

2 manager asked me clearly if I have read
3 this before I signed this and I told him
4 yes, indicates that it's a 10 percent
5 cancellation fee if he or she decides to
6 cancel.

7 MR. LANE: I would like to
8 take a break -- I think we all
9 would -- and get back quick. And
10 I'll carry on.

11 (A short recess was taken.)

12 Q Let me ask you.

13 You had said that part of
14 what you would do when you were meeting
15 with customers in your office was advise
16 them of their options in regards to the
17 loan?

18 A Yes, sir.

19 Q What do you mean by that?
20 What were you referring to?

21 A By that, I mean, let's say I
22 submitted your application to four
23 banking institutions and one of them
24 declined you, I would go over the other
25 three that gave you an approval as to

1 JULIO ESTRADA

2 what were the rates, the terms and the
3 finances that were available to you.

4 Q Did you ever offer people
5 that they could come back and refinance
6 with you?

7 A Did I offer people?

8 Q Did you offer to have people
9 come back and refinance their loan with
10 you?

11 A I refinanced numerous people
12 at New York Motor Group. Initially, they
13 got a higher rate. And after making a
14 couple of payments, like six, eight
15 payments, ten payments, they qualified
16 for a lower rate.

17 I didn't tell them that they
18 could do it specifically with me. I told
19 them that that is something that is
20 available to them which is the truth.
21 You're available to finance any deal as
22 long as you're not locked into the deal.
23 And in the State of New York, there is no
24 prepayment penalty.

25 Q You said you very often

JULIO ESTRADA

would help a customer refinance when they came back to the dealership a few months later?

A Have I had clients that came back and refinanced? Without a doubt. Numerous clients came back and refinanced. And we've refinanced their cars with them. And we got them lower rates. Sometimes the term will go up, obviously, would increase. Sometimes the term will decrease.

But it all depends on how much money initially he or she put down, you know, 'cause keep in mind, while all this is happening, there is a depreciation factor that's going into the vehicle cause you're putting excess mileage and wear and tear into it.

So when -- at time of evaluation when you refinancing it, you're refinancing what you're initially owed to the bank. That's what you owe to the bank. So now I'm trying to resell it to another bank with the same vehicle but

1 JULIO ESTRADA

2 with higher mileage, with higher mileage,
3 which reduces the initial value of the
4 vehicle.

5 But besides that, obviously,
6 he or she had the option of paying off
7 the car, paying off the car or
8 refinancing it, 'cause like I mentioned
9 initially, before, there is no prepayment
10 penalty in the State of New York.

11 So you -- not only do you
12 have the option of refinancing with an
13 individual like myself or anyone that's
14 in the automobile industry, you also have
15 the option of going with your own lending
16 institution.

17 Let's say you do business
18 with a bank or a credit union and you
19 believe they can offer you a better rate
20 than you were initially given at this
21 establishment called New York Motor
22 Group, that is up to your discretion to
23 select if you would like to exercise that
24 option for yourself or for your family's
25 best interest.

1 JULIO ESTRADA

2 Q You had said that before,
3 you remember Boris Freire, the customer
4 Boris Freire?

5 A Yes.

6 Q And his partner Miriam
7 Osorio?

8 A No. That's not -- there are
9 two different people, if I'm not
10 mistaken.

11 Q They're two different
12 people. They're a couple.

13 A I remember Mr. Boris. He
14 financed with a bank called Santander, if
15 I'm not mistaken.

16 Q He did file with Santander,
17 that's correct.

18 Do you remember making
19 arrangements for him to finance with
20 Santander?

21 A Yes. I remember doing his
22 deal vividly, sir.

23 Q So I've got some documents
24 from his deal. I'd just like to show
25 them to you and ask some questions about

1 JULIO ESTRADA

2 it.

3 A No problem.

4 MR. LANE: So the first one
5 we're going to mark is Exhibit 2.

6 (The above-referred-to
7 document was marked as Plaintiffs'
8 Exhibit 2 for identification, as of
9 this date.)

10 Q That's for you to take a
11 look at. That's now marked as Exhibit 2.

12 MR. SIMON: I have no
13 objection if you want to mark all
14 your prior documents as a group, as
15 an exhibit too.

16 MR. LANE: Let me just do it
17 so we could go as quickly as
18 possible.

19 Q Do you recognize this
20 document?

21 A Yes.

22 Q What is this document?

23 A This is his -- his finance
24 contract.

25 Q Do you recognize it as a

1 JULIO ESTRADA

2 finance contract that you prepared?

3 A Yes, sir.

4 Q It's been printed out on to
5 four letter-sized pages. If I'm not
6 mistaken, the first page would actually
7 be page 1 and page 2 of the exhibit laid
8 out, one below the other.

9 A Yes, sir.

10 Q At the bottom of the first
11 page, which is page 2 of the exhibit, is
12 that your signature next to sellers?

13 A That is my signature for
14 when I was doing banking -- like with
15 Santander with, let's say, M&T, I would
16 just sign like with a J. So to answer
17 your question, sir, in respect to this
18 document, which is Exhibit 2, yes, sir.

19 Q So you signed it?

20 A Yes, sir. And the client,
21 Mr. Boris, signed it in two different
22 spots.

23 Q And this signature was a
24 signature that you used only for
25 Santander documents?

1 JULIO ESTRADA

2 A No, not necessarily.

3 Sometimes I was supposed to use it for
4 Santander. But most of the time, it was
5 for Santander. But sometimes I would get
6 caught up in so many deals that I would
7 do that instead of signing like the other
8 way, which was just with a J, I would
9 vary back and forth.

10 Q Why would you have a
11 specific signature for certain
12 institutions?

13 A Out of habit. Oh, why?

14 Q Yes.

15 A 'Cause usually, like -- you
16 see here in the bottom left-hand corner
17 where it says "seller signs interest
18 to -- contract to Santander"?

19 Q Yes.

20 A Sometimes that would be,
21 let's just say if it wouldn't be there,
22 because they didn't print it out or
23 whatever the case may be, like to remind
24 the controller of what banking
25 institution, that and the binder as to

1 JULIO ESTRADA

2 what banking institution it was supposed
3 to go to.

4 Q But it sounds like you had
5 different signatures to use for different
6 lending institutions?

7 A Mm-hmm.

8 Q And you're saying that your
9 signature for an M&T loan would have been
10 a different signature?

11 A It's like a J.

12 Q And why would it be a
13 different signature?

14 A It was just like out of
15 habit. It wasn't -- in other words, it
16 wasn't protocol from the company, nor was
17 I required. It was just -- it was just
18 whatever I was -- whichever way I was
19 signing it. But it wasn't required by
20 the establishment that I was working for.
21 It was not required.

22 Q What did you have to do to
23 get access to Dealertrack; and to be
24 specific, did you have to complete an
25 application to get a password and log-in

1 JULIO ESTRADA

2 for Dealertrack?

3 A No, sir.

4 Q So how did you obtain access
5 to Dealertrack?

6 A Toby gave me his log-in ID
7 and the password.

8 Q So you used Toby's log-in
9 ID?

10 A Yes, sir.

11 Q Did Toby ever ask you to
12 complete an application for Dealertrack?

13 A No, sir. He gave me the ID
14 and the password.

15 Q Let me get clear on
16 something else.

17 On Exhibit 2, at the top,
18 next to creditor seller's name in the top
19 right corner, it says "Planet Motor
20 Cars"; correct?

21 A Yes, sir.

22 Q With the address of 160-14
23 Hillside Avenue?

24 A Yes, sir.

25 Q This deal happened at New

1 JULIO ESTRADA

2 York Motor Group?

3 A Yes, sir.

4 Q So why would a New York
5 Motor Group deal end up looking this way
6 with Planet Motor Cars listed as the
7 seller?

8 A 'Cause like I initially
9 stated before, Planet Motor Cars --
10 Planet Motor Cars in Hillside Avenue is
11 the mother head -- is the mother -- is
12 the franchise of both dealerships.

13 In this case, if it says
14 Planet Motor Cars, even though we were
15 originally signed up with Santander to
16 both -- throughout both dealerships,
17 depending on the floor plan that the
18 vehicle came from, let's just say it was
19 bought under the floor plan of Planet
20 Motor Cars, we would send it or submit it
21 through the Dealertrack of Planet Motor
22 Cars.

23 Q Could you explain the floor
24 plan? What does that term mean?

25 A The floor plan is when Toby

1 JULIO ESTRADA

2 goes to the auction, you have an option
3 of -- he has -- let's just say on the
4 right, you have a floor plan of Planet
5 Motor Cars; on the left, he has a floor
6 plan with Planet Motor Group and he
7 bought it through the floor plan of
8 Planet Motor Cars, Planet Motor Cars in
9 Queens, which means that under that floor
10 plan, he used that account to purchase
11 this said vehicle in hand that we're
12 speaking of, which is the 2010 Honda
13 Odyssey, last four of the VIN is 4438.

14 Q But why if he bought it
15 under the Planet Motor Cars floor plan
16 would he not have the car brought to
17 Planet Motor Cars?

18 A 'Cause as a used car
19 dealership, he reserves the right to be
20 able to sell it through any of his lots,
21 as long as he's licensed throughout the
22 department of consumer affairs throughout
23 the State of New York, sir.

24 Q If I understand correctly,
25 he would use either floor plan

1 JULIO ESTRADA

2 interchangeably?

3 A Yes, sir. He would use
4 either floor plan to purchase vehicles
5 for either company: New York Motor Group
6 or Planet Motor Cars.

7 Q Would he move cars --

8 A -- back and forth.

9 Q -- back and forth between
10 the two lots?

11 A He would swap back and forth
12 for either lot and then switch them and
13 advertise them through Planet's Web site
14 or New York Motor Group's Web site.
15 Either-or.

16 Q Just taking a look at
17 Exhibit 2, do you see the cash price for
18 the vehicle listed and the itemization of
19 amount financed?

20 A Yes, sir, I see this.

21 Q Can you tell what the cash
22 price is?

23 A In the contract?

24 Q Yes.

25 A Yes, sir. In the contract,

1

JULIO ESTRADA

2

the cash price that indicates -- where it says itemization in No. 1, in the Window 1, is the selling price of the vehicle, including aftermarket products, of \$30,199.96.

7

Q So that's not just the selling price of the vehicle?

9

A No, sir. That includes the selling price of the vehicle, comes as one, which includes the selling price -- the sales price of the car, any aftermarket products that may be included in it that sums up -- you come up what is called a subtotal of that and that in the contract, when it's printed out in the contract, it shows it as one.

18

And on the left-hand side of that, it indicates how much tax he or she paid for that in the State of New Jersey in this case.

22

Q And on this same contract, if you look down in the itemization items in paragraph No. 4I under the other charges --

25

1 JULIO ESTRADA

2 A Mm-hmm.

3 Q -- is there a \$3,000 charge
4 there for a service contract?

5 A Yes, sir.

6 Q So do you have a sense of
7 why, when you prepared this document, you
8 would have listed the charge for the
9 service contract individually but added
10 other charges in a lump sum to the cash
11 price?

12 A The subtotal in -- your
13 question is: How does this separate for
14 what it is that he purchased?

15 Q Right.

16 Why in this contract did you
17 list the service contract charge of
18 \$3,000, separately from the cash price;
19 and yet -- if I understand correctly --
20 you're acknowledging that the cash price
21 here includes other aftermarket charges?
22 So why would you have bothered to
23 separate out one particular aftermarket
24 charge?

25 A In this case, sir, it's

1

JULIO ESTRADA

2

required by the funding -- the funding

3

institution, in this case, being

4

Santander; in order for you to get funded

5

on this loan, which means you get the

6

proceeds that are due for on this loan,

7

you have to itemize the warranty, the

8

reason being because the warranty is a

9

cancelable product.

10

So I have to indicate it in

11

the contract that that is -- that they

12

were charged \$3,000 for that warranty in

13

order for me to obtain the funding.

14

Q

But then why not itemize the

15

other aftermarket charges?

16

A

Because that's not

17

cancelable. It's not cancelable, nor is

18

it required by the bank to get what is

19

called the advance. The advance that was

20

given on this particular deal from the

21

banking institution was not for anything

22

but that warranty.

23

So the only acknowledgment

24

of any aftermarket product in this said

25

deal is for that \$3,000 in the eyes of

1 JULIO ESTRADA

2 the banking institution and the client
3 that signed it right above and right
4 underneath where it says do not sign
5 unless this document has been printed
6 before you read it.

7 Q Let me give you another
8 document.

9 MR. LANE: This is Exhibit
10 3.

11 (The above-referred-to
12 document was marked as Plaintiffs'
13 Exhibit 3 for identification, as of
14 this date.)

15 Q Can you take a look at that?

16 A Yes.

17 Q Do you recognize that
18 document?

19 A Yes. But this document is
20 incomplete, sir.

21 Q Why is it incomplete?

22 A 'Cause this has a -- this
23 document, just so we're clear, on Exhibit
24 3 is a theft deterrent product protection
25 package that he or she may have

1 JULIO ESTRADA

2 purchased, in this case, Mr. Boris, was
3 sold this product.

4 But currently in my hands, I
5 only have one part which is the front
6 page. The rear part of this document is
7 currently missing, sir.

8 Q That's fine. Thank you.

9 The additional terms of the
10 agreement are missing from the second
11 page?

12 A Yeah, where it states if you
13 decide -- your cancellations or
14 incomplete coverage is missing.

15 Q That's fine. I don't really
16 have a question about that.

17 My question is about what is
18 already showing on the front of this
19 document. It lists the vehicle price.

20 A The vehicle purchase price.

21 Q Yes, vehicle purchase price.
22 And it says \$14,900; correct?

23 A That's correct. That was
24 the selling price the customer had
25 originally came into the dealership,

1 JULIO ESTRADA

2 buying the car for.

3 Q In this theft deterrent
4 product protection, is this one of the
5 aftermarket products that you would offer
6 to people?

7 A Did I offer this to this
8 client?

9 Q Yes.
10 Was it a standard to offer
11 this to customers?

12 A Yes, sir.

13 Q And, again, you signed this
14 document at the bottom; correct?

15 A Yes, sir, and so did
16 Mr. Boris.

17 Q He did.

18 Do you have a sense of how
19 much theft deterrent product protection
20 would cost a customer?

21 A Yes, sir.

22 Q What would it cost a
23 customer?

24 A It usually varies in
25 accordance to the vehicle they purchase.

1 JULIO ESTRADA

2 Q Why would it vary?

3 A Why?

4 Q Yes.

5 Why?

6 A Well, it usually varies in
7 respects to what it is that -- what type
8 of vehicle that they're selling them,
9 like in this case, he was being sold a
10 Honda Odyssey. Considering that this
11 product is to cover the -- not just the
12 down payment that the customer put down,
13 but to cover their vehicle.

14 In this case, it was an
15 Odyssey. The price for a theft deterrent
16 product of an Odyssey and one for, let's
17 just say, a Corolla would not be the
18 same. It would be different.

19 Q Is it possible that it would
20 cost \$15,000 for theft deterrent product
21 protection?

22 A \$15,000?

23 Q Yes. I'm just wondering.

24 A No.

25 Q Would it be more than

1

JULIO ESTRADA

2

\$5,000?

3

A No. Sometimes it could be

4

\$3,500, \$3,400, 28, 2738; depends.

5

Q When we looked at Exhibit 2,

6

we noted that the cash price, including

7

about \$2,000 in taxes, came out to

8

\$30,000. But in Exhibit 3, it indicated

9

the vehicle purchase price was \$14,900.

10

I'm wondering: Would you have a sense of

11

what could account for the \$15,000

12

increase in the price of the vehicle when

13

you're already listing a \$3,000 service

14

contract separately?

15

A Yes, of course. There's a

16

document that's supposed to be attached

17

to whichever file it is that you may have

18

which is called a retail buyer's order.

19

It has the total breakdown of everything,

20

showing that he or she started out

21

purchasing this vehicle for \$14,900. And

22

then on top of that, they would charge

23

\$3,000.

24

Besides that, they will also

25

charge a processing fee which is -- a

1 JULIO ESTRADA

2 processing fee plus the vehicle
3 replacement policy fee. Those four fees
4 would bring it up to -- costs including
5 the taxes -- up to the \$30,199.

6 Q So the buyer's order should
7 have itemized everything?

8 A There is a buyer's order
9 attached to every single vehicle. It has
10 a breakdown that he or she signs next to
11 it. It gives you a breakdown of how much
12 they were purchasing the car for, plus
13 the processing fee, plus the vehicle
14 replacement processing, plus the extended
15 warranty, and they sign next to each and
16 every one of those.

17 MR. LANE: Can I get this
18 marked as Exhibit 4?

19 (The above-referred-to
20 document was marked as Plaintiffs'
21 Exhibit 4 for identification, as of
22 this date.)

23 Q Mr. Estrada, can you take a
24 look at Exhibit 4?

25 A (Witness complied.)

1 JULIO ESTRADA

2 Q Is Exhibit 4 a purchase
3 order?

4 A No, sir. Exhibit 4 is a
5 bill of sale, sir.

6 Q What's the difference
7 between a bill of sale and a purchase
8 order?

9 A A purchase order is the same
10 identical form you initially sign when
11 you first met the sales rep on the lot
12 that says what is the price that you were
13 purchasing the vehicle for and any
14 additional fees that may go attached to
15 it.

16 That retail buyer's form --
17 retail buyer's order is superseded by
18 this document, which is Exhibit 4, that
19 I'm currently holding. It's superseded
20 by this document as the new selling price
21 of the vehicle, including aftermarket
22 product, where it indicates in the bottom
23 of how much it is you're going to
24 finance, at what rate, what's the term
25 and your new total selling price with

1 JULIO ESTRADA

2 your new fees or adjusted, superseding
3 the retail buyer's order.

4 Q Let me show you one other
5 document: Mr. Freire's transaction.

6 Before I show you this: Do
7 you remember speaking to Mr. Freire after
8 you sold him the car?

9 A Numerous times, sir.

10 Q Do you recall that he came
11 back to attempt to refinance the vehicle
12 with you?

13 A No, sir. Initially before
14 coming back to refinance the vehicle,
15 after taking the vehicle and financing it
16 through Santander, he came back and he
17 was given -- he came back as a courtesy
18 because he had problems with the car, and
19 we gave -- not we. Toby gave him an
20 alarm, a remote starter alarm, and they
21 put a TV in his vehicle. And the first
22 TV they put was too small. And he wanted
23 a bigger TV. Considering it was a
24 courtesy being offered to him, we
25 explained to him that obviously, this is

1 JULIO ESTRADA

2 the one that we usually give.

3 And then he said, well --
4 that obviously -- after me -- me not
5 being happy of coming back and forth to
6 New Jersey, what's the best you could do.
7 And then Toby told him I want you to -- I
8 want you to see that I don't owe you
9 anything. And he showed him the wheel
10 form, showing him that the dealership
11 didn't owe him anything. And he said,
12 Please keep in mind I didn't make a lot
13 of money on your deal but Imma still give
14 you the bigger TV. He gave him the
15 bigger TV. That's the time he came back,
16 the first time.

17 Q You don't remember ever him
18 coming back to refinance the vehicle?

19 A A hundred percent, yes, he
20 did, sir.

21 Q Do you remember what
22 happened?

23 A Yes, sir. He came back to
24 refinance the vehicle. And if I'm not
25 mistaken, he was gonna -- he came back to

1

JULIO ESTRADA

2 refinance. And we were -- we were
3 proceeding to refinance his vehicle. And
4 if I'm not mistaken, he had brought back
5 some money. He brought \$2,000, something
6 like that, \$700. I don't remember
7 exactly the amount it was. But I know he
8 came back with money. Nada receipted the
9 money. And we proceeded to submit his
10 application to the bank.

11 Q And do you remember if it
12 was a successful application?

13 A It was pending. At that
14 time, he came back two or three times,
15 sir. And he -- he got frustrated with
16 the procedure. He got frustrated with
17 the procedure. And then -- then -- oh.

18 Then he said he was gonna
19 call his attorney. And then he faxed us
20 a paper with his information and the
21 client's name, Simon, at that time. At
22 that time, it was him and Mr. Simon that
23 had retained counsel. That was the last
24 time I heard from Mr. Boris.

25 Q But he did hand over money

1 JULIO ESTRADA

2 for the refinancing?

3 A Yes, he did.

4 Q Why would he have had to
5 hand over more cash for the refinancing?

6 A Because his vehicle that he
7 had purchased, he had put a lot of
8 mileage on it. He had put a lot of
9 mileage on it. So he was just interested
10 in getting a much lower rate.

11 And he didn't care, even if
12 he had to put down -- as to what he
13 stated at the time, he didn't care even
14 if I have to put down more, I will put
15 down more money. I just need a lower
16 rate so I could be able to continue to
17 afford this because now I am currently
18 getting into other things with his wife,
19 he had said.

20 Q When any cash was put down
21 for refinancing, was it treated the same
22 way as a down payment for the purchase of
23 the vehicle?

24 A No, sir. It was just
25 treated that he put down a down payment,

1 JULIO ESTRADA

2 that it was gonna be -- if he would have
3 got refinancing, his new contract would
4 indicate how much money he had put down.
5 We got a receipt for his money.

6 Q Who would have taken the
7 money once it was handed over to him?

8 A It was handed over to me,
9 then it was handed over to Nada. Nada
10 receives the money because Nada and Toby
11 are always watching through the camera.

12 Q As you remember on the day
13 that Mr. Freire was there to refinance,
14 he gave you money, and you gave it to
15 Nada?

16 A Yes, sir. I gave it to Nada
17 in the presence of Mr. Boris.

18 Q We talked before about
19 refunding money for down payments.

20 Who would handle the refund
21 at New York Motor Group?

22 A Nada at the discretion of
23 Mr. Toby. By that, I mean that before
24 she did anything, she first had to check
25 with Mr. Eltouby.

1 JULIO ESTRADA

2 Q Would you ever give somebody
3 a refund?

4 A I never had access, nor the
5 power to commit such an act. Of taking
6 the money? Absolutely.

7 Q Of giving money back to a
8 customer?

9 A No, sir. I never had
10 access, nor the power, nor the authority
11 to commit such a task.

12 Q Do you remember Nasrin
13 Chowdhury and her son Shahad Kazi?

14 A They had purchased a
15 vehicle. The mother did.

16 Q She had a Nissan Murano.

17 A Yeah. If I'm not mistaken,
18 she bought a Murano. And she had came to
19 refinance the car. And she had -- she
20 had put down -- I think it was \$7,000,
21 something like that, to refinance the
22 car, if I'm not mistaken. I know it was
23 a large amount.

24 Long story short: Nothing
25 was -- we weren't able to help them out

1 JULIO ESTRADA

2 'cause once we got the approval for them,
3 the rate that they wanted was still
4 not -- wasn't lowered enough. And they
5 wanted the money. And the son came one
6 day. He called me on numerous --
7 numerous names to say the least. And I
8 refunded the money back to -- I gave the
9 son some money cash. I don't remember
10 the exact amount it was. I gave it to
11 the son to give back to the mother, after
12 confirming with the mother if it was okay
13 to give to him.

14 Q But you had just said before
15 that you would never handle refunding
16 money.

17 A In respect to checks, sir.

18 Q So if I show you these money
19 orders, let's take a look here. These
20 were previously marked as Exhibit 9, I
21 believe, at the deposition of Nada
22 Eltouby-Smith.

23 MR. LANE: I suppose we need
24 to remark them as Exhibit 5.

25 (The above-referred-to

JULIO ESTRADA

document was marked as Plaintiffs' Exhibit 5 for identification, as of this date.)

MR. LANE: These were previously marked Plaintiffs' Exhibit 9 and Plaintiffs' Exhibit 10 and Plaintiffs' Exhibit 11 at the deposition of Nada Eltouby-Smith. I've marked them all Plaintiffs' 5 for Mr. Estrada.

Q Just take a look at those, Mr. Estrada.

A I know exactly what those are.

Q What are those?

A Those are money orders that were given to the client from me with my handwriting and everything on it.

Q So you did sign these money orders?

A Absolutely. The reason I did that is to make sure -- considering that I had no access, like I initially stated, to cut any checks or anything

1 JULIO ESTRADA

2 like that and to have a paper trail that
3 I refunded back money to customers, that
4 was not my responsibility to do.

5 I still did that from my
6 behalf. I went into a check-cashing
7 place and purchased money orders and gave
8 it to the customer because I currently
9 was on -- I currently had pending cases
10 in court.

11 So I wanted to make sure
12 that I had a paper trail that I gave the
13 client back their money. And I gave them
14 those money orders. And I also made
15 copies.

16 Q So those money orders
17 weren't drawn on New York Motor Group
18 funds?

19 A No, sir. They're signed by
20 me. I purchased those money orders with
21 my money out of my pocket.

22 MR. LANE: Off the record.

23 (A short recess was taken.)

24 Q I'm going to show you a
25 couple of other documents that just

1 JULIO ESTRADA

2 happen to be from Mr. Freire's
3 transaction.

4 MR. LANE: Can you mark this
5 as Exhibit 6?

6 (The above-referred-to
7 document was marked as Plaintiffs'
8 Exhibit 6 for identification, as of
9 this date.)

10 Q Mr. Estrada, you can take a
11 look at that.

12 A I've never seen these
13 documents.

14 Q You don't recognize those at
15 all?

16 A Absolutely not, nor are they
17 my handwriting. I've never seen these
18 documents ever. I've never seen these
19 documents ever, nor are they my
20 handwriting. And I just noticed
21 something that it says credit karma.
22 Neither one of these establishments, did
23 they sell anything, any product called
24 credit karma.

25 Q I think what I'd like to do

1 JULIO ESTRADA

2 is get an example of your handwriting.

3 So I'm just going to say a statement and
4 just ask you to take dictation and write
5 it out.

6 A No problem, sir.

7 Q Could you just write out,
8 "Today is Monday, March 30th, it is
9 cloudy, but it's getting warmer, but it
10 is getting warmer"?

11 A (Witness complied.)

12 MR. LANE: Can we mark that
13 as Plaintiffs' Exhibit 7?

14 (The above-referred-to
15 document was marked as Plaintiffs'
16 Exhibit 7 for identification, as of
17 this date.)

18 Q Sign it and date it today.

19 A (Witness complied.)

20 Q Up here at the top, if I
21 could just have you write a few more
22 things. I'm just going to ask you to
23 write a series of numbers. So could you
24 write 8,384?

25 A (Witness complied.)

1 JULIO ESTRADA

2 Q Could you write the number
3 \$12,160.13?

4 A (Witness complied.)

5 Q And then finally, if I could
6 just get you to write out the number
7 2,496.48.

8 A (Witness complied.)

9 Q I'm so sorry. I wanted you
10 to write out the numerals, not the words.

11 A It's right there. 8,384.
12 No problem.

13 Q Like if you could, just so
14 we have space, either there or wherever
15 (pointing), probably there where there's
16 more space. So just write out those
17 numbers.

18 A (Witness complied.)

19 Q I'm going to show you
20 another document, just so that I
21 understand. This is a document that was
22 previously used in the deposition of Nada
23 Eltouby Smith. And it was marked
24 Plaintiffs' Exhibit 6.

25 MR. LANE: We're just going

1

25

JULIO ESTRADA

to mark it Plaintiffs' Exhibit 8 for today.

(The above-referred-to document was marked as Plaintiffs' Exhibit 8 for identification, as of this date.)

Q I just want to know: Is that your signature next to the line authorized -- I'm sorry -- authorized signature on Exhibit 8?

A Yes, sir.

Q And you signed this as John DeSantos?

A Yes, sir.

Q And that's different from the signature we saw earlier that you used on a Santander document? If we go back to Exhibit 2, those are different signatures?

A Yes, it is.

Q That is another way that you would sign documents; what we see on Exhibit 8 is an alternative signature that you would use?

1 JULIO ESTRADA

2 A It's the same signature, as
3 well as the one on the Exhibit 6 --

4 Q 2.

5 A -- excuse me, Exhibit 2,
6 that the money orders that you provided
7 copies of, sir.

8 Q Exhibit 2 and the money
9 orders look like the same signature; yes?

10 A Yeah. Both of them, sir.
11 If you notice on the money order, it has
12 both signatures.

13 Q What I'm asking is: Why
14 would you sign documents with
15 different-looking signatures?

16 A Because I didn't have -- it
17 was not required for me to sign any
18 certain way at that establishment, sir.

19 Q But you would obviously sign
20 documents, using different signatures?

21 A Have I?

22 Q Yes.

23 A Yes.

24 Q Let me just show you this
25 document.

1 JULIO ESTRADA

2 MR. LANE: Can we mark this
3 as Exhibit 9?

4 (The above-referred-to
5 document was marked as Plaintiffs'
6 Exhibit 9 for identification, as of
7 this date.)

8 Q Again, just take a look at
9 Exhibit 9. Do you recognize that
10 document?

11 A Absolutely, sir.

12 Q Did you fill out anything on
13 that document?

14 A I filled out that document
15 as well and signed it, and the client
16 signed it.

17 Q Let me just back up and go
18 finish up with some of the questions I
19 had for really right when we started.

20 Let me just ask you: Are
21 you in the process of being sentenced for
22 a conviction right now?

23 A (No response given.)

24 Q Are you in the process of
25 being sentenced for a criminal conviction

1

JULIO ESTRADA

2

right now?

3

A Right now? I was already

4

sentenced, sir.

5

Q You were already sentenced?

6

A Yes.

7

Q But are you awaiting

8

sentencing on any other cases?

9

A Currently, right now?

10

Q Yes.

11

A Yeah. I have a couple of

12

other cases.

13

Q You had indicated that you

14

were arrested in June 2012?

15

A Yes, sir.

16

Q Were you convicted following

17

that arrest?

18

A Yes, sir.

19

Q And then after that

20

conviction, were you arrested again?

21

A Yes, sir.

22

Q Since June 2012, how many

23

times have you been arrested?

24

A Two times.

25

Q When was that?

1 JULIO ESTRADA

2 A In 2014. If I'm not
3 mistaken, it was in May -- excuse me. In
4 2014, I believe it was in February, sir.
5 I'm not certain. I don't remember.

6 Q What were you charged with
7 in your February 2014 arrest?

8 A Attempt to defraud.

9 Q Was that related to New York
10 Motor Group customers?

11 A Yes, sir.

12 Q Were you arrested again
13 after that?

14 A No. I was -- the charges
15 were brought against me. So they gave me
16 new -- after that arrest, I was charged
17 with numerous other charges of clients
18 because -- you want me to explain it to
19 you?

20 Q I do.

21 A What happens is if a
22 client -- if a client goes to a
23 dealership, in search of a dealership,
24 and to press charges against them or
25 anything like that, considering it's a

1 JULIO ESTRADA

2 corporation and it's closed and they're
3 gone, they obviously go after the
4 individual that they last had any
5 transactions with, in that case being me.
6 Everyone else obviously is gone.

7 Q Have you been incarcerated
8 since your last arrest in February 2014?

9 A I've been incarcerated since
10 last year, sir, in September 2014.

11 Q So then following your
12 arrest in February 2014, was there
13 another arrest?

14 A No. I've been in jail.

15 Q That's what I'm trying to
16 understand.

17 A I'm sorry, no. I've been
18 incarcerated. Numerous other charges
19 have been brought against me.

20 Q While you've been in jail?

21 A Yes, of course.

22 Q These are on separate docket
23 numbers?

24 A Yes, I had separate docket
25 numbers. And numerous charges were

1
2
3
4
5
6
7
8
9
10
11
12
13
14
15
16
17
18
19
20
21
22
23
24
25

JULIO ESTRADA

dismissed. There were turn into civil matters like this. Remember that you recall James and asking if he represent me. A lot of those cases would turn into civil matters because I was an employee of an establishment for New York Motor Group.

MR. SIMON: Peter, I'm just going to suggest there may be miscommunication. You're saying have you been arrested. Maybe it's: Have you been arraigned on new charges? He's already incarcerated.

MR. LANE: That's why I was asking about the docket numbers, just so I understand.

Q Let's back up.

I appreciate you're talking about this. I just want to make sure I understand the full picture. Let me ask you. You were indicted for your 2012 arrest in Queens County back in December 2012; is that correct?

A If I'm not mistaken, that's

1 JULIO ESTRADA

2 correct.

3 Q And that arrest in that case
4 was related to crimes you were accused of
5 while working for Auto Palace; correct?

6 A New York Motor Group. The
7 cases with Auto Palace, I already had
8 taken a plea on those cases, sir. I was
9 already sentenced on those cases.

10 Q You know what, I don't
11 really need to ask any questions about
12 this anymore. Thank you. I think I got
13 all the information I need on that.

14 A You're welcome.

15 Q I know that you worked at
16 New York Motor Group. You also said that
17 you worked at Auto Palace before you
18 worked at New York Motor Group. I don't
19 need to go back all the way to the time
20 you left high school. But before Auto
21 Palace, where were you working?

22 A KG Suzuki.

23 Q How long were you at KG
24 Suzuki?

25 A Seven years.

1 JULIO ESTRADA

2 Q What did you do at KG
3 Suzuki?

4 A I was a finance manager.
5 Zero arrests, zero allegations of
6 refinancing on numerous civil matters
7 against the establishment, had no
8 implications or any criminal behavior
9 with anything with KG Suzuki for seven
10 years, zero problems.

11 Q Who was your supervisor at
12 KG Suzuki?

13 A Kinney Galani.

14 Q When you were at KG Suzuki,
15 did you work for Sayfur Rahman?

16 A Yes.

17 Q What was your relationship
18 with Sayfur Rahman?

19 MR. BRENER: He was also
20 known as Imran Kahn.

21 Q So you knew Mr. Sayfur very
22 well?

23 A Yes.

24 Q What was your relationship
25 with Mr. Rahman?

1 JULIO ESTRADA

2 A At one time, I was a
3 coworker of Mr. Rahman. And after his
4 departure of the company before he came
5 back, we were close friends. I've known
6 him for over ten years, sir, for over a
7 decade.

8 Q Were you working there
9 before Mr. Rahman began working at KG
10 Suzuki?

11 A I was working with Rahman at
12 KG Suzuki.

13 Q When you started working at
14 KG Suzuki, was he already working there?

15 A Yes, he was already there.

16 Q Did he ever train you in
17 relationship to auto financing?

18 A No, sir. The person that
19 trained me was Kinney Galani.

20 Q Where did you work before KG
21 Suzuki?

22 A In the automobile industry?

23 Q Yes.

24 Any other dealerships
25 besides KG Suzuki that you've worked at?

1 JULIO ESTRADA

2 A Any other dealerships? No.

3 I was in KG Suzuki when I started.

4 Q Was that the first auto
5 dealership you ever worked at?

6 A Yes, sir; as in management,
7 yes. When I first started in the
8 automobile industry, it was the Year
9 2000, sir. I started off as a porter at
10 a dealership called Toyota of the Bronx.

11 Q How long were you there?

12 A I was there for four years.

13 Q Where did you go after that?
14 So then 2004, where did you go to?

15 A I went to -- then I went to
16 KG Suzuki. Then I started working at KG
17 Suzuki.

18 Q You said you were at KG
19 Suzuki seven years?

20 A Seven years.

21 Q So when did you start at
22 Auto Palace?

23 A Right after KG Suzuki.

24 Q Around 2009?

25 A Yeah. I was working in KG

1 JULIO ESTRADA

2 Suzuki and Danny, while I was working in
3 KG Suzuki, was sending -- at that time,
4 Angel was at Danny's place. And he was
5 sending Angel to come and recruit me from
6 Kinney's place.

7 Q Danny recruited you from KG
8 Suzuki?

9 A Yeah. He used to send
10 Angel.

11 Q And Toby recruited you from
12 Auto Palace?

13 A Yeah. And at that time,
14 Angel was working with Toby.

15 MR. LANE: I think for the
16 moment, I don't have other questions.
17 But I reserve the right to ask more
18 for follow-up.

19 EXAMINATION BY

20 MS. LINDERMAYER:

21 Q Hi, Mr. Estrada.

22 A How are you? Good
23 afternoon.

24 Q How's it going?

25 A Good. Thank you.

1 JULIO ESTRADA

2 Q As mentioned before, I
3 represent Shahadat Tuhin. I just want to
4 start -- just follow-up on a couple of
5 things that already came up when Mr. Lane
6 was talking to you.

7 You had knew a lot about the
8 recordings at New York Motor Group. Do
9 you know like how long a recording would
10 be saved for?

11 A If I'm not mistaken, it's up
12 to 36 -- three days. Max is three days.
13 But it stays in the hard drive of the
14 tower, if I'm not mistaken.

15 Q So even after three days, it
16 will still be in the hard drive?

17 A Absolutely.

18 Q Were they ever erased from
19 the hard drive?

20 A No one has access to that.
21 No one has the capability -- at least I
22 know for a fact, nobody has the
23 capability to erase anything from the
24 hard drive.

25 Q What was the name of the

1 JULIO ESTRADA

2 receptionist at New York Motor Group
3 while you were working there?

4 A I don't know. I know -- I'm
5 sorry. There was a young lady. She had
6 black hair. I never -- I don't mean no
7 disrespect. I know she was there.

8 When you walk in, she was
9 right there in front of us. But I
10 would -- good morning to everyone, just
11 keep walking into the office.

12 Q Was Nada a receptionist?

13 A No. Nada is the owner --
14 Nada is the daughter of the owner.

15 Q What was her position?

16 A Controller. She used to
17 supervise the managers and every now and
18 then would try to supervise me.

19 Q When Mr. Eltouby wasn't
20 around, who was in charge of the
21 dealership, putting you aside, as far as
22 not in charge of you but just in charge
23 of whatever else was going on at the
24 dealership?

25 A Nada. Everything had to go

1

JULIO ESTRADA

2

through Nada.

3

Q

So did the sales managers need her permission to do deals?

5

A

The sales managers, they will work at their own discretion. But everything was supervised by Nada. At the end of the day, you couldn't proceed with any deal unless it was authorized by -- if it was okayed by Nada because obviously on some cases, on a deal-by-deal case, she would still check with Mr. Toby before anything.

14

Q

As far as you know, would she check with him for every deal or only sometimes?

16

17

A

No. Nada would check with him with every single deal; every single deal with the exception of none; everyone.

19

20

21

Q

Did she ever make other sorts of decisions on her own about how to run the dealership when her father wasn't there?

23

24

25

A

She would attempt. But it

1

JULIO ESTRADA

2

would be a matter of like 33 seconds

3

before she would have to change her mind

4

or her father would put her back in her

5

place.

6

Q

But you got the impression

7

that she believed that she had that

8

authority if she knew the answer?

9

A

In respect to authority, she

10

had it. There was no denying that. She

11

would run the day-by-day operations there

12

if her father was not there.

13

When her father was there,

14

even before any employee would speak or

15

do anything, they would still have to go

16

through Nada. And Nada and him would

17

discuss things in their own language

18

before reaching a decision.

19

Q

Would customers ever

20

complain to Nada?

21

A

A hundred percent. They

22

would all go first to Nada. When they

23

would complain to any sales rep, any

24

sales rep, their obligation was to bring

25

them to Nada, didn't matter the

1

JULIO ESTRADA

2

circumstances of what the issue was or
3 the size of the issue. It would have to
4 still go to Nada. They will have to go
5 to Nada's office, sit down with her.

6

Q So she had an office; so she
7 wasn't like working at the front desk,
8 just answering phones; she had one of the
9 two offices?

10

A That is correct. When you
11 enter the trailer, the one on the right,
12 was sitting in that office. And the one
13 on the left, right before the room where
14 the filing cabinets are at, that was
15 where Nada used to temporarily reside at.

16

Q If a customer complained to
17 Nada, would she try to work it out just
18 with her and the customer?

19

A Yes.

20

Q What would she do to try to
21 resolve a complaint?

22

A She would first get the
23 customer's statements and get the
24 customer's complaint, then call her
25 father, say it in their language, speak

1

JULIO ESTRADA

2

in their language.

3

4

Then at that point, they would -- then at that point, that was like to give the father the heads-up, that they were going to call me into the office. And they would call me into the office. And she would run it by me.

9

10

11

12

13

14

15

16

And at that point, the cameras obviously were on in their office. So her father was in there now, listening to whatever Nada was telling me while the client is there and while I'm there. And we would go back and forth. And that's how -- that's how the conversation would start.

17

18

19

Q Would she resolve the matter herself or would she have you resolve the customer complaint or was it a mix?

20

21

22

23

24

25

A No. My situations with the customers in respect to that, it was always simple. When I used to walk inside, I used to ask the customer in front of Nada because Nada obviously always wanted to feel in that way, she

1

JULIO ESTRADA

2

was the boss, which was fine with me.

3

4

I used to ask them: Sir, I just want to ask you one question: Do

5

you have copies of your paperwork? He or

6

she. And he or she would say yes. And I

7

would say: Do you have them with you?

8

Yes, I have them with me. Can I see it?

9

Okay. Thank you.

10

And then I used to tell her,

11

tell the customer and Nada. And I used

12

to go, Imma read it both of yours again.

13

This is the retail buyer's order, this is

14

the bill of sale, et cetera, et cetera,

15

et cetera.

16

Then I would go: That's

17

yours, correct? Here you go, sir, here's

18

your document. Nada, I did my job.

19

Thank you. I have to leave now.

20

Then she goes -- and she'll

21

always tell me -- she knew that I was

22

going to leave no matter what she told

23

me. So she will always tell me, as I'm

24

walking out, don't leave anywhere because

25

we have to resolve this. Every single

1 JULIO ESTRADA

2 time was the same thing.

3 And I would go back into my
4 office and continue what I was doing
5 while Nada was in the back office with
6 the client, the cameras and her father.
7 And the reason I say the cameras because
8 I don't know who else was watching
9 besides the father.

10 Q Any conversation that you
11 would have with a customer about a
12 complaint, she would be present for?

13 A Any conversation that I had
14 with any customer, anything -- any
15 customer would approach me and they would
16 see a customer speaking to me, whether it
17 was Nada or her father, one of them would
18 come and be present while I speak to the
19 customer.

20 As soon as they saw a
21 customer talking to me, they would come
22 either -- even if I had the door closed,
23 they wouldn't knock. They would just
24 walk in which I would remind them that
25 that's very disrespectful.

1

JULIO ESTRADA

2

3

4

5

6

7

8

9

10

11

12

13

14

15

16

17

18

19

20

21

22

23

24

25

And they would come in and just stand there and listen. Or they would take the customer -- or if I was done with the customer, before the customer walked down the stairs, they would bring them into the office.

Q So was Nada ever in your office when you were negotiating financing terms with the customers?

A Every time I signed out a customer, when I was signing out a customer at New York Motor Group, on my left, in that camera, will show you that Nada was sitting in that office while I was sitting in front of the customers, speaking to the customer.

Q Nada testified at her deposition that any time she was in your office, you would demand that she left?

A Absolutely not. And if you have enough ink, I could tell you the name of the other employees. They would tell you that any time that I signed up a customer and Nada was not in that office

1

JULIO ESTRADA

2

on my left-hand side and her father would see through that camera, he would call her and tell her that whatever it is they speak in they language to basically sit in there. I taught Nada how to do financing.

8

9

10

11

12

13

14

When I left that place and Nada was doing financing, I was teaching Nada how to do financing. I taught Nada how to bill out deals. I taught Nada how to submit deals. I taught Nada how to do financing. Nada was doing financing there.

15

16

17

18

19

20

21

22

23

24

25

And when Rahman came to that place, Rahman ended up buying that place with another individual. When they went into that place, the person that was doing financing there was Nada, taught by me, that I was taught by Kinney Galani.

Q She testified -- I'm just going to quote from her transcript -- "Julio was doing, you know, I found out later on, not while I was working. I didn't know while I was working that he

1 JULIO ESTRADA

2 was taking money from clients."

3 A Any client that I took --
4 you could stop right there. Let me tell
5 you right now. Any client -- any
6 customer that gave me 50 cents or even a
7 dollar or a quarter, that money was given
8 to Nada. It was on my left-hand side,
9 then she went and obviously told her
10 father. From any money that a customer
11 had given me, if the customer gave me
12 \$50, \$25, the father will give me. And
13 \$25, he will wait to come in and receipt.

14 So if he gave me \$5,000,
15 \$2,500 was given to me. \$2,500 was given
16 to hold on -- to hold on to until the
17 father came.

18 Q I'll just read the rest of
19 that. "So Julio was doing, you know, I
20 found out later on, not while I was
21 working. I didn't know while I was
22 working that he was taking money from
23 clients. That's why I'm saying the last
24 few months were really bad because that's
25 when I found things out, you know. The

JULIO ESTRADA

clients would come complain to me, telling me that they gave Julio X amount of money, and they would ask me about it. I didn't know about it because all I was aware of was the client's down payment. And they would come complain to me. I would call Julio or direct them over there. He handled their complaint. So I'm guessing he gave them the money back or I don't know what he did. But he handled the complaint with that."

Is that what your experience at New York Motor Group was like?

A No. Imma put it in perspective. I'm not badmouthing Ms. Nada or anything like that. But I understand that -- not just Nada but many people that have worked with her father have the tendency to get -- to get this thing that's called amnesia. And they forget things.

What has happened is in -- throughout the time that I have spent there with Nada again or with Toby, any

1

JULIO ESTRADA

2

client, any customer that I sign, Nada

3

was there. Any money that was receipted

4

to me was under the presence of Nada.

5

Whatever it was, that had

6

anything to do -- which the only thing

7

they would charge the customer was \$480.

8

If you notice, that gentleman that's

9

sitting towards your right, they was

10

questioning me earlier; you, sir

11

(pointing). I'm sorry. I'm very bad

12

with names --

13

Q That's Mr. Lane, for the

14

record.

15

A -- he gave me four money

16

orders. Out of the four money orders,

17

there was a paper there -- that one money

18

order said \$480. Four of them were for

19

\$1000 each and one said 480. That \$480

20

was given to me. That \$480, \$240 always

21

went to Toby. I first had to give it to

22

Nada. And then Nada used to have to hold

23

on to that until Toby came.

24

At that point in time, the

25

reason I mentioned those \$480 because I

1

JULIO ESTRADA

2

remember clearly that Toby wasn't around to give back the customer the money, nor was Nada. But I had my own stuff going on, personally, with my legal matters.

6

And I didn't have time to find out who was going to give me the money or not give me the money. That's why I mentioned to this gentleman, again, that I went -- and I went and paid that money out of my pocket. That's a fact.

10

11

12

Besides that, there was numerous times, in accordance to that information that Nada stated there, that she did not know what was going on and this, that and the third. Me and Nada had not just a business relationship. We had a personal relationship.

13

14

15

16

17

18

19

Me and Nada used to go out every night. Every single night with me, Nada and this other sales rep named Dewan and even Little Mohammed that I mentioned earlier that set up the prices.

20

21

22

23

24

In fact, my wife that I'm married to, she found explicit messages

25

1

JULIO ESTRADA

2

from Nada on my phone, the records from

3

Nada's phone on my phone, stating stuff

4

that Nada said to me that obviously was

5

discovered by my wife.

6

Then my wife went to the

7

dealership and approached Nada. And Nada

8

has -- and my wife has text messages,

9

pictures of these text messages, Nada

10

begging her not to tell her father that

11

me and Nada were in a relationship. It

12

was discovered by my wife that we were in

13

a relationship.

14

Q

It sounds like you were

15

pretty close.

16

Did that extend to your

17

business dealings? Was she aware,

18

basically, of your day-to-day

19

interactions at work? Was she aware of

20

what was going on?

21

A

Miss, I don't mean no

22

disrespect. There is no one in that

23

establishment that could tell you that

24

they didn't know anything, especially me,

25

of what I was doing or not doing or

1

18
19
20
21
22
23
24
25

JULIO ESTRADA

didn't do or anything like that.

Anything I did do, pertaining to any business in that establishment, was under the influence and the watchful eyes -- and I say eyes because it was her father -- of her father and his daughter.

Q So, actually, going back to her daughter, did he have a practice of pricing cars lower than market value?

A Numerous dealerships do that, yes.

Q Why do numerous dealerships do that?

A To attract and draw the customer -- let me say explicitly: To lure the customer into the dealership.

Q Was that something that Mamdoh Eltouby did at New York Motor Group?

A Without a doubt, yes.

Q Was he aware of this practice and in control of it?

A That he was lowering the

1

25

JULIO ESTRADA

prices of the cars in order to draw the customers into his dealership, so that that way, he could have the ability of obviously selling a car to a client, yes.

Q How often would New York Motor Group do a cash deal, all cash, no financing? Do you know how often that would happen?

A A cash deal? A cash deal in New York Motor Group, if in a month we did 30 cars -- if we did 30 cars in one month -- we never did two cash deals in a month. It was impossible.

So to answer your question, 99 percent of the deals that went out through the dealership were financed.

Q Is that because the customers didn't want to pay cash or was there a policy of steering people towards financing?

A Because -- in order for the dealership to recuperate the losses that it was facing of advertising said vehicles for those prices, they had no

1 JULIO ESTRADA

2 other option but obviously to give the
3 opportunity to the customers to finance,
4 so that a person like myself in the
5 finance office would sell aftermarket
6 products to the customers.

7 It didn't mean that I was
8 gonna -- I was gonna be able to close all
9 of them. But out of ten, I was gonna
10 close nine every time.

11 Q So you had mentioned before
12 that Mr. Eltouby never asked you about
13 your arrest, the arrest in June 2012. At
14 some point, though, in December was when
15 you either indicted or plead to that
16 charge. At some point, did he find out
17 about it?

18 A I was arrested. Now that
19 you mentioned that, I was arrested in --
20 in the dealership one time, in New York
21 Motor Group. Sir, you had asked me
22 earlier -- I'm sorry (pointing) -- I was
23 in the dealership, in my office, in New
24 York Motor Group. And they came and
25 handcuffed me in the dealership.

1 JULIO ESTRADA

2 Q Do you remember when that
3 was?

4 A No. I don't remember. But
5 it happened. It was during the day. I
6 remember clearly. And I had asked -- I
7 remember clearly that I had asked the --
8 I asked the detective if he could not at
9 least please put the cuffs on me now
10 because there's clients, customers that
11 are here. There's customers here. So at
12 least, I'll go with you to the car. But,
13 yes, I was arrested at New York Motor
14 Group.

15 Q Was that in 2013 or before
16 2013?

17 A I don't remember the year.
18 I know it did happen. It had to be in
19 between when I was working there because
20 I was in the office.

21 Q So I'm really interested in
22 like around 2012, like there was the
23 arrest at Auto Palace that you hadn't
24 been asked about by Mr. Eltouby.

25 A I'm sorry. Excuse me. I

1

JULIO ESTRADA

2

don't mean to interrupt you. I got

3

arrested there twice. The Queens DA's

4

office went in there as well. I had a

5

warrant. Imma tell you right now.

6

I had a case for Long

7

Island. It was a case in Long Island.

8

Some detectives came to get me. Then

9

they arrested me. I came out within 24

10

hours. The bail was \$75,000 in Long

11

Island. I posted bail.

12

Q

Do you remember when that

13

happened, around? Like month, year?

14

A

No. I know for a fact then

15

after that, I came -- I came back to the

16

dealership. And the Queens DA's office

17

went to New York Motor Group and arrested

18

me on allegations of committing identity

19

fraud with a client that Toby had -- was

20

there when I signed out the client. I

21

remember.

22

I was pissed off 'cause -- I

23

was telling the detective: Toby spoke to

24

these clients. What are you talking

25

about? And I remember. And the reason I

JULIO ESTRADA

say that is because, again, there's not a customer that sat with me, that when he or she got up, they was not interviewed either by Toby or by Nada.

Number One, Nada would sit there. And I was told that the reason they wanted Nada was in there so I could train her, which I know was all a lie, 'cause it was the reason Nada was there, was to watch me. And besides that, it didn't matter 'cause even in one point, that Toby had her there to watch me, it didn't matter. I had a personal relationship with her.

So in reality of Toby having her there, supposedly to watch me, he was defeating the cause. So I remember, clearly, that I had came back. And that happened in Queens.

Q When you said that he was there with the client who made the allegation of identity theft --

A Absolutely.

Q -- do you remember when you

1

JULIO ESTRADA

2

met with that client?

3

4

5

6

7

8

9

10

11

12

13

14

15

16

17

18

19

20

21

22

23

24

25

A I was working in Auto Palace. This is what happened. I was working in Auto Palace. Angel's sister was working as the finance manager at New York Motor Group. Angel's sister -- I don't know -- disappeared. Toby tells me, calls me -- I'm working at Auto Palace. I don't work for Toby -- can you do me a favor and please come over here? Because Angel's sister, she's always smoking, she's always doing this, she's criticizing, whatever. I go, Toby, just make it quick because I'm very busy. I just need you to please close out a customer for me because Angel's sister has disappeared again. And I need help in closing this client, working at Auto Palace. I said, Okay, not a problem.

So when I get there, and I get there, I know the finance office is still towards the right because before it was mine, it was being used by other people as the finance office which at

JULIO ESTRADA

this time was Angel's sister.

When I walk in, that client, they made the allegations -- they're supposedly was the fake client or it was the one that was committing the fraud -- was in Toby's office. And Toby was asking him -- Toby was talking to him. And then Toby walked the customer into the finance office and then brought me into Toby's office and asked -- I asked him, What happened with the customer? He goes, Nothing, you're gonna sign him up, but I just want to give you a heads-up of what's going on with the deal, I'm losing X amount of money, I need you to pick up X amount of money on the deal.

So I already know that Toby spoke to the customer. So I go and speak to the customer. I sign out the customer. I close the customer. I close the customer. When I was done with the customer, like Toby always had a problem in paying me, I used to charge a customer a processing fee, each individual

1

JULIO ESTRADA

2

customer. It didn't matter who it was.

3

I would charge them independently.

4

If I was working for Toby,

5

it was only \$480. If I wasn't working

6

for Toby and I was coming from another

7

dealership to close the deal, I would

8

charge the customer, let's say, \$1,200.

9

Q Was that because you knew

10

that Toby wasn't going to pay --

11

A To pay, that is correct. So

12

the customer -- I finished with the

13

customer. Guess where the customer goes

14

after signing the customer out: To

15

Toby's office again.

16

So he goes right back into

17

Toby's office, stays with Toby for

18

another 10, 15 minutes, walks out of

19

there. And I ask Toby, Why? And I

20

already knew why the customer was in

21

there. Toby brought the customer in

22

there, I was under the impression it was

23

to ask them if I asked him for any money

24

or if I charged them for anything. Toby

25

turned around and told me, Oh, no, the

1

JULIO ESTRADA

2

reason I had him in there is because I had to give him plates. I said, You had to give him plates? The guy just walked out without no plates.

6

So I knew for a fact since then, even before I worked with Toby, that that was going to be part of the package of working with Toby. Number One, that I was always going to have issues in getting paid because his reputation is known for that. He's had issues of paying people.

10

11

12

13

14

Number Two, any customer and every customer I spoke to, he was going to interview. So I was okay with that because I wasn't doing anything wrong, as long as I got paid, which I could say the only people that were paying me on time was Danny and Kinney Galani.

15

16

17

18

19

20

21

Q So just so I understand:

22

You actually met with that client in New York Motor Group while you're still working for Auto Palace?

23

24

25

A I was an employee of Auto

1

24
25

JULIO ESTRADA

Palace. I was asked to come on, do Toby a favor.

Q Was that the situation that led to the arrest that June 2012?

A A hundred percent. The auto crime division came in and arrested me.

Q You had mentioned before that you were never asked about the arrest. But that doesn't necessarily mean that Mr. Eltouby didn't know about it.

Did he know that there had been a complaint, filed with the police about this transaction?

A The cops called Toby and asked Toby to tell me to tell them when I was going to be in the building. And Toby told me -- Toby told me -- the officer, the arresting officer, had called Toby and asked Toby -- told Toby before he comes, before -- when he's there, can you please tell us so we could go and arrest him.

Toby turned and told me, in

1

JULIO ESTRADA

2

accordance to what he states, he told me

3

to supposedly look out for me. Listen:

4

These people just called me and they're

5

planning on coming over here to arrest

6

you. I'm letting you know so you could

7

leave. And I said, Leave for what? Why

8

would I want to leave if I haven't done

9

anything? And he told me, Well, you

10

should leave because they are coming to

11

arrest you. And I didn't leave and I

12

waited there.

13

And while I waited there,

14

what I did was, I placed a couple of

15

calls. And I told my wife what was

16

happening. And I told her, Listen,

17

everything that I just explained to you,

18

Miss, that Toby told me this, that and

19

the third that I'm about to be arrested,

20

so I'm just letting you know so you could

21

call my attorney, which is Mr. James

22

Kousouros, so you could advise me as to

23

what to do.

24

And he told me -- James, she

25

called up James. James told her the same

JULIO ESTRADA

1 thing. He doesn't have to go anywhere
2 because whether he leaves or don't leave,
3 they know where he lives. I said, What
4 difference does it make? Tell him to
5 wait there. And I'll find out from the
6 DA what's going on.

7
8 Then they came into New York
9 Motor Group and arrested me in front of
10 numerous dealerships and closed down the
11 dealership.

12 Q And that was June 2012?

13 A No. I don't remember --
14 those two times, I don't remember the
15 dates. But I know for a fact that
16 happened inside that office.

17 Q Was that before Mr. Eltouby
18 hired you or after?

19 A I was already working for
20 him.

21 Q As far as the arrest that
22 happened in Auto Palace when you were
23 still working for Auto Palace, did
24 Mr. Eltouby ever find out about that?

25 A About the arrest?

1 JULIO ESTRADA

2 Q Yes, the arrest that
3 occurred a few months before you started
4 working at New York Motor Group.

5 A Yes, of course. Let me
6 explain to you: The car business is a
7 big business. But it's a small
8 community. Everybody knows each other,
9 same way like when the gentleman was
10 asking me about Rahman. And it's crazy.
11 It's like a vicious cycle. Rahman worked
12 there, Angel worked there, you worked
13 there, Auto Palace. All you guys are
14 like related one way, shape or form.
15 Again, it's sad but it's true. Big
16 business is a small community. Everybody
17 knows everybody in the car business.

18 Q What does that mean in
19 relation to this information?

20 A In relation to that
21 information is that if he knew if I got
22 locked up in Auto Palace, everybody knew.
23 Not only did everyone knew. It came on
24 Channel 1. It came out in the press.
25 The Queens DA raided Auto Palace. And

1 JULIO ESTRADA

2 they closed down Auto Palace.

3 Q Yes. It's a small city.

4 A Yeah. And we were a couple
5 of blocks from each other. And remember,
6 keep in mind, Danny and Toby are
7 competitors. They're not friends.
8 They're competing against each other as
9 to who sells more cars and this customer,
10 if this one could screw this one over for
11 this customer, they're gonna do so.

12 Q You mentioned before that
13 when you were at Auto Palace, they had
14 lost some of their relationships with
15 their financing institutions?

16 A Auto Palace, yes.

17 Q New York Motor Group, did
18 any banking institutions ever stop
19 working with New York Motor Group while
20 you were there?

21 A Capital One.

22 Q Do you know why?

23 A 'Cause Toby procrastinated
24 in buying back deals that he -- that were
25 discovered. I wasn't working for him.

1
2
3
4
5
6
7
8
9
10
11
12
13
14
15
16
17
18
19
20
21
22
23
24
25

JULIO ESTRADA

Capital One had made discoveries on numerous deals that he was there -- he was in violations with them in accordance to their lending laws.

And he was supposed to be buying back the deals. And Toby was under the impression, because he had a relationship with the agent, that everything was going well. It turns out that little did he know, the regional manager of that banking institution is the godmother of my child.

So I knew exactly what was going on with the deal. And I'm advising Toby. Toby, that's not happening, they're gonna shut you down, you're going to have to buy back the cars, and they're going to cut you off.

So once you give them the money, they're cutting you off. And he goes, No, They're not. So he kept playing with them, with Kenny McGee, from Capital One, playing with him, playing with him. In the long run, he gave him

1

JULIO ESTRADA

2

some money. And he was supposed to buy

3

back the cars. He didn't. And

4

nevertheless, by the time he gave him the

5

money, they cut him off.

6

Q

Did any other banks ever try

7

to have the dealership buy back these

8

loans?

9

A

That happens numerous times.

10

Whenever there's a complaint with the

11

bank -- Imma give you an example -- like

12

a bank like M&T, M&T -- a client, when he

13

files a complaint, you see where it says

14

plaintiff, it's the customer's name on

15

top; and then where it says plaintiff, it

16

says New York Motor Group, it says the

17

name of the finance manager, the name of

18

the lending institution. So usually, the

19

attorney faxes that over to all parties.

20

At that point, a bank like

21

M&T or a bank like Santander, they'll

22

come and tell you straight out: Listen,

23

this is what we received. They don't

24

want to hear if, bad, wrong. They don't

25

want to hear anything. They just want

1

JULIO ESTRADA

2

you to do one thing: Is buy back the
3 deal, period.

4

5

6

Q How often would New York
Motor Group buy back those loans,
specifically from M&T?

7

8

9

10

11

12

13

14

15

16

17

18

19

20

21

22

23

24

25

A If it's M&T, instantly. The
reason being is M&T -- any dealership,
especially if you're a non-franchise, if
you have a bank like M&T and M&T is
asking you to buy back the deal, that's
something you're not even supposed to
blink. You buy back, you cut that check
immediately because M&T is not in the
business of signing independent
dealerships in the City of New York.

So if you're grandfathered
into a situation like that and M&T is
telling you to buy back the deal,
guaranteed, the dealership is going to
pay for the car, or a bank like
Santander, they're going to pay for it,
because those banks don't like to be
associated with any negative press.

Q Did banks ever question or

1 JULIO ESTRADA

2 reject any applications because the sales
3 price of the vehicle was much higher than
4 the vehicle was worth? Is that something
5 that would ever create red flags?

6 A No. The banks, they don't
7 go in accordance to that. They go in
8 accordance to making sure that they reach
9 the guidelines in respect to the
10 loan-to-value and obviously how much
11 money the customer is putting down and
12 the customer's credit criteria. It just
13 goes in accordance to the LTV.

14 As long as the loan-to-value
15 reaches their guidelines and obviously
16 the mileage of the car do not exceed or
17 you're trying to sell the type of cars
18 that a place like Auto Palace used to
19 sell, which was frame-damage cars and
20 stuff like that, the banking institutions
21 don't want to be associated with anything
22 negative that has to deal with hurting
23 the client. They're not interested in
24 making a deal. They just want clean,
25 Kosher business, period.

1 JULIO ESTRADA

2 Q I just want to ask. I don't
3 have that much more to go over.

4 My client, Shahadat Tuhin,
5 he purchased -- it was a 2008 Lexus
6 sedan.

7 A Burgundy.

8 Q Do you remember him vaguely
9 at all?

10 A I remember him like if it
11 was yesterday.

12 Q I'm sure you've dealt with a
13 lot of customers. What made him so
14 memorable?

15 A Number One, the Carfax
16 situation. That guy came with eight
17 different people, representatives from
18 his village, from his mosque, from all --
19 people of all walks of life. This guy --
20 the first guy he brought me, this guy has
21 purchased eight cars. He has 800 credit
22 score. Very, very good guy. He knows
23 everything about the business. Can you
24 explain everything to him?

25 So everything had to be

JULIO ESTRADA

1 explained first. Dealing with that
2 individual, everything had to be, first,
3 explained to his friends. So then the
4 friend could now explain it to him in his
5 language. So then him ask me the
6 questions in English and then going back
7 and forth.

8 Long story short: At that
9 point, everything with him, it was
10 numerous -- it was numerous times. It
11 was over eight people, without
12 exaggerating. It was not seven, it was
13 not nine, it was eight people he brought
14 in. All eight people wanted copies of
15 the Carfax.

16 Now there's some
17 dealerships. There's some dealerships
18 with Carfax -- where the Carfaxes, they
19 don't want to give or anything like that.
20 In my cases, because I knew what was
21 going to be the procedure, it was
22 standard, that if you were buying the car
23 for X amount of dollars, in order for me
24 to do the deal with you, I have to
25

1

JULIO ESTRADA

2

after-sell you products; same thing like

3

if you were buying a house. If you're

4

buying a house, they're going to sell you

5

different types of products, anything.

6

If you go to Best Buy before

7

you cash out and pay for the products,

8

they're going to offer you other

9

products. Same thing. So I already

10

knew. So I didn't care. We needed the

11

Carfax. The Carfax could have been an

12

accident. I would show the customer.

13

Whatever it was, I would show them

14

because I wanted to make sure that I

15

billed with them our portfolio.

16

And they obviously believed

17

in me because besides the fact that I was

18

in a dealership, I'm an individual that

19

I'm presenting myself. Then I have scars

20

in my face and I'm in a dealership, that

21

their credibility is being questioned by

22

what they're reading in the Internet.

23

Everybody has -- that a certain customer

24

has come with numerous people.

25

So I wanted to make sure

1

JULIO ESTRADA

2

that I was working off a strength in the beginning. So by the time they came into my office, they wouldn't question anything that I'm trying to sell them because they were simple. I'm trying to sell you.

8

Q

With Mr. Tuhin -- do you

9

remember -- the day that he actually

10

signed all of the financing papers, did

11

he have people in the office with him?

12

A

Absolutely. Two people. A

13

chubby guy like myself -- well, he was

14

heavier than me -- and another

15

individual; skinny dude.

16

Q

And they were there while he

17

was actually signing the --

18

A

Yeah, and speaking to them

19

in their language.

20

Q

Do customers ever sign more

21

than one bill of sale for the car?

22

A

There's two things that they

23

sign. In respect to bill of sales, they

24

sign a retail buyer's order and a bill of

25

sale that supercedes the retail buyer's

1 JULIO ESTRADA

2 order because a retail buyer's order
3 is -- all it is, is a document that has a
4 break on the selling price and
5 aftermarket products that you're buying,
6 if any.

7 And those come together
8 which is summed up as a subtotal. And
9 they are superseded by the bill of sale.
10 The bill of sale now comes with all the
11 prices together as one.

12 Q I see.

13 MS. LINDERMAYER: I'm going
14 to mark this as Exhibit 10.

15 (The above-referred-to
16 document was marked as Plaintiffs'
17 Exhibit 10 for identification, as of
18 this date.)

19 Q Plaintiffs' Exhibit 10, is
20 that the retail buyer's order or the bill
21 of sale?

22 A This is the bill of sale.

23 Q Would someone ever sign more
24 than one of those for the same
25 transaction?

1 JULIO ESTRADA

2 A A bill of sale?

3 Q Yes.

4 A No. They would only sign
5 one bill of sale. They would sign two
6 retail buyer's order. When they get to
7 the dealership, they're buying the car, a
8 retail buyer's order, let's just say, for
9 \$15,000. By the time they go into
10 finance, now they sign another retail
11 buyer's order, that they're buying that
12 same car, let's just say now for \$32,000.
13 Then they sign the last and final one,
14 which is the bill of sale that
15 supercedes, which is one bill of sale
16 that they get a copy of. They get a copy
17 of this. They get a copy of the retail
18 buyer's order.

19 Q The selling price, what's
20 the number listed by selling price there?

21 A On Exhibit 10, the selling
22 price is -- before the warranty -- is
23 \$22,795.87. After the warranty is
24 \$25,885.87.

25 Q So that selling price, is

1 JULIO ESTRADA

2 that the price that the sales manager
3 will negotiate with the customer?

4 A The sales manager -- I'm
5 sorry. The sales manager has no clue
6 about this because this was discussed
7 only by the finance manager, the customer
8 and Nada on my left-hand side.

9 Q Let me put it this way.

10 So if a customer goes into
11 the dealership and they're dealing with
12 the salespeople and they all agree on the
13 actual price; and then afterwards,
14 they'll be the question of the add-ons
15 and the financing terms, where is the
16 actual price that's agreed upon,
17 reflected in that bill of sale?

18 Sorry. This is not a very
19 well-stated question.

20 But whatever price is
21 negotiated between the sales team and the
22 customer, would that be the price that's
23 reflected as the selling price?

24 A That's the selling price --
25 the agreed-selling price which is the

1 JULIO ESTRADA

2 advertised price. When they walk in,
3 they buying the car for the advertised
4 price.

5 Let's just say if it's
6 \$15,000, he or she signs, that I am
7 willing to purchase this vehicle for a
8 selling price of \$15,000 before financing
9 that is subject to end. In that same
10 document, it states that is subject to
11 primary lender's approval and must do
12 finance without banking institutions in
13 order to qualify for said price.

14 MR. SIMON: Exhibit 10 is
15 called the bill of sale?

16 MS. LINDERMAYER: Yes,
17 that's the bill of sale.

18 Q In this case, there is
19 another bill of sale.

20 MS. LINDERMAYER: Can we
21 mark this as 11, please?

22 (The above-referred-to
23 document was marked as Plaintiffs'
24 Exhibit 11 for identification, as of
25 this date.)

1 JULIO ESTRADA

2 Q I know you'll explain to me
3 the relationship between those documents.
4 But I just want to start by asking you to
5 read the selling price on this document.

6 A Selling price on this
7 document is \$28,209.

8 Q But what's next to the term
9 selling price?

10 A The top price -- let me
11 start off from the beginning. What I'm
12 holding in my hand is Exhibit 11 which is
13 an actual retail buyer's order. This is
14 not a bill of sale.

15 Q So can you explain what the
16 difference is between these two?

17 A Absolutely. The retail
18 buyer's order states on the top of the
19 page where it starts off with numeric
20 numbers, it states what was the initial
21 agreement selling price, which is the
22 advertised price, in this case on Exhibit
23 11, being of \$12,000.

24 Q So why did that sales price
25 jump about \$10,000?

JULIO ESTRADA

1
2 A Absolutely. I'll be more
3 than happy to explain. From there, I
4 charged the customer a processing fee --
5 I mean, an extended warranty, which is a
6 service contract of \$3,000. \$90 VSI fee,
7 which stands for vehicle security
8 interest fee, of \$90. That must be
9 attached to all M&T Bank's deals that are
10 done through M&T Bank.

11 Then I charged them for a
12 vehicle replacement policy, which is an
13 antitheft protection device, of \$6,000 --
14 if I'm not mistaken, \$6,068.37.

15 And I charged them a
16 processing fee of a total loss package
17 fee of \$6,068.37. And the vehicle
18 replacement policy was 472750.

19 So by the time this
20 gentleman left my office, I charged them
21 additional fees without including the
22 taxes, nor DMV, an additional \$13,817.87.

23 Q Just approximating, so the
24 difference between the two selling prices
25 would reflect all of those add-ons?

1 JULIO ESTRADA

2 A Yes, and then this order,
3 which is Exhibit 10. Exhibit 10
4 supersedes Exhibit 11 because they all
5 come together as one but still showing
6 the same amount financed with the
7 client's signature, stating that he or
8 she is aware that this has taken -- has
9 been injected with obviously numerous
10 additional fees that he or she has agreed
11 to take.

12 MS. LINDERMAYER: Just mark
13 this, please, as Plaintiffs' Exhibit
14 12. It's double-sided. So that
15 first page is actually not what I
16 want to mark.

17 (The above-referred-to
18 document was marked as Plaintiffs'
19 Exhibit 12 for identification, as of
20 this date.)

21 MS. LINDERMAYER: Just so
22 the record is clear, Exhibit 12 is
23 the Dealertrack track application in
24 Shahadat Tuhin's case.

25 Q I just have a quick question

1 JULIO ESTRADA

2 about this, Mr. Estrada. You had
3 discussed Dealertrack a little bit
4 earlier with Peter Lane.

5 Who filled out the
6 information in Dealertrack?

7 A Customer -- oh. Who submits
8 the information?

9 Q Yes.

10 I assume Dealertrack is
11 something you fill out online?

12 A Yes.

13 Q So who's actually entering
14 the numbers?

15 A I'm entering the information
16 as provided by the client. On Exhibit
17 12, this is a Dealertrack application.
18 But it is an incomplete Dealertrack
19 application that has been given or has
20 been shown to me at this time because
21 there's a part here that's missing which
22 is the part that the customer filled out
23 and signed, stating the issues.

24 Q That's correct, and that's a
25 separate page. And I won't be asking you

1 JULIO ESTRADA

2 about that. But I'm glad that you were
3 on top of that.

4 This is just the first two
5 pages of the Dealertrack application,
6 just so the record's clear, that it's not
7 the complete application. So the
8 customer's salary information would be
9 included on this application; is that
10 part filled out there?

11 A Yes.

12 Q What do you base that
13 information on when you're entering it
14 into the computer?

15 A The information provided by
16 the client.

17 Q And when the client comes
18 into the dealership, do they fill out
19 their own application with New York Motor
20 Group where they say, you know, their
21 name, their address, phone number and
22 their salary?

23 A Yes.

24 Q Do you ever crosscheck with
25 that? Basically, when you're entering

1 JULIO ESTRADA

2 that, is it what the customer is telling
3 you then, or is it what the customer
4 filled out on that application that
5 you're using?

6 A Yes. What happens is they
7 fill out two applications. They fill out
8 a credit application. And then -- they
9 fill out a credit application. When they
10 fill out their credit application and
11 they give me -- before we close out the
12 deal and I print out this application, I
13 go over the information with them. And I
14 enter the information into Dealertrack.
15 Then I proceed to print it out, and I
16 hand it, just like you've given me today.

17 But unlike you guys, I give
18 them the complete application, which in
19 this case is three parts, which one is
20 missing. And I ask them to please go
21 over all this information, make sure
22 everything's accurate, so that that way,
23 it doesn't -- it doesn't cause any
24 problems in not just mailing but your
25 future -- in respect to your future

1 JULIO ESTRADA

2 credit and the information you provided
3 and in respect to the vehicle and your
4 information on your credit application
5 and if so, please sign. And then they
6 proceed to sign if it's accurate.

7 Q And I'm sorry. I asked you
8 a question. And I may have zoned out for
9 a little bit of the answer.

10 With just the salary
11 information, is that something that
12 you'll check with the application they
13 fill out when they first come in or is it
14 something that you'll just go based on
15 what they're telling you when they're
16 sitting in your office?

17 A No. It goes in accordance
18 to what they're telling me the
19 application it is they fill out, the
20 information they fill out with the
21 client. That application, as well,
22 there's a disclaimer in the bottom of the
23 application, stating that anything you
24 fill out will be submitted to the banking
25 institution.

1 JULIO ESTRADA

2 Q You testified before that
3 Mr. Eltouby reviewed all of the paperwork
4 for every deal. Do you know whether he
5 would review the Dealertrack application
6 and if so, whether he would compare it to
7 the application the client filled out?

8 A Before he signs?

9 Q At any point.

10 A At any given point, do I
11 believe that Toby would go over that?

12 Q Yes.

13 A Absolutely not. He will not
14 go over that.

15 Q He wouldn't even afterwards
16 review the Dealertrack application?

17 A Not a shot.

18 Q So they would never look at
19 it?

20 A No. It's not practice
21 because this -- what happens is this is
22 customer's personal information. So what
23 happens: Once the customer signs these
24 documents, it goes into their file.

25 So once they sign their file

1 JULIO ESTRADA

2 and Toby's done interviewing the client
3 and asking them if you gave any money to
4 J, at that point, Toby has no access to
5 their folder. Their folder goes in for
6 funding, which gets packaged out by the
7 receptionist, that I failed to remember
8 her name. It goes out for funding. And
9 it stays in the folder. And it goes into
10 the file.

11 If and when Toby ever
12 reviews anything in that folder again, it
13 would be at the time of any situation
14 that may occur with, let's say, with
15 processing in DMV or purchasing of the
16 vehicle back from the banking
17 institution.

18 Q So was reviewing the
19 Dealertrack application part of his,
20 like, interview with the client after the
21 client would leave your office?

22 A Is it practice for him, for
23 him to do that?

24 Q Yes.

25 A No, young lady. He does not

1

JULIO ESTRADA

2

do that.

3

Q

4

So you mentioned a few times that Mr. Eltouby seemed really concerned about customers giving you money. Was your impression that he was worried about the customer losing money or was he more worried about himself losing money?

9

A

10

The customer losing money? No. You're asking me a question. So I believe that I reserve every right to answer it at my discretion; right?

11

12

13

Q

Absolutely.

14

A

15

16

17

18

19

All Toby was concerned about is making sure that if a dollar came in, that dollar went to him. Toby was not concerned if I charged the customer \$10,000 or \$15,000 extra or anything on that part in respect to the customer.

20

21

22

23

24

25

Toby was just concerned, making sure that the customer didn't give me any money and make sure that I charged him \$15,000 extra and came Saturday when it was time to get paid, you figure it out, J. That's what Toby was concerned

1

JULIO ESTRADA

2

about.

3

Q What did he want you to

4

figure out?

5

A As to how and when I was

6

gonna get paid 'cause, in other words,

7

what I'm trying to tell you is: That in

8

respect to any dollar that a customer

9

gave me, the reason Nada was there, it

10

was to supervise me. It was to,

11

actually, not learn anything. She wasn't

12

interested in learning.

13

The only reason she learned

14

how to do financing is because I told her

15

that the way that your dad treats you and

16

the way -- because they don't even get

17

paid, his own kids. I told her you have

18

an opportunity to learn something that

19

you can use for the rest of your life,

20

Nada, might as well learn something

21

instead of texting on your phone and

22

wasting your time.

23

So to answer your question,

24

no. Toby did not review any of that to

25

the defense of any customer. Toby

1 JULIO ESTRADA

2 reviewed any of that to make sure that
3 anything I got from the customer went to
4 him. And he would pay me at his
5 discretion.

6 Q But he had access to all
7 these papers, including the Dealertrack
8 application, during that interview; he
9 had access to it?

10 A Remember, initially when --
11 sorry. What's his last name?

12 Q Mr. Lane.

13 A When Mr. Lane had initially
14 asked me, how was I submitting the
15 applications to Dealertrack, I had to
16 inform him: I was working under Toby's
17 Dealertrack, Toby's Dealertrack log-in ID
18 and password. So anything I submitted,
19 Toby saw. Anything I submitted, Toby
20 saw, Nada saw. They all saw. They all
21 had access to this.

22 Q So specifically about
23 Mr. Tuhin, do you remember whether M&T
24 Bank tried to get the dealership to
25 repurchase that loan?

1

JULIO ESTRADA

2

A No. This guy came back.

3

This guy came back after he woke up from

4

the ether, from his coma, whatever you

5

want to term it as. When he woke up from

6

his remorse of making that purchase, that

7

obviously he realized probably exceeded

8

his budget or his well-being, he came

9

back to me. And he told me the

10

following.

11

I would not be able to put

12

my kids through college because of your

13

fault. You are what's called a butcher.

14

You have butchered me and have butchered

15

the future of my children. And I asked

16

him, clearly: Sir, when it was time to

17

sign these documents, when you came here

18

with eight people, did at any given time,

19

I put a bat on that table or a gun and

20

tell you or force you to sign these

21

documents? No, I don't want the car.

22

Okay. Not a problem. So

23

you don't want the car, nor do you want

24

the loan. Let me bring you to the people

25

that's in charge of that department.

JULIO ESTRADA

Guess what I did: I got up.

And I brought them straight to Nada's office. And guess who was there: Mr. Eltouby. Toby was there, spoke to the customer. The customer wanted their money back. Toby didn't want to obviously assist the customer because the customer was not trying to compromise, which mean -- by that, I mean Toby was willing to buy back the deal from the customer.

Toby told him straight out: I'll give you your money back, every penny you put down. I'll give you your money back. Give me back the car. And I'll pay M&T. And you no longer have to deal with this deal. I'll give you everything.

At that point, you know what the customer did: The customer went -- I remember this like it was yesterday. The customer went. And he spoke to Rahman. He went and spoke to Rahman. He seeked help from Rahman. So he went from bad to

JULIO ESTRADA

worse. He went to Rahman, comes back. And guess who calls Toby: Rahman calls Toby and tells him: Listen, you're causing a problem, not just for yourself, but for the rest of the industry. Why? 'Cause now the client is outside with 25 other people with signs in they hands, stating that these people in New York Motor Group are thieves, they mislead you and they sell you cars and charge you more for your car than what the car is worth.

So now the other dealerships are starting to call Toby. And Toby's telling them: I'm willing to give this guy back his money, he doesn't want his money back.

Long story short: The guy comes. The guy comes back with the cops. The cops tell him: If you don't have a permit in the State of New York to protest, you have to leave. People leave. Toby still brings the customer back in the office and tells him:

25

JULIO ESTRADA

Listen, even though you did that whole fiasco, whatever the case may be, I'll still give you back your money, just give me back the car, and I'll give you back your money. And I'll pay off M&T.

Customer says: I don't want that. I want you to sell me the car at the price that it was originally sold. I can't do that. I don't own this car. And that's exactly where it last left off with that individual.

Q Do you remember how soon after Mr. Tuhin purchased the car he first came back to the dealership to complain?

A After like almost two, three months; something like that.

Q If he had come back on June 24th -- I know that this is a few years ago -- but would you have been there on that day?

A I was there when he came in, the first day he came in. He spoke to me first.

1 JULIO ESTRADA

2 Q So June 24th was two days
3 after he signed the paperwork.

4 Were you there when he came
5 back two days after he signed the
6 paperwork?

7 A So when he was there, I
8 could tell you, absolutely. When that
9 man came in, I was there. So if it was
10 two days, so then it was two days. It
11 wasn't two months or anything because I
12 was there. He spoke to me first.

13 Q Were you there when he came
14 back to the dealership with the car and
15 attempted to leave the car at the
16 dealership and return it?

17 A No. He left the car
18 outside. He left the car outside. He
19 left the car outside. He tried to return
20 it, yes. Toby told him at that time --
21 Nada told him because Toby wasn't around.
22 Nada told him, We cannot take the car
23 because we don't own it. She gave him
24 Toby's cell phone number. They used to
25 do that. They gave the customer Toby's

1

JULIO ESTRADA

2

number to get a hold of Toby.

3

4

The customer calls Toby,
tells Toby what happened in his language.

5

Obviously, the customer is frustrated.

6

So he's speaking in a phone that Toby

7

cannot understand him.

8

9

So Toby told him what we're
going to do: Instead of us speaking on

10

the phone, let's meet up in the

11

dealership. So that's when he came to

12

the dealership. Toby tries to bring me

13

into the office so he could explain

14

everything in front of me. Toby already

15

knew how much I charged the guy, how many

16

extra products I sold him and everything

17

because keep in mind: In order for Toby

18

to pay off a car, he has to get funded

19

from the bank. The proceeds don't come

20

from the skies. They come from

21

somewhere. They come from the bank.

22

23

So if Toby knows for a fact

what he was selling a car for and he's

24

getting X amount of money funded from a

25

bank and the contract says the customer

1 JULIO ESTRADA

2 put down \$4,000, \$4,000 plus what I got
3 funded, plus what I actually owe for the
4 car.

5 Q I'm sorry.

6 Did Toby understand that
7 Mr. Tuhin wanted to return the car on
8 that day?

9 A No. Toby understood it
10 after the customer spoke to Toby over the
11 phone. And then Toby came to the
12 dealership and brought me in the office
13 with the customer. And he told Toby I
14 don't want to speak to you in front of
15 this butcher.

16 Q Was this about a month
17 before the protest?

18 A Yeah. Another protest
19 happened afterwards.

20 Q But this conversation was
21 before any of the protests?

22 A Yeah. This was in the
23 beginning. Toby was begging him to buy
24 back the car. Toby wanted to give him
25 the money.

1 JULIO ESTRADA

2 Q So when he brought the car
3 to the dealership, why wouldn't he buy
4 back the car then?

5 A Because Toby was willing to
6 buy back the car from the beginning
7 because what I explained to Toby was the
8 following: I told him, Toby, if you
9 advertise 50 cars in a month -- right? --
10 and you sell 50 and two or three of them
11 come back and they wake up from the
12 ether, give them back they money because
13 you still ahead of the game by 47 other
14 clients. You give them back the money.
15 And you go, you recycle it, you try to
16 sell it again. But at least you get rid
17 of the negativity. You get rid of that
18 thing that's going to become a cancer.
19 So that little tool, you get rid of it.

20 Q So why didn't he take your
21 advice that day?

22 A In that particular customer,
23 I could say that Toby tried to give him
24 back the money. The customer didn't want
25 it.

1 JULIO ESTRADA

2 Q But he had brought the car
3 there.

4 A The customer wanted to keep
5 the car at the same selling price.

6 Q I don't want to dominate
7 your time today. A couple of quick
8 things.

9 At the protest, do you
10 remember when Mr. Eltouby arrived at the
11 protest?

12 A Yes.

13 Q Did he drive very close to
14 the protesters?

15 A No. What Toby did do that
16 pissed off the protesters, it was
17 actually wrong. He told the people, his
18 porter, to go and wash the sidewalk.

19 Q The sidewalk where the
20 protesters were?

21 A Yeah, to clean the sidewalk
22 with a hose.

23 Q Did he spray the protesters?

24 A He came close to spraying
25 them.

1 JULIO ESTRADA

2 Q And that was what
3 Mr. Eltouby had told him to do?

4 A He told -- he told the
5 porter to clean the sidewalk with the
6 hose. And then the porter sprayed by
7 where the customer was at.

8 Q Did you see Mr. Eltouby
9 drive up into the dealership that day?
10 Did you actually watch him when he was
11 coming in?

12 A Yeah. Any time -- any time
13 Toby would be there, any time Toby would
14 get there, any time he would be there,
15 they would announce on the speaker that
16 Toby's here.

17 Q So I'm sure you knew when he
18 was coming?

19 A I used to call him the
20 pharaoh.

21 Q Did you, on that day,
22 observe him drive up on the protest in
23 his car?

24 A Yes. The protest was in the
25 corner in front of the dealership. Toby

1 JULIO ESTRADA

2 drove -- this is the trailer. You come
3 up the stairs and you enter the door.
4 Toby drove his car right in front of the
5 staircase of the dealer. The protest was
6 in the corner. At that time when that
7 was happening, the guy was already
8 spraying the thing and stuff like that.

9 Q Did you see him before when
10 he was turning that corner to pull into
11 the --

12 A Yes. We were outside.

13 Q So did you see him drive
14 past the protesters?

15 A Yes.

16 MS. LINDERMAYER: Please
17 mark that Exhibit 13.

18 (The above-referred-to
19 document was marked as Plaintiffs'
20 Exhibit 13 for identification, as of
21 this date.)

22 A That's my handwriting.

23 Q That is your handwriting?

24 A A hundred percent. It has
25 numeric numbers on it that I do

1 JULIO ESTRADA

2 recognize, that I could tell you that is
3 my handwriting.

4 Q So it is your handwriting.
5 You anticipated my first question.

6 A Yes, it is.

7 Q Can you just let me know
8 what those numbers represent?

9 A The first number states that
10 it's \$2,600.58. Then it's \$6,929.28.
11 Then it's \$2,000. And then it's \$630.

12 Q What is each of those
13 numbers?

14 A Can I see it?

15 Q Sure. I'm going to hand you
16 Exhibit 11.

17 A Not that I don't have any
18 recollection. But it doesn't have
19 anything pertaining to the retail buyer's
20 order because usually in a situation like
21 this, when I write down numbers like
22 this, it's 'cause it's giving you a
23 breakdown of where the buyer's order --
24 what the buyer's orders reflect in order
25 for you to have an understanding as to

1 JULIO ESTRADA

2 why we reached that number.

3 Q So the \$12,000 --

4 A The \$12,160.13, I don't
5 understand where that number would come
6 from. It doesn't have any relationship
7 to the retail buyer's order which is
8 Exhibit 11. So going back to 13, I do
9 recognize the handwriting. It was
10 written by me. But what it was written
11 for, I do not remember.

12 Q That's fine. I appreciate
13 your honest answer about that.

14 MS. LINDERMAYER: The last
15 one, No. 14.

16 A I remember this straight
17 out. I could tell you what it says
18 without even looking at it.

19 (The above-referred-to
20 document was marked as Plaintiffs'
21 Exhibit 14 for identification, as of
22 this date.)

23 Q I don't want to offend you.

24 A No. Actually, there's no
25 offense being taken. I should be

1 JULIO ESTRADA

2 actually very ashamed, which I am, of
3 myself for making or writing a statement
4 so foolish and disrespectful towards an
5 individual that obviously was in
6 emotional distress at the time being.

7 And it means that instead of
8 taking his feelings into consideration, I
9 was selfish at that point and made a
10 statement -- and wrote a statement so
11 disrespectful towards that individual.
12 And for that, I am wrong and I am sorry
13 for that.

14 Q So is all the handwriting on
15 that page your handwriting?

16 A A hundred percent. That was
17 written by me.

18 MS. LINDERMAYER: That's it
19 for my questioning. Thanks for your
20 time.

21 FURTHER EXAMINATION BY

22 MR. LANE:

23 Q I just have a few questions
24 to follow up on.

25 You had indicated that you

1 JULIO ESTRADA

2 left New York Motor Group in January of
3 2014. You worked there until
4 January 2014. Why did you leave New York
5 Motor Group?

6 A Why did I leave?

7 Q Yes.

8 A The reason I left is 'cause
9 it was just too much uncertainty.

10 Q I had asked you: Why did
11 you leave New York Motor Group in
12 January 2014?

13 A The reason I left New York
14 Motor Group is 'cause besides the fact
15 that there was no -- there wasn't
16 anything solid in respect to my pay,
17 there was numerous things that were going
18 on with that company. There were -- the
19 signs were all negative, like in respect,
20 they had situations going on with the
21 department of consumer affairs.

22 There were clients -- they
23 were coming in with numerous complaints,
24 that the attention and the blame was
25 being shifted to me. And I realized -- I

1

JULIO ESTRADA

2

sincerely realized that the way that everything was going at the end of the day, who was going to be stuck holding the bag was going to be myself, and they were going to shift the blame to me and everybody was just going to wash their hands and just say J did it or John DeSantos did it, whatever you want to call him, did it. It has nothing to do with us. And everybody will shine away from helping the customers.

13

And it just became a situation that everybody was pitting blame on everyone else instead of trying to fix the problems.

17

Q So you quit?

18

A I grabbed my stuff, packed it up, and I quit.

20

Q Did Toby fire you?

21

A Not a shot on earth. Toby begged me to stay there and asked the guy to take out my printer out of my box and my -- connect my PC again. And Dewan, I told him, before Toby got there, to bring

25

JULIO ESTRADA

me a box because Imma pack up my stuff
because I am leaving.

And he told me -- then Nada
called Toby and told him that I was
packing up my stuff. And he told Nada
that, yes, he knows because he saw. And
I know all these things because, again, I
was involved in not just a personal
relationship but an intimate relationship
with Nada.

So I know. So Nada told me
what was going on. And Nada was under
the impression that I was just bluffing
so I could get finally paid from her
father. And I packed up my stuff. And I
already had called my wife. And my wife
was outside.

And when my wife got
outside, Toby was there. And he asked me
why I was leaving. And I told him
besides the fact of you not paying me,
obviously all the things that are going
on here and I see what you're doing,
Toby, I'm not stupid, and I am aware of

1

JULIO ESTRADA

2

what's happening. I just prefer to

3

leave. And besides that, I'm not going

4

to forget.

5

I remember that was the day

6

that I mentioned to him what had happened

7

with the DA, when the DA came to the

8

office and locked me up on the pretense

9

that I committed identity fraud for a

10

client that was interviewed by Toby, that

11

I was there just to do a favor for him.

12

Then Toby turned around and

13

told me in my face that I know you had

14

nothing to do with that, that the person

15

that did that was Angel. And Angel got

16

paid for that. And I know. And I

17

brought it up to Angel, Angel Santiago,

18

which was his former manager. And I

19

brought it up to Angel. And I told Angel

20

in his face: This is what Toby told me

21

that he stated to Angel.

22

Q When did Toby tell you that

23

he knew Angel --

24

A The day that I was standing

25

behind the table in front of Toby. And

1 JULIO ESTRADA

2 Toby told me. I told --

3 Q This was the day you were
4 quitting?

5 A The day that I was going to
6 leave, the same day. It was in the early
7 afternoon. And I told Toby. I told Toby
8 these exact words. It doesn't matter
9 because at the end of the day, Danny,
10 writing me out to the detective. Angel,
11 I saw the text messages he was sending
12 the DA. I was able to obtain that. And
13 you lied numerous times to the DA in
14 respect to me.

15 But what I do know and
16 besides all you people, I know that I
17 never lied about you guys, I never ratted
18 on you guys, and I never talked to you --
19 about you guys in order to get a better
20 plea from any DA's office.

21 And I grabbed my stuff. And
22 I told him no hard feelings and if
23 there's anything I could help you with,
24 please feel free to call me and get ready
25 for voice mail therapy because I will not

JULIO ESTRADA

be answering. That's exactly what I told him. And I got up. And I walked out.

And then after that, when I left, he was calling me, telling me that he had this customer there, that customer, this customer, asking him for money. I told him, Toby, listen to me: Don't play with me because I'll go over there and embarrass you. Don't act like you don't know who's in front of you asking you for what money. Do not try to play slick and make it seem like -- to show the customer, look, I'm showing you that I was just calling him. You know for a fact whoever's there and asking you for money, you know where that money is at. So get those people back their money so you don't have any further problems. And I just kept hanging up the phone and hanging up the phone.

Q Let me just back up.

You had testified before that he called you to come help him close a deal when you were still working for

1

JULIO ESTRADA

2

Auto Palace?

3

A I was working at Auto

4

Palace.

5

Q And that was the ID theft?

6

A Identity theft.

7

Q When you were arrested at

8

New York Motor Group --

9

A -- two times.

10

Q -- two times, one of the

11

times, you said the first time you were

12

arrested for an incident at a dealership

13

on Long Island?

14

A Yeah, from one of the

15

clients from Long Island. The client was

16

from Long Island.

17

Q That was the first time you

18

were arrested at New York Motor Group?

19

A At New York Motor Group.

20

Q And there was \$75,000 bail

21

that you posted on that?

22

A Yes, because there was a

23

client from Nassau.

24

Q And did you return to work

25

at New York Motor Group after that?

1 JULIO ESTRADA

2 A Yes.

3 Q Do you remember when that
4 arrest was?

5 A No.

6 MR. SIMON: Objection to the
7 form of the question. I think the
8 Nassau matter that was \$75,000 bail,
9 not \$75,000 when he was arrested.

10 A The bail was \$75,000.

11 MR. LANE: That's exactly
12 what I just asked.

13 Q The bail on the arrest for
14 the Nassau matter was \$75,000?

15 A Yes, sir, \$75,000.

16 Q You made bail, you returned
17 to work?

18 A Yes, sir.

19 Q Can I ask you how you made
20 bail?

21 A I posted property.

22 Q You don't remember when that
23 arrest was?

24 A No, sir. But it's public
25 information. It's available.

1 JULIO ESTRADA

2 Q Yes. I'll figure out the
3 dates.

4 What I'm trying to
5 understand is: You went back to work,
6 you were arrested at New York Motor
7 Group?

8 A Yes. I went back the next
9 day.

10 Q And how many more months did
11 you continue working after that?

12 A It was like two, three
13 months before my next arrest. It was
14 like three months after that. They
15 arrested me again. That was the Queens
16 DA's office.

17 Q That was the arrest for the
18 ID theft?

19 A ID identity which is the
20 auto crime division.

21 Q And, again, you were
22 arrested. And that is where you had
23 testified -- and I just want to be
24 clear -- Toby got the call from the
25 police, saying that they were coming to

1 JULIO ESTRADA

2 find you?

3 A Yeah. The police officer
4 called Toby, told Toby when he's there,
5 call us and let us know. Toby brought me
6 into his office and told me of said
7 information to make it seem like he's
8 looking out for me, so that that way, I
9 could leave. And I told him I'm not
10 going anywhere because I don't have
11 anything to hide. I didn't do anything.

12 Q After that arrest, were you
13 able to make bail again?

14 A Yes.

15 Q And then you returned to
16 work?

17 A Yes, sir.

18 Q And how many months between
19 that arrest and when you left?

20 A Almost a year.

21 Q So that was pretty early,
22 that arrest?

23 A Yeah, because there were
24 pending issues while I was in Auto
25 Palace. Remember: The issues while I

1 JULIO ESTRADA

2 was in Auto Palace.

3 Q So that second arrest
4 happened like winter of 2013?

5 A I don't remember the exact
6 time. But I know for a fact I went back,
7 and I stood there like almost another
8 year.

9 Q So there's no doubt, in your
10 mind, that Toby was aware of your arrest
11 record while you were working for him?

12 A Even when the Queens DA's
13 office raided Auto Palace, that I was an
14 employee of Auto Palace, everybody in the
15 whole industry knew what happened, not
16 just from word of mouth. It was on New
17 York 1 news. It was on the New York
18 Times. It was on the New York Post. It
19 was on numerous outlets.

20 Q That's something else I just
21 wanted to clarify. You mentioned the
22 raid at Auto Palace.

23 A That's the Queens DA's
24 office. That was in 2011. That, I
25 remember.

1 JULIO ESTRADA

2 Q I believe it's 2012. But
3 you remember it as 2011.

4 A It was at the end of 2011.

5 Q Were you arrested on the day
6 of the raid?

7 A No. You want me to tell you
8 what happened?

9 Q Go ahead.

10 A They went in there and they
11 told me straight out. The DA told me
12 they interviewed everyone. They saved
13 me, Danny and Ms. Jenny for last. Before
14 speaking to Danny and to Ms. Jenny -- no.
15 They spoke to Danny, to Ms. Jenny. They
16 saved me for last. Then they spoke to
17 me. The Queens DA office spoke to me.
18 The detective, he told me clearly:
19 Listen, I know you know what's going on
20 here. I'm giving you an opportunity to
21 make things right for yourself so you
22 don't have any problems. So I'm only
23 going to ask you this one time: Imma
24 give you an opportunity to speak to us in
25 regard to Jenny and Danny, so that that

JULIO ESTRADA

way to alleviate your situation and your complications in the future. And we could probably work something out to help you.

And I turned around. And I told the detective -- I told him: Sir, do you mind if I reach into my wallet? And he says, No, I don't mind. I reached into my wallet, and I handed the gentleman my attorney's card. And he told me, I knew you was gonna tell me that. I tell him: You also know that you cannot ask me any further questions? And he says that is correct. Take care. But also before you leave, remember that I gave you the opportunity to defend yourself. And don't forget: They're all going to throw you under, just like that.

Q That was a conversation you had --

A From the detective, Edwin Driscoll.

Q And that was at Auto Palace?

A That was at Auto Palace in

1 JULIO ESTRADA

2 my office, the day of the raid. They
3 interviewed everybody in my office.

4 Q But you were not arrested
5 that day?

6 A No, I was not arrested that
7 day. What they did, they went in there
8 was to gather evidence. At that point,
9 then I went and retained counsel. And I
10 realized what happened.

11 Q You had also testified that
12 there were times when you were called by
13 Toby to go work at Planet Motor Cars?

14 A That's when I was already
15 working for New York Motor Group.

16 Q You didn't work regularly at
17 Planet?

18 A No.

19 Q Is it correct that he would
20 call you there to go help close a deal?

21 A Yes, sir.

22 Q Were they particularly
23 difficult deals?

24 A Or the worst deals. The
25 worst deals or any deals that would lose

1 JULIO ESTRADA

2 you money. The most deals they were
3 losing money.

4 Q Who was losing money?

5 A The dealership was losing
6 money and the selling price, what they
7 were selling the car for and what they
8 actually owed the car for and what the
9 car was actually being sold for, so that
10 the negative part in the deal that had to
11 be picked up or the customer had
12 excellent credit or the customer was from
13 certain nations.

14 Q It was a bad deal when the
15 customer --

16 A Any difficult customers,
17 they gave them to me.

18 Q What did Toby want you to
19 do?

20 A Close them.

21 Q How?

22 A With years of knowledge. It
23 wasn't no set rules. It would change in
24 accordance on a deal-by-deal basis.

25 Q Did he want you to make sure

1

JULIO ESTRADA

2

that he didn't lose money in the deal?

3

A

Any deal that I got involved in, he would never lose money.

5

Q

Why?

6

A

Because I just -- I took -- prior to myself thinking that hopefully, one day, the amazing gods of Egypt were going to shine down on this pharaoh and one day, it could convince him to pay me. But unfortunately, for me, it didn't work out that way. So no matter how much money I made him, he never paid me.

14

Q

Are you saying that when you were closing a deal, it was your goal --

16

A

-- to maximize every deal.

17

Q

-- to make the deal as expensive as possible?

19

A

To sell as much product as I was allowed to sell under the guidelines and rules of the State of New York and banking institutions.

23

I wanted -- if they gave me

24

\$20,000 amount finance, I was going to

25

have to finance \$19,999.99. I would

1

JULIO ESTRADA

2

leave a penny less, so that that way I

3

could go underneath the radar, that I

4

didn't max it out at what you guys gave

5

me.

6

Q

Is it true that what you're

7

saying is that Toby wanted you to sell

8

these other products, service contracts?

9

A

Service contracts,

10

processing fee, vehicle replacement

11

policy, LoJack, any of those aftermarket

12

products, those are standard aftermarket

13

products that are sold in any finance

14

office.

15

At that point, any customer

16

that was given to me, he knew that if it

17

would have been a negative situation, I

18

was definitely going to turn it into a

19

positive because one thing I did do, I

20

would -- again, if it was ten customers,

21

I was gonna close nine. And I would give

22

him copies of all their paperwork.

23

Q

Did he know that you were

24

charging processing fees?

25

A

Absolutely. All the retail

1

JULIO ESTRADA

2

buyer's orders indicate that I was charging processing fees. Not only was I charging processing fees, I would make sure that the customer signed with their same signature that they had in their driver's license, signed the processing fee.

9

10

And then I had them sign a separate document, stating that these processing fees were not obligated, nor were they -- they were not required by the bank, nor were they obligated in order to obtain financing that they had to pay.

16

17

18

19

20

So in order to justify as to why, I was charging them that. I would obviously explain to them the full spectrum of the deal and close them on the deal.

21

22

Q And you would have people sign a statement that they understood?

23

24

25

A Absolutely. Every deal jacket -- that's called a deal jacket -- that's what contains the information of

JULIO ESTRADA

the client. There is what is called a customer package forms, that I would have customers signed as a rider form that states that none of these additional fees are required by any banking institution in order to obtain financing with them, which will remove the banking institution away from the deal in respect to anything extra I charge them, 'cause like Santander, they charge you a processing fee, you cannot not pass that down to any client.

That's one of the pet peeve from the beginning. You cannot pass any fee down to any client.

MR. LANE: At this moment, I don't have any other questions.

EXAMINATION BY

MR. GROSSMAN:

(The above-referred-to documents were marked as Defendants' Exhibits 15, 16 and 17 for identification, as of this date.)

Q Good afternoon, Mr. Estrada.

JULIO ESTRADA

My name is Lance Grossman. I represent M&T Bank in three cases that are now pending in the District Court Eastern District of New York, entitled Shahadat Tuhin versus New York Motor Group, Simon Gabrys versus New York Motor Group and Nasrin Chowdhury versus New York Motor Group.

As counsel has told you, you are named in a number of these lawsuits as being a defendant, as well as New York Motor Group, Planet Motor Cars, Mamdoh Eltouby, Nada Eltouby and in some circumstances, Santander Bank and Capital One Bank.

A You're representing --

Q I represent M&T Bank in three of those which, just to be clear, it's Tuhin, Gabrys and Chowdhury. As counsel told you, I'm going to ask you a series of questions. If at any time, sir, you don't understand my question, I'll ask you to so advise me. And I'll do my best to rephrase the question.

1 JULIO ESTRADA

2 If you answer the question,
3 sir, I'll interpret that to mean that you
4 understood the question, and I'll move on
5 to the next question. You understand
6 that?

7 A Yes, sir.

8 Q During the questioning of
9 prior counsel, you went into some detail
10 on what you remember about Mr. Tuhin.

11 What I want to know, sir:
12 Do you have any independent recollection
13 of any complaints that Mr. Gabrys may
14 have had with respect to his purchase of
15 an automobile?

16 A Who's Mr. Gabrys?

17 Q Simon Gabrys.

18 A I remember Mr. Simon Gabrys.

19 A gentleman, he did the financing with
20 your banking institution, with M&T. He
21 came into my -- he came into my office.
22 He's like 5'4", 5'6". I remember him
23 clearly, yes.

24 Q Do you remember any
25 complaints he had about M&T Bank?

1 JULIO ESTRADA

2 A He wanted -- two things. He
3 came into my office to tell me that he
4 wanted to lower his interest rate with
5 M&T Bank. And I told him: What do you
6 mean lower your interest rate in M&T
7 Bank? It's a primary bank. How much
8 lower do you want to go?

9 And he told me -- he told me
10 I knew you was going to tell me that, you
11 douchebag. I reviewed you and told me
12 that he found information in regards to
13 Auto Palace with my name attached to it.
14 That's the exact words.

15 And then he proceeded to
16 tell me that he was gonna -- that I
17 was -- I was gonna see him in court when
18 he sues the living pants out of me, the
19 living shit out of me.

20 Q Was this complaint to you
21 after he had purchased the car?

22 A Yes, after he purchased the
23 car.

24 Q Did he have any complaints
25 about purchasing the car at the time that

1 JULIO ESTRADA

2 he came to see you about actually
3 purchasing or financing the car?

4 A No, sir.

5 Q And Nasrin Chowdhury: What
6 do you remember about her or her son?
7 Any complaints?

8 A I remember after they --
9 they had the car, it must have been like
10 five, six, seven months or something like
11 that, the son telling me -- came in with
12 the mother and the father and the son --
13 the son telling me that he went over all
14 the documents with her mother. And I
15 just -- before anything, I just want to
16 tell you, you robbed my mother. And I
17 told him: Sir, I don't mean no
18 disrespect, but you were not here. Why
19 would you say that I robbed your mother?
20 Because what she financed the car for and
21 what she bought it for, you obviously
22 robbed my mother.

23 I told him: Sir, I don't
24 mean any disrespect. Again, you were not
25 here. And in accordance to my

JULIO ESTRADA

recollection, your mother that's right next to you seems like a very bright, intelligent young lady.

And she goes -- at that point, he told me: What makes you think that she's bright and intelligent? Not saying that she's not because she's my mother and I know she is. Because I told him: Sir, when you have an 800 score -- and then I scrolled down and I told him, excuse me, she had actually a 782 score. I told him when you have a 782 score, that's not something you pick up at the grocery store. You have to be very educated, not just to obtain credit like that but how to maintain. And then he said, Whatever, we're not talking about her credit. All I'm talking about is how you robbed my mother.

So I said, Okay. Please explain to me how you believe I robbed your mother. And he proceeded to tell me what his mother told him in regards to -- in regard -- her husband that was there

JULIO ESTRADA

and was there at the time of the purchase with her and how she felt.

And I asked her -- before they proceeded, I told them, Ma'am, can I just ask you a question? When you left this place, did you leave copies of your paperwork? She said yes. So did in any way, shape or form, did I tell you, you was going to receive anything in the mail, other than your payment book, of any documents you signed in here that you were going to receive it in the mail? And that's why I cannot give it to you today. No. I said, Okay, ma'am, thank you. Yes, sir, how can I help you? And I proceeded to ask them back. And then after that, we just went into conversation.

Q Was the son ever there prior to them coming to you five or six months later?

A No. At the time of purchase, no; only the wife.

Q Did anyone ever make any

1 JULIO ESTRADA

2 allegations to you that there was any
3 forgery of any of her documents?

4 A No.

5 Q Did anyone ever make any
6 claims to you, with respect to Chowdhury,
7 that any of her documents were
8 fraudulent?

9 A No, sir. The only thing
10 that the guy came to me, told me was that
11 his mother had given me money to even
12 lower the payment. And I told him, yes,
13 sir, \$4,000. And he said, No, she gave
14 you \$4,000-something -- I think it was
15 480 -- 4480. I said, Oh, yeah, that was
16 \$480 for the application. He goes, Well,
17 that's what she gave you. I told him,
18 Sir, but if you'd like, I could give you
19 your money back right now, just so I
20 don't have to deal with your disrespect
21 of calling me any names without you
22 knowing me, sir. He said it's not about
23 the money, this and that.

24 And then he continued. He
25 proceeded. And the next time I ever

1 JULIO ESTRADA

2 spoke to him again was when he called
3 me -- he called me at the dealership --
4 at the dealership, making threats. And I
5 told him: Can you just do me a favor
6 'cause the reason I told him is I said,
7 I'm not used to people screaming at me or
8 anything like that. And I told him: Can
9 you just please come over here and come
10 get your money now?

11 And that's when Nada asked
12 me: But my dad's not here. How are we
13 going to give him back money? I told him
14 I don't care. Imma give him his money
15 right now.

16 And by the time he got
17 there, it took like two hours, then I
18 sent the sales rep to go buy me four
19 money orders -- excuse me. Yeah, four
20 money orders. And then when they came
21 back, they had four money orders. And
22 then he told me there's still \$480 left,
23 missing, and I sent somebody to get me
24 the fifth money order.

25 Q And they accepted those

1 JULIO ESTRADA

2 money orders from you?

3 A He took the money order and
4 told me that it wasn't about the money.
5 It was about the fucking principal.

6 Q Did you ever have any of the
7 plaintiffs that I represent -- again,
8 that would be Tuhin, Gabrys or
9 Chowdhury -- sign any retail installment
10 agreement in blank?

11 A In blank?

12 Q In bank.

13 A No, sir, not just them; any
14 customer. Any client that I signed, just
15 so that you know, any deal that I've ever
16 done for Planet, for Auto Palace and even
17 KG Suzuki or Planet Auto Mall because
18 your guys were affiliated with them, any
19 deal I've ever done with them, not only
20 do they sign retail buyer's order, bill
21 of sale, contracts, anything, and it all
22 has to match their signature. And they
23 all get copies of it, printed out. And
24 that's for that exact reason, so I could
25 be able to look at them in they eyes and

1 JULIO ESTRADA

2 tell them you didn't sign this in blank.

3 Q So there would be no
4 documents that you would have any
5 customer sign in blank?

6 A Never have, never will, not
7 Asian, not Indian, not no one. It never,
8 ever, ever -- it didn't ever matter.
9 Whoever it was, excuse my French, I would
10 give it to them raw. Here you go, sir.

11 Q As far as you know, was M&T
12 Bank ever involved in the prices that
13 either Planet Motor Cars or New York
14 Motor Group advertised their cars for?

15 A No, sir. Like I said --
16 like I explained to the young lady that
17 was speaking to me initially before and
18 the gentleman as well, the attorneys at
19 hand, any time M&T, dealing with M&T,
20 I've been in the business in financing
21 almost well over 10 years even since Day
22 One.

23 I remember the name of the
24 rep. His name is Kenny McGee -- not
25 Kenny McGee. Kenny McGee is for Capital

1 JULIO ESTRADA

2 One. The rep from M&T, any time he would
3 show up or anything like that. Again,
4 they don't -- M&T's not part of problems.
5 They don't want to hear it. You could
6 tell them, Oh, no, we fixed the problem.
7 They're not interested in fixing the
8 problem. The complaint filed the
9 complaint, they want you to buy back the
10 deal, and that's it.

11 Q And that was your
12 understanding of the reputation of M&T
13 Bank?

14 A M&T Bank does not -- again,
15 they get a complaint, you've got to buy
16 back the deal. They're not interested in
17 anything, oh, we fixed it, let me put you
18 on the phone with a customer, they happy.
19 They don't want to know happy. They just
20 want to know is, when we getting the
21 check and when you gonna have something
22 in writing by this customer, that they
23 are completely satisfied and that they
24 got the funds, period.

25 Q Sir, I'm going to show you

1 JULIO ESTRADA

2 three documents which have been labeled
3 as Exhibits 15, 16 and 17. I'll just ask
4 you to take a look at them.

5 A Simon Gabrys.

6 Q Do you see the title at the
7 top of that document? What's that
8 document entitled?

9 A This is a credit application
10 that was submitted to Planet Motor Cars
11 on behalf of Mr. Simon Gabrys by yours
12 truly, Mr. John DeSantos.

13 Q Sir, do you see a signature
14 on the second page? Actually, maybe it's
15 the third page. The third page.

16 A The third page.

17 Q Do you know whose signature
18 that is?

19 A Yes, of course.

20 Q Whose signature is that?

21 A It's the gentleman that's
22 signed right underneath -- right
23 underneath where it says, by signing
24 below, you certified that you have read
25 and agreed to the terms and disclosures

1 JULIO ESTRADA

2 on this page of this application which is
3 the third page that I indicated before
4 when I was initially questioned in
5 respect to a Dealertrack application that
6 was submitted, given to me earlier by
7 this young lady that did an amazing job.

8 Q Did you see the person sign
9 that document?

10 A Is that person here?

11 Q No.

12 Did you see the person sign
13 the document when it was signed?

14 A In front of me.

15 Q I'm going to show you what's
16 been labeled as Exhibit 16. Can you tell
17 me the name on that document? And is
18 that another Dealertrack document?

19 A Yes.

20 Q Who is that for?

21 A This is the gentleman --
22 last name, Tuhin; first name, Shahadat --
23 that called me the butcher.

24 Q Do you see the signature on
25 the last page?

1 JULIO ESTRADA

2 A Sir, it's the same signature
3 that you will find that matches in his
4 contract, his retail buyer's order and
5 bill of sale and all documents provided
6 to that individual, by yours truly, Julio
7 Estrada, also known as John DeSantos.

8 Q Did you see him sign that
9 document?

10 A In front of me, sir, in
11 front of two other friends that were with
12 him that I did not bother gathering their
13 names 'cause they were not part of the
14 loan.

15 And I extended courtesy
16 because they were not in the loan, just
17 so there couldn't be statements stating
18 that they was a language barrier, not an
19 understanding, et cetera, et cetera. So
20 I allowed two people that speaks his
21 language that he felt comfortable with in
22 the office with me.

23 Q And the last one is Exhibit
24 17. That's a Dealertrack document.
25 Could you tell me the name on that

1 JULIO ESTRADA

2 document and then look at the third page?

3 A This was the young -- the
4 lady by the name of Nasrin Chowdhury.

5 Q And the last page, sir, do
6 you see a signature?

7 A Yes, sir. Again, right
8 underneath where it says by signing
9 below, you certify that you have read and
10 agreed to the terms and disclosures on
11 those pages of this application.

12 Q Did you, sir, witness her
13 sign that document?

14 A Not only -- yes.
15 Eyewitnesses, the camera's witness, Nada
16 that was on my left-hand side and so did
17 her husband. They were sitting on her
18 left-hand side in my office.

19 Q Did you in any way, sir,
20 stop or attempt to stop any of those
21 three individuals from reviewing that
22 document and the terms contained on that
23 document before they signed?

24 A They cannot sign the
25 contract before they read and sign this.

1 JULIO ESTRADA

2 Q Other than the Dealertrack
3 document, I think, sir, you said you also
4 prepared the retail installment
5 agreements for these three individuals?

6 A For any individual in my
7 office, yes.

8 MR. GROSSMAN: Could we have
9 these two marked, please?

10 (The above-referred-to
11 documents were marked as Defendants'
12 Exhibits 18 and 19 for
13 identification, as of this date.)

14 Q Sir, other than the M&T
15 representative that you said you had some
16 conversations with, did you ever speak
17 with anyone at M&T Bank's finance
18 department at any time?

19 A Did I ever speak -- I'm
20 sorry?

21 Q You said that you had some
22 conversations with an M&T rep that would
23 occasionally come to the --

24 A Whenever I had to rehash a
25 deal.

1 JULIO ESTRADA

2 Q Did you ever speak to anyone
3 in the M&T finance department?

4 A Those decisions are with
5 people of that type of credit criteria.
6 That's an automatic decision, sir. You
7 don't need to speak to any rep in
8 particular. It's just automatic
9 approvals or declines or counteroffers
10 because of the credit criteria. You
11 don't need -- there's -- there isn't
12 anything to rehash.

13 Q Just so that you're aware,
14 sir, the allegations contained in these
15 lawsuits state that you, sir, entered
16 into some type of criminal enterprise
17 with M&T Bank to defraud customers.

18 The allegations were made
19 against you, stating that you had some
20 type of dealings with M&T Bank to inflate
21 prices or to undertake actions which were
22 meant to defraud customers. Is that a
23 true statement?

24 A M&T Bank, they don't -- M&T
25 Bank, the first introduction that M&T

1 JULIO ESTRADA

2 Bank gives to any customer is just their
3 credit information. They submit it to
4 them by a finance manager or a person
5 in -- of privileged position of
6 Dealertrack.

7 At that point, that's the
8 only -- that's the -- the first
9 introduction that M&T Bank has with any
10 client or the dealership pertaining to
11 that customer.

12 Then at that point, M&T Bank
13 does not speak to the customer or
14 anything like that until they get what is
15 called -- if the deal goes through M&T
16 Bank, they send out a -- excuse me --
17 payment booklet to the client. That is
18 usually 45 days before first payments.

19 Usually, anybody can do it
20 30 or which is the max, 45 days. So in
21 between then, between the time of
22 purchase and the payment on any one of
23 those three customers, was 45 days to
24 first payment.

25 Q You stated that when the

1 JULIO ESTRADA

2 file jacket with the file papers would
3 come into your office through Nada or a
4 salesperson, you would take out the files
5 and go through the terms with the
6 potential customer?

7 A With the customer?

8 Q Yes.

9 A Yeah. The first thing I
10 would pull out -- the first thing I would
11 pull out is copies of their driver's
12 license to make sure 'cause let's just
13 say they made a copy -- they made a copy.

14 And then when the customer
15 gives me the original license that I
16 place on the right-hand side under the
17 watchful eye of the cameras, what I
18 usually would do is the reason I would
19 still pull out the copy that was provided
20 to me is to confirm that that was the
21 same license that was given. Any
22 document before proceeding on any deal, I
23 would have to go over everything with the
24 customer.

25 Q One of the allegations

1
2
3
4
5
6
7
8
9
10
11
12

24
25

JULIO ESTRADA

contained in these lawsuits, sir, is that you would prepare or your company would prepare retail installment agreements that would inflate the prices of vehicles beyond those that were advertised by falsely telling consumers that they're required to purchase additional products, such as contracts, warranties and insurance policies, in order to obtain financing through M&T. Is that a true statement?

A No, sir. M&T does not require, nor any bank in the State of New York requires any customer to not just not purchase anything, nor warranty. There isn't anything that's required by a client in order for them -- he or she to obtain financing, are required to obtain from the dealership or any other party for that matter or any other fee they're supposed to be passed down to the client.

Q Sir, did you tell either Mr. Tuhin, Mr. Gabrys or Ms. Chowdhury that in order to obtain financing through

1 JULIO ESTRADA

2 M&T Bank, that they had to purchase
3 additional products, such as service
4 contracts, warrantees or insurance
5 policies?

6 A No, sir, because then I
7 would lose all my credibility because
8 we're in a day and age that if I have an
9 individual in front of me, let's just say
10 excellent credit or even subprime credit,
11 let's just say a 300 credit score. We're
12 in a day and age that that individual is
13 going to look at me in they eyes and tell
14 me is that right. Okay, give a minute.
15 And they're going to Google that, sir.

16 We're in a day and age that
17 anything you say to a client is worse
18 than being under oath because they look
19 at you and they tell you: Is that right?
20 And they're Google it while you're
21 speaking to them.

22 So I cannot tell them
23 anything that's going to misrepresent
24 myself because then I'm going to lose all
25 credibility as I'm trying to proceed and

1 JULIO ESTRADA

2 sell them a package of anywhere to 10 to
3 \$15,000.

4 Q One of the allegations, sir,
5 contained in the complaint against you
6 was that you would obtain payments from
7 consumers by promising to arrange
8 refinancing with banks or credit unions
9 on more favorable terms without having
10 any intention, without making any effort
11 to actually arrange the refinancing; is
12 that a true statement?

13 A In order for you to obtain
14 anything with credit unions, we don't
15 have the credibility of doing any credit
16 union loans in our establishment. If the
17 question is that: Have I promised or
18 told customers that he or she have the
19 opportunity of refinancing any loan. If
20 I said I didn't, that would be
21 misleading, sir. I have told them that
22 numerous times because that's a fact.

23 You reserve the right to not
24 just refinance any loan. You reserve the
25 rights to pay off any loan because in the

1 JULIO ESTRADA

2 State of New York, there is no prepayment
3 penalty. So you're not locked into any
4 loan.

5 Q Did M&T Bank ever tell you
6 that you had an obligation to tell any of
7 the customers or consumers of either of
8 those auto dealerships that they could
9 obtain refinancing on more favorable
10 terms in order to get financing with M&T?

11 A Can you repeat that
12 question?

13 Q Sure.
14 Did M&T Bank ever tell you
15 that you had to tell customers or
16 consumers that they could refinance their
17 loans at better rates in order to get a
18 loan with M&T Bank?

19 A No, sir. M&T or no bank
20 would tell you such a foolish thing.

21 Q One of the allegations
22 contained in the complaint is that you or
23 your company created service contracts
24 and other product forms through the use
25 of identity theft and preparation of

1 JULIO ESTRADA

2 forged documents that were never shown to
3 or signed by the consumer. Is that a
4 true statement?

5 A No, sir. Anything that --
6 on a very serious note, sir. Anything
7 that was given to any client or presented
8 to any client, not only was it printed
9 out, sir, it was given to them for them
10 to take a copy of.

11 If a document was not
12 signed, he or she cannot leave my office
13 with a copy of it to review it with
14 anyone. They reserve the right to go
15 over any financial terms and tell me,
16 I'll tell you what, Imma speak to my
17 advisor, Imma speak to my counsel, Imma
18 speak to whomever. And I'll see you
19 tomorrow. And then I'll let you know.
20 So to answer your question, sir,
21 absolutely not, not -- we've never done
22 that, nor will we ever do such a foolish
23 thing.

24 Q One of the allegations, sir,
25 against you and the dealership was that

1 JULIO ESTRADA

2 on October 27th, 2012, that you obtained
3 payments for Mr. Gabrys and induced him
4 into signing a loan obligation with M&T
5 with the false promise that Mr. Gabrys
6 could return to the dealership in eight
7 months to refinance the loan on more
8 favorable terms. Is that a true
9 statement?

10 A No, sir.

11 Q One of the allegations
12 against you and the dealership was on an
13 January 29th, 2013, you or the dealership
14 on behalf -- the enterprise, which is
15 defined, induced Nasrin Chowdhury into a
16 loan obligation to M&T with the false
17 promise that she could pay off the loan
18 in full after six monthly payments with a
19 final lump-sum payment to the dealership.

20 A Any client that I signed,
21 sir, that -- when we get an approval from
22 a banking institution, we get what is
23 called -- we get paid on what is called
24 reserves for marking up the rate.

25 So if we get an approval on

1 JULIO ESTRADA

2 a loan that's for 60 months, we reserve
3 the rights to mark up the rate up to two
4 and a half points. As long as I've
5 printed on the contract, present it to
6 the client, he or she signs.

7 At that point, the
8 dealerships gets what is called -- in
9 other terms -- called a kickback which is
10 get paid on the reserves of the deal. So
11 any client that I've ever told, that he
12 or she shouldn't pay off the loan or
13 anything like that, I wouldn't not say
14 that.

15 What I say to them is the
16 following: The reason it's not in our
17 best interest -- the dealership, not the
18 banking institution -- for you to pay off
19 this loan within three to four months, is
20 'cause we get what is called a kickback
21 from the banking institution which is a
22 reserve.

23 So what I'm telling you,
24 Mr. Client, is that the -- if you pay off
25 the loan before that term, we gonna get

1 JULIO ESTRADA

2 what is called a chargeback by the
3 banking institutions.

4 Q You used the term kickback.
5 What do you mean by a kickback?

6 A Like a reserve. We get paid
7 on reserves. Like for marking up the
8 rates, if the client has not paid off the
9 car by X amount of time, the dealership
10 doesn't get charged, doesn't get that
11 charged back to them.

12 Q As far as you know, that
13 reserve is a legal --

14 A Of course it's legal. And
15 not only is it legal, it's called a buy
16 rate and a sell rate. It's like
17 anything. In the contract, it's like
18 even if you're purchasing a home, if
19 you're purchasing a home and you get a
20 rate of 3 percent and they mark up your
21 rate, that's what's called marking up
22 your rate of up to one and a half points
23 or even two points, as long as it's
24 disclosed at what rate I am selling it to
25 the client.

1 JULIO ESTRADA

2 Q All the clients, these three
3 plaintiffs, were all advised of what
4 their rates were going to be?

5 A Not only were they advised,
6 they left with copies of their documents.
7 And, again, these are individuals that if
8 I -- if I do a deal with a client and I
9 tell you your payment's going to be \$700,
10 how long is my term? My term is 60
11 months. Okay. 700 times 60, how much
12 money I put down? \$10,000.

13 Obviously, I am giving the
14 opportunity to the clients. And I remind
15 them, mind you, that this is being
16 recorded by audio and video in my office.
17 And the owner's daughter is sitting on my
18 left-hand side, that you and everybody in
19 this dealership knows that's the owner's
20 daughter 'cause everybody sees the sales
21 rep and the management run to her any
22 time they have a question.

23 Q Another allegation against
24 you and the dealership, sir, was that you
25 induced Mr. Tuhin into a loan obligation

1 JULIO ESTRADA

2 to M&T Bank with the false promise that
3 the interest rate of 5.84 percent would
4 drop to 2.17 percent and thereby decrease
5 the monthly payments due for the
6 remaining 54 months if he made the first
7 six monthly payments on time. Is that a
8 true statement?

9 A Well, induced is a very
10 strong word. Can you define induced for
11 me?

12 Q That's the term that's used
13 by the plaintiffs against you.

14 A No.

15 Q Did you make any promises?

16 A Any promises -- any
17 statement -- the only statement I gave
18 them is that, again, you can pay off this
19 loan at any given time because you're not
20 locked into this loan which in that
21 contract, it states it, that they're not
22 locked into that. And they could pay off
23 the loan at any time with no prepayment
24 penalty.

25 Q Another allegation against

1 JULIO ESTRADA

2 you and the dealership, sir, was that on
3 August 21st, 2013, that you obtained a
4 payment of \$4,480.81 from Shahad Kazi on
5 behalf of Nasrin Chowdhury with the false
6 promise that her M&T assigned loan would
7 be paid off in full by the payment which
8 was not true.

9 A No, sir. That's \$4,480 that
10 were given to me. They were given to me
11 in front of the young lady, meaning Nada,
12 Nada Eltouby. Those \$4,480 -- \$480 were
13 for an application fee that I, myself,
14 Julio Estrada, a/k/a J. Torres, charges
15 individually, \$408 for refinancing alone,
16 which \$240 goes to Toby, and \$240 goes to
17 myself. And \$4,000 was going to be
18 applied to that set loan.

19 At the time, when the
20 deal -- we were not able to proceed for
21 numerous reasons, which was her son
22 coming into that -- into the trailer and
23 being disrespectful, I proceeded to give
24 back those people back their money.

25 Q Sir, I'm going to show you

1 JULIO ESTRADA

2 what's been labeled as Exhibit 18 and 19.
3 And contained in these documents, sir,
4 and direct your attention -- first, this
5 document and ask you if you recognize
6 what that document is.

7 A Yes, of course. This is a
8 retail installment contract in the State
9 of New York, provided by M&T.

10 Q For which person is that?
11 Could you tell by looking at that
12 document?

13 A Yes, Simon Gabrys. The
14 gentleman purchased a Nissan Maxima.
15 Last four of the VIN 8612.

16 Q Do you see on the second
17 page, a signature in the middle of that
18 page? It may be light. But do you see a
19 signature somewhere of the purchase of
20 Mr. Gabrys?

21 A Do I see his signature?

22 Q Yes.

23 A Yes. It's right underneath
24 a column that states do not sign this
25 contract below before you read it or it

1 JULIO ESTRADA

2 contains any blank spaces. And you're
3 entitled to a completely filled out copy
4 of this contract. So to answer your
5 question, I do see it, sir, right
6 underneath that column.

7 Q Do you remember if
8 Mr. Gabrys signed that document?

9 A If he signed it?

10 Q Yes, if he signed it.

11 A Yes, sir.

12 Q Was all the information
13 filled in when he signed it, sir?

14 A Yes.

15 Q I'm going to show you
16 Exhibit No. 19 and ask you to look at
17 this page. It has a P7 at the bottom.
18 Looking at that, do you know what
19 document that is?

20 A Yes, sir. It's the same
21 document that I was shown in the
22 previous -- in this case, being for
23 Mr. Shahadat Tuhin.

24 Q Can I ask you to just turn
25 the page, sir, and look towards the

1 JULIO ESTRADA

2 middle of the page?

3 A (Witness complied.) It's in
4 the back of the page.

5 Q Yes, back of the page.

6 A Yes.

7 Q Do you see a signature there
8 in the middle of the page?

9 A Yes, sir.

10 Q Do you know whose signature
11 that is?

12 A It's Mr. Tuhin's signature.

13 Q Did you see him sign that
14 document?

15 A If I seen him sign this,
16 yes. He signed this in front of three
17 other individuals, including myself being
18 one and two other, his friends. They
19 spoke the same language and advised him
20 that he was getting a great deal and to
21 proceed and move forward with the deal.

22 Q Was that document filled in
23 when Mr. Tuhin signed it: The retail
24 installment agreement?

25 A Yes, sir. This is the same

1 JULIO ESTRADA

2 individual that came back with eight
3 different people.

4 Q One other question.

5 Did you cover up any of the
6 numbers on Mr. Tuhin's or Mr. Gabrys's
7 retail installment agreement so they
8 couldn't see it before they signed it?

9 A No, sir. I left them in the
10 office with his two friends going over
11 it. And then I went into Toby's office
12 and was listening to them as they spoke
13 in they language. And they went back and
14 forth.

15 And I told Toby watch how
16 long, because Toby wanted to be there,
17 because he heard what was going on, and
18 this was one of his oldest unit on his
19 lot. And I told him watch how long it's
20 going to take these people to be able to
21 call me back and to go sign this because
22 it was every time. It was eight
23 different times with eight different
24 people. This man came back and forth.

25 Q Could you explain to me

1 JULIO ESTRADA

2 which documents get sent to M&T Bank in
3 order for them to approve or disapprove
4 or come back with a counteroffer on
5 financing?

6 A Yes.

7 Q What gets sent to them?

8 A Either the Dealertrack
9 application. The Dealertrack
10 application, the three pages of the
11 Dealertrack application, the bill of
12 sale, the contract, the MB82 form that
13 states that the lien is going to be
14 perfected, the gap waiver and that's it.

15 Q With respect to Mr. Gabrys,
16 Mr. Tuhin and Ms. Chowdhury, all of those
17 documents were sent to M&T Bank for them
18 to either approve or disapprove of the
19 financing on each of those cases?

20 A In order for us to obtain
21 funding, yes. Without that, they would
22 not be able to be funded.

23 Q You answered one of the
24 other attorneys' questions about the
25 financial institutions that provided

1 JULIO ESTRADA

2 financing to New York Motor Group. M&T
3 Bank you said was one; is that correct?

4 A Yes.

5 Q Santander?

6 A Yes.

7 Q Capital One Auto Finance?

8 A Yes.

9 Q Any others?

10 A Westlake Financial,
11 AmeriCredit and People's Federal Credit
12 Union. At that time, he had People's
13 Federal, Teacher's Federal, Valley
14 National, TD Bank, Chase Bank, Chase
15 Subprime Bank.

16 Q Would there be times, sir,
17 in which you would make an application
18 for financing for a customer which would
19 get denied by one bank and you'd resubmit
20 it to another bank that would approve
21 financing?

22 A There would be times like
23 that. But these people that you're
24 mentioning --

25 Q I'm just talking in general.

1 JULIO ESTRADA

2 A In general, yes, of course.

3 Q Why would one bank turn down
4 financing and another bank provide the
5 financing?

6 A Because they don't reach the
7 criteria they're looking for, like they
8 don't -- like, for instance, let's just
9 say the loan-to-value that I'm asking for
10 is not agreeable with that particular
11 bank, the mileage on the car is not
12 acceptable, the customer's credit
13 criteria is not acceptable, his or hers
14 debt-to-income is not acceptable.

15 Q Is it possible, sir, if one
16 bank turned down financing, but another
17 bank agreed to financing, they may have a
18 higher interest rate in order provide the
19 financing?

20 A Of course. In order to
21 provide the financing, the rate would be
22 much higher because the risk factor
23 behind the loan are much greater. So
24 they are giving you what is called
25 counteroffer, like, in other words, I'll

1 JULIO ESTRADA

2 give you the approval but I'm going to
3 give you the rate a little bit higher
4 because -- I'm -- the customer's credit
5 criteria doesn't match or doesn't meet
6 our requirements.

7 Q So let's say --

8 A If one of my reasons they
9 can be behind it.

10 Q But if the same documents
11 were submitted to Santander, and they
12 rejected an application, then submit it
13 to M&T, and they approved it with an
14 interest rate of five and a half percent,
15 is there anything improper about that, as
16 far as you know?

17 A No, sir.

18 Q You mentioned something,
19 sir, in your previous testimony about
20 sometimes something would come back with
21 stipulations on a deal?

22 A Yes.

23 Q What do you mean by a
24 stipulation on a deal?

25 A Like proof of residence,

1 JULIO ESTRADA

2 proof of income, proof of residence,
3 proof of income, proof that open auto
4 loan has been paid off, proof that
5 Chapter 7 -- the bankruptcy has been
6 satisfied, has been discharged, excuse
7 me, depending on the situation. It
8 varies in accordance to the client.

9 Q You had mentioned something
10 about certain terms were cancelable? Do
11 you remember that? Like a warranty was
12 cancelable if Santander required you to
13 itemize that?

14 A Yes.

15 Q Did every bank require you
16 to itemize the --

17 A To itemize an extended
18 warranty?

19 Q Yes.

20 A If it was part of the back
21 end in advance, which means, let's just
22 say in the front end of the deal, the
23 bank is going to give you 120 percent but
24 then they're going to give you in
25 accordance to the book-out of the

1 JULIO ESTRADA

2 vehicle, what the car books out for,
3 they're going to give you 10 percent of
4 the LTV of the car and not exceeding
5 \$3,000, let's just say the max is \$3,000
6 warranty, the reason the bank wants that
7 is to make sure that the customer -- it's
8 identifying the contract to the client.

9 Q So if you added in the
10 add-on, sometimes the price that was
11 being financed would exceed the
12 loan-to-value ratio and a loan could be
13 denied because of that?

14 A Yes, of course.

15 Q With respect to the
16 financing with M&T, sir, did Nada ever
17 have any conversations with M&T, as far
18 as you know?

19 A Nada?

20 Q Nada.

21 A Nada was not submitting any
22 applications. None of those applications
23 were submitted by Nada. They were all
24 done by myself.

25 Q Was Mr. Eltouby involved in

1 JULIO ESTRADA

2 any of them?

3 A In any of those --
4 submitting those applications?

5 Q Right.

6 A No, sir.

7 Q Sir, other than submitting
8 the documents to M&T Bank, were you ever
9 in discussion with anyone at M&T
10 financing to approve or disapprove a loan
11 application other than the presentation
12 of the documents?

13 A No, sir. That's not -- it's
14 not necessarily required -- it's not
15 required when you do a deal with M&T Bank
16 'cause these people that you're
17 submitting, their criteria is called
18 system approvals. So you're not speaking
19 to a human being; generated by a
20 computer.

21 Q But occasionally, something
22 would get bounced back?

23 A If you need to rehash a
24 deal, then, yes, you call in and you
25 speak to a buyer. And the buyer will

1 JULIO ESTRADA

2 tell you: Listen, you way out of whack
3 here, you're looking for 140 percent,
4 130 percent, I will give you this guy as
5 a first-time buyer. You're asking for
6 too much money. The max I'm going to
7 give you on this person is 80 percent of
8 LTV.

9 So I'm going to have to
10 reduce your selling price, let's say, by
11 \$7,000 because you cannot put a
12 first-time buyer in a loan that you want
13 their payment to exceed \$700, meanwhile
14 it's their first time getting a loan.
15 The max I'll give is a \$400 max payment.
16 What? A \$400 max payment. I'm looking
17 at \$700. No, sir, but I understand what
18 you're looking for. But this is what I
19 can give you because they're a first-time
20 buyer.

21 Q Did you, sir, at any time
22 when you worked for New York Motor Group
23 ever conspire with M&T Bank to inflate
24 prices of cars in order to make more
25 money?

1 JULIO ESTRADA

2 MR. LANE: Objection as to
3 form.

4 Q Do you understand the
5 question?

6 A Of course I understand.

7 Q Did you, sir, ever conspire
8 with M&T Bank to inflate prices of cars
9 in order to make more money?

10 MR. LANE: Objection as to
11 form.

12 Q You can answer.

13 A M&T Bank has -- doesn't have
14 any bearing on any price or selling price
15 or anything like that. M&T Bank is like
16 a football goalpost. They're waiting for
17 you to kick the ball through. And we
18 just decide if we're going to let you go
19 through with the field goal, yes or no.
20 They don't ask you to submit
21 applications.

22 They don't even give you a
23 requirement, how many applications you've
24 got to give us on a monthly basis like
25 some banks do. Either you send us the

1 JULIO ESTRADA

2 deal or you don't send us the deal. And
3 when you send us, it's up to our
4 discretion if we want to approve it.

5 Q The discretion on the
6 approval of any loan is based on M&T's
7 criteria; not yours or the dealership's?

8 A It's based on M&T's criteria
9 and obviously based on the customer's
10 credit history.

11 MR. GROSSMAN: I have
12 nothing further at this time. Thank
13 you, sir.

14 EXAMINATION BY

15 MR. BRENER:

16 MR. LANE: You have my
17 permission to go without me.

18 Q My name is Bob Brener. I
19 represent Santander. I just have a few
20 follow-up questions.

21 When did you first start
22 working for New York Motor or Planet
23 Motor. I know you were an independent
24 contractor. But when was the first date
25 you started?

1 JULIO ESTRADA

2 A For New York Motor Group?

3 Q Yes.

4 A I don't remember the exact
5 date, sir.

6 Q I don't need an exact date.
7 But was it 2012, 2013? Do you remember
8 the year?

9 A It was in 2012. It was like
10 the second week of November in 2012.

11 Q Then you said you left in
12 January of 2014?

13 A Yes.

14 Q So that's the scope of when
15 you were doing work on behalf of New York
16 Motor?

17 A Yes.

18 Q And Planet Motor as well?

19 A Yes.

20 Q So prior to working there in
21 November of 2012, did you have any kind
22 of arrest record or any kind of criminal
23 record? This is prior to November 2012.

24 A No, 'cause I was not
25 convicted of any crime.

1 JULIO ESTRADA

2 Q Did you have any arrest
3 record or any kind of run-in with the law
4 before November 2012?

5 A My cases were for New York
6 Motor Group -- excuse me, Auto Palace.
7 It wasn't for Julio Estrada or for J
8 Torres or John DeSantos, any of that. It
9 was for -- in respect to the automobile
10 industry, no sir.

11 Q I'm talking about in
12 general. You start working for New York
13 Motor in November of 2012.

14 Prior to that time, did you
15 have any kind of arrest record or any
16 kind of criminal history prior to
17 November 2012 in any business anywhere at
18 all?

19 A Yeah. I had a DWI.

20 Q Anything other than a DWI?

21 A No. Suspended license,
22 minor things like that.

23 Q So prior to November 2012,
24 you didn't have any pending arrest or any
25 kind of indictment or anything?

1 JULIO ESTRADA

2 A Prior to 2012 --

3 Q November 2012.

4 A Yeah. I was already
5 arrested for the situation with Auto
6 Palace. That was pending. I was not
7 sentenced. It was alleged that I was
8 involved in a criminal enterprise
9 situation with a dealership by the name
10 of Auto Palace.

11 Q And that was prior to doing
12 any kind of work on behalf of New York
13 Motor Group or Planet Motor?

14 A Yes.

15 Q Anything else other than the
16 Auto Palace issues?

17 A Never. I was working with
18 Kinney Galani. And before that, I was
19 working for over seven years at KG Suzuki
20 with Kinney Galani. We never had any
21 problems or issues, nothing.

22 Q And you testified prior that
23 certainly, New York Motor, Planet Motor,
24 Mr. Eltouby was aware of what was going
25 on at Auto Palace when they asked you to

1 JULIO ESTRADA

2 work at New York Motor Group?

3 A Yes, sir.

4 Q You've had some criminal
5 issues related to your work at New York
6 Motor Group, Planet Motor; is that
7 correct? Any kind of arrests, any
8 allegations arising out of your work --

9 A Out of New York Motor Group,
10 yes, sir.

11 Q Have there been any
12 convictions as a result of your work at
13 New York Motor Group or Planet Motor?

14 A Yes, sir.

15 Q What were the convictions?
16 What specifically were you convicted?

17 A I was convicted of a client
18 giving -- a client giving a gentleman
19 that I used to work for by the name of
20 Toby some money. And I was away in a
21 trip in Dominican Republic. And they
22 deposit the money into my account. They
23 deposited the money into my account.

24 And when I came back to
25 United States from being in Dominican

1 JULIO ESTRADA

2 Republic, they arrested me. The Queens
3 DA's office arrested me.

4 Q What customer was that? Do
5 you remember the name of the customer?

6 A No. I know for a fact that
7 the money was deposit -- the money was
8 deposited in my banking account at that
9 time.

10 Q What was the charge? What
11 were you convicted of? What
12 specifically?

13 A I was convicted of -- having
14 the customer -- of me -- the customer
15 giving me money, to me, and me not
16 providing any service to them.
17 Meanwhile, I was in Dominican Republic.
18 I was in Dominican Republic. And it had
19 nothing to do with me. I was being told
20 that that money was being deposited to me
21 as to the money that was owed to me from
22 Toby.

23 Q Any other charges,
24 indictments, convictions other than that
25 one, arising out of your work at New York

1 JULIO ESTRADA

2 Motor?

3 A No, sir.

4 Q You testified before that at
5 some point, some more charges, complaints
6 came in, because you said -- and correct
7 me if I'm wrong -- once the dealership
8 goes out of business, they just sort of
9 focus on the individual?

10 A That's correct.

11 Q So were there more charges,
12 complaints that came in --

13 A That I had been convicted of
14 or charged of?

15 Q Yes.

16 A No. That was the one that I
17 was just telling you about.

18 Q Other than charges, have
19 there been other complaints as a result
20 of your work at New York Motor Group that
21 may not have resulted in a charge or a
22 conviction or anything like that?

23 A No, sir.

24 Q So the only complaint or
25 charge that you can testify about is that

1 JULIO ESTRADA

2 one that you're talking about --

3 A The money was deposited into
4 my account. And I was under the
5 impression -- again, I was in the
6 Dominican Republic on vacation.

7 I was under the impression
8 that I was being paid for the money that
9 was owed to me by Toby. It was deposited
10 in my account by his daughter.

11 Q So you were shown some
12 captions here with a bunch of customer
13 names on them. And you've gone through
14 these names?

15 A Yes.

16 Q Are there any other names
17 out there of any other customers or
18 anybody else who's complained that you're
19 aware of?

20 A No, sir. It was deposited
21 in my account by Nada. Excuse me. Nada
22 Eltouby-Smith because she's currently
23 married.

24 Q Has the DA or anybody else
25 come to you with any other kind of

1 JULIO ESTRADA

2 complaints from any other customers
3 arising out of New York Motor?

4 A No, sir.

5 Q You were asked a series of
6 questions by counsel for M&T Bank. I'm
7 going to ask you some questions that
8 might overlap with that. But I'm going
9 to talk about Santander Consumer as
10 opposed to M&T.

11 A Santander Consumer USA?

12 Q Yes. I'll just call them
13 Santander.

14 Is it fair to say that
15 Santander doesn't advertise for the sale
16 of vehicles at New York Motor or any
17 other dealership?

18 A No, sir.

19 Q They're not involved in the
20 advertising of cars?

21 A None whatsoever.

22 Q And is it fair that
23 Santander's not involved in the
24 negotiation with a customer over a sales
25 price?

1 JULIO ESTRADA

2 A No, sir.

3 Q They do not have any
4 involvement at all? That's between the
5 customer and the dealership; correct?

6 A That is correct. Santander
7 has no bearing on any of those decisions.

8 Q Santander doesn't
9 communicate with the salesperson during
10 that negotiation process; right?

11 A No, sir. In fact,
12 Santander's a little bit -- they're much
13 circa than M&T in respect to the
14 relationship they're about to establish
15 with the client in respect to what I'm
16 about to explain, which is they conduct a
17 phone interview before funding, before
18 paying out to the dealerships. They
19 conduct a phone interview with the
20 client, not just once but twice.

21 And they'll call you from
22 different numbers and even call you from
23 a private number to make sure you're not
24 being coached by the dealership as to
25 what you have to say during that phone

1 JULIO ESTRADA

2 interview.

3 Q Let me take a step back.

4 When the customer comes in,
5 talks to a salesperson, they negotiate a
6 sales price and that customer needs to
7 finance, is the next step to submit the
8 Dealertrack application or is it to go to
9 the F&I person and talk about the
10 aftermarket products? What happens first
11 or is it simultaneous?

12 A Before anything, before --
13 first thing that happens is the
14 application is -- first, the customer
15 speaks to myself. At that point, I
16 submit the application. Once we decide
17 which loan they decide to go with if they
18 don't want a loan with a warranty, they
19 don't have to take a loan with a
20 warranty. So a warranty is a cancelable
21 item.

22 So if they decide not to go
23 with a warranty, I proceed to do a deal
24 without a warranty. I submit the deal.
25 I get the deal approved. Once I get the

1 JULIO ESTRADA

2 deal approved, he or she signs the
3 documents.

4 After reviewing them, they
5 take copies of their documents. I
6 package the deal up for the bank. Once
7 the deal gets packaged, the bank is
8 getting a hold of the client within 48
9 hours. They calling up the client and
10 discussing -- they conduct an interview
11 even more profound than the one that Toby
12 does. They ask the client: Where did
13 the money come from? The down payment?
14 How did they give the money to the
15 dealership? Do you owe any money to the
16 dealership? Has any promises been made
17 to you by the dealership? Did you get
18 copies of your documents? Did you
19 test-drive the car? Did you like the
20 car? Did you have any problems,
21 mechanical, with the car that was
22 promised to you that still have not been
23 fixed to the car?

24 Then the client answers all
25 these questions: Did you get copies of

1 JULIO ESTRADA

2 the car? Did you provide it? I want to
3 go over with you a couple of references
4 that you have provided to the dealership.

5 They go over the references
6 that were provided by the customers,
7 their credit application, how much money
8 they make. Everything that has been
9 provided to the banking institution,
10 Santander thoroughly goes through with
11 the client. They conduct a phone
12 interview before funding.

13 Q So getting back to my
14 question, do you have a conversation as
15 the finance person? Do you have a
16 conversation with the customer before
17 Dealertrack and other documents are sent
18 to Santander?

19 A Yes, of course.

20 Q So in terms of the order, a
21 customer comes in, talks to a
22 salesperson, they negotiate a price, that
23 customer then gets sent to you, the
24 finance person; correct?

25 A Yes, sir.

1 JULIO ESTRADA

2 Q And then you talk about
3 financing, and you talk about aftermarket
4 products?

5 A Yes. The reason being is
6 'cause the approach with Santander deals
7 or Capital One deals, their approach is
8 totally different than a banking
9 institution like M&T. I'm going to have
10 to make sure that the customer's
11 statements really meet with the criteria
12 required by the bank which are the
13 stipulations. I'm going to need pay
14 stubs. I'm going to need bank
15 statements. I'm going to need proof of
16 residence. I'm not going to be able to
17 use this proof of residence. There's too
18 many other things that obviously have to
19 be required up front with a bank like
20 Santander, unlike a bank like M&T.

21 Q At that point when you're
22 discussing financing and aftermarket
23 products, Santander's not involved in
24 that conversation that you have with the
25 customer; right?

1 JULIO ESTRADA

2 A Santander is never involved
3 with a customer in any conversation in
4 any way, shape or form unless, of course,
5 the customer has signed that contract and
6 taken delivery of the contract. Then
7 Santander calls them up and conducts a
8 phone interview with copies of those
9 paperwork in front of them.

10 Q So I'm just focusing right
11 now on the discussion about the
12 aftermarket products and the financing.
13 You have a discussion with the customer,
14 Santander's not involved in that;
15 correct?

16 A No, sir.

17 Q And then at some point, you
18 send the Dealertrack; and as you
19 described before, you send the contract,
20 the bill of sale to Santander; is that
21 correct?

22 A Yes, sir.

23 Q And if it meets Santander's
24 requirements, you either get a yes or no
25 with respect to whether it's going to be

1 JULIO ESTRADA

2 funded or not; is that fair?

3 A That's correct, sir.

4 Q There's no discussion at
5 that point with Santander; if it meets
6 the formula or if it meets the criteria,
7 you get a yes; if not, you get a no?

8 A That's correct, sir.

9 Q Before, you testified when
10 you had questions from M&T counsel that
11 when there are complaints from a
12 customer, you said M&T doesn't want to
13 hear anything; they just want the
14 contract to be purchased back by the
15 dealership; right?

16 A Immediately.

17 Q And that's the same thing
18 with Santander?

19 A Santander.

20 Q They don't want to mess
21 around; if there's an allegation by the
22 customer, that Santander wants the
23 dealership to repurchase the contract?

24 A Repurchase the contract
25 immediately because Santander is

1 JULIO ESTRADA

2 basically a full spectrum, lending
3 institution. They do prime and subprime.
4 So it's actually -- it's the same thing
5 like if it was M&T. You don't want any
6 problems with these banks. So you buy
7 back the deal immediately.

8 Q You talked about Mr. Freire
9 before.

10 Did you have any
11 communication with anybody at Santander
12 about Mr. Freire?

13 A No, sir.

14 Q One of the people on this
15 list is a woman by the name of Ms. Dong,
16 D-O-N-G. Did you have any communication
17 with Santander about Ms. Dong?

18 A No, sir. It's the young
19 lady that purchased the Civic, if I'm not
20 mistaken.

21 Q You had no communication
22 with Santander about her?

23 A With the bank, directly, no.

24 FURTHER EXAMINATION BY

25 MR. GROSSMAN:

1 JULIO ESTRADA

2 Q Sir, just to follow up with
3 counsel for Santander -- I don't know if
4 I asked you this, but I also want to make
5 sure this is correct-- was M&T Bank
6 involved in any of the negotiations of
7 the sales price or aftermarket products
8 that a customer would buy or pay for a
9 car?

10 A No, sir, nor do they have
11 any knowledge of any.

12 Q Did you, sir, ever tell any
13 customers that they can't pay cash for a
14 car, that all cars have to be financed?

15 A No, sir.

16 FURTHER EXAMINATION BY

17 MS. LINDERMAYER:

18 Q You testified earlier that
19 customers were given a copy of the retail
20 installment contract after signing.

21 Were they ever given a
22 completed copy before signing, like if
23 they asked for one?

24 A Like if they wanted to go
25 over -- like let's just say a customer

JULIO ESTRADA

comes into my office, I go over the whole deal with them and I go over what is -- your selling price is \$10,000, your processing fee is 1825, your vehicle replacement policy is 273715, your extended warranty is \$3,000, that brings the grand total to, let's just say, \$25,000; plus your taxes and everything, this is how much you're financing, minus your down payment, this is your new amount that you're financing. All that information, he or she, is at the discretion, obviously, to write down and say, you know what, let me go home, go over this, and I'll come back tomorrow and talk to you.

So to answer your question, I wouldn't go over anything with anyone that they had to make a decision instantly, no. Some would sign and some would come back.

Q You would explain the terms to them before they would sign, but would they actually have the retail installment

1 JULIO ESTRADA

2 contract with all the terms in there
3 before signing?

4 A Without a doubt.

5 Q And they would be able to
6 take that completed retail installment
7 contract?

8 A If they signed it?

9 Q Before signing.

10 A Before signing and didn't
11 have their signature?

12 Q Yes.

13 A No. If -- let's just say
14 they wanted to show it to their counsel
15 and they wanted a copy of it to show it
16 to their counsel, I wouldn't be able to
17 to give them the original. I can give
18 them a copy and you could take it to your
19 counsel and go over it, and you come
20 back. If you decide to move forward, you
21 move forward. If not, obviously, I can't
22 give you the printed contract because
23 it's not signed. It cannot leave the
24 premises with an unsigned contract
25 because I'm responsible for each and

1 JULIO ESTRADA

2 every one of those contracts.

3 Q So like a retail installment
4 contract that's completed but unsigned
5 cannot leave the premises?

6 A You cannot leave the
7 premises. Impossible. Anyone that
8 states anything different is misleading
9 you. You cannot leave that establishment
10 with any contract that has not been
11 signed by the customer and the finance
12 manager.

13 Q So before signing, you would
14 have explained what all the terms that
15 would be on the contract would be?

16 A Yes, because at that point,
17 I'm going to represent it to them and I'm
18 going to put it in front of them. And in
19 order for them to have an understanding
20 of it, of what it is they're looking at,
21 I would have gone over everything and
22 given them a paper and a pencil. They
23 could write down the information that I
24 was giving them.

25 Q So if they wanted to shop

1 JULIO ESTRADA

2 around, it would be based on the
3 information you gave them; they wouldn't
4 have the actual unsigned contract?

5 A They would only get a copy
6 of it, if they wanted to take a copy of
7 the printed out contract.

8 Q So it would be a copy, but
9 it wouldn't be signed; so it would be a
10 copy of what?

11 A Like, in other words, I
12 printed out the contract for you. And
13 let's just say in this case, a Capital
14 One contract. A Capital One contract is
15 printed on the Law 553. It's printed
16 out. I went over all the loan with you.
17 I went over the contract with you. If
18 you tell me I want to first go take this
19 with me so I could show it to someone
20 that has more experience or has better
21 knowledge than myself and I want to show
22 it to them first before I decide to sign
23 it, I would tell you, fine.

24 But I cannot give you the
25 original contract. Let me make a copy of

1 JULIO ESTRADA

2 it for you here. I make a copy, you take
3 it. And tomorrow when you come back,
4 before you sign it, you pull out your
5 copy, I pull out mine. And you can
6 compare that it's the same contracts.
7 And you could sign it if you decide to
8 sign it.

9 Q So it would be a photocopy
10 of the unsigned but completed retail
11 installment contract?

12 A Yes. But they cannot leave
13 with the original contract if it's not
14 signed.

15 Q And you had mentioned before
16 that M&T would sometimes try to buy back
17 loans. What were some of the reasons
18 that they would want to buy back loans?

19 A M&T -- if a client calls the
20 banking institution and tell them that I
21 am not planning on making a payment, I'm
22 not satisfied, I didn't understand, I
23 didn't -- I am not interested in the
24 vehicle, I'm not happy, the bank asks the
25 customer one question: Did you go back

1 JULIO ESTRADA

2 to the dealership? Because you would
3 have to go back to the dealership and
4 discuss it with the dealership so they
5 can cancel the loan out for you. And
6 then we would be able to assist you.

7 At that point, a rep calls
8 the dealership and tells them: Listen,
9 we have this problem with this client, so
10 that that way, you could assist them.
11 Toby would get on the phone with, let's
12 just say, M&T, what would you like for me
13 to do for Mr. Thomas, let's just say.
14 And M&T would tell them straight out: We
15 want you to buy back the deal and deal
16 with someone else. We're not interested
17 because the client is not happy.

18 Q Did M&T Bank ever try to buy
19 back the loan because the customer had
20 said they had been defrauded?

21 A Any client that says to M&T,
22 Santander or any banking institution that
23 they have been defrauded, M&T
24 automatically tells -- gets close to the
25 dealership. They get copies of the whole

1 JULIO ESTRADA

2 folder. And they get copies, not just
3 what we sent to them. They got out the
4 original folder. They get the original
5 folder. And they get copies of all the
6 stuff. And then they come back. And
7 then they tell the owner: We have a
8 situation here.

9 Even though we have -- we've
10 reviewed it and we are convinced a
11 hundred percent, just like you, that the
12 customer was aware and did get copies of
13 their paperwork, we just don't want any
14 association with this deal.

15 We are asking you at this
16 time to buy back the deal. Or we would
17 not be able to fund any future deals
18 until this is resolved. That's the way
19 they work.

20 Q Did M&T Bank try to buy back
21 Shahadat Tuhin's loan?

22 A M&T called the dealership
23 and informed them that the client had
24 made a complaint and that this needs to
25 be addressed and sent a rep down there to

1 JULIO ESTRADA

2 speak to Toby, spoke to Toby.

3 Toby then tried to call the
4 customer. And the customer was stuck,
5 that he wanted the car for that price.
6 He was not giving back the car. He was
7 going to hear from his attorney.

8 Q Do you remember when that
9 happened? Was it before the protest,
10 after the protest?

11 A The protest?

12 Q When M&T Bank tried to buy
13 back the loan.

14 A The next day after the
15 customer called me a butcher.

16 MR. GROSSMAN: I'm objecting
17 to her form. I think you said it
18 wrong.

19 Q I'm sorry. I misunderstood
20 your answer.

21 A The dealership is
22 responsible for paying it off.

23 Q Right. I'm sorry.

24 Did M&T ask the dealership
25 to buy back the loan before the protest

JULIO ESTRADA

or after?

A The protest was -- let's just say the guy came in today and spoke to me, which was the day that he called me the butcher, the next day M&T had already called that dealership and told them that there's a problem with that deal and they were going to send a rep down there to go over the file with the owner, with the person in charge, which was Toby.

They sent the rep down there. When the rep was there with Toby, they brought me into the office. They spoke to me about the deal. I went over everything with them.

And that's when the gentleman told me that he remembers me from KG Suzuki, and even though we showed them everything, that the customer was explained everything thoroughly, he told us that he wants Toby to buy back the deal.

FURTHER EXAMINATION BY

1 JULIO ESTRADA

2 MR. LANE:

3 MR. LANE: Can I just get
4 that marked?

5 (The above-referred-to
6 document was marked as Plaintiffs'
7 Exhibit 20 for identification, as of
8 this date.)

9 Q Mr. Estrada, we've just
10 marked that document as Exhibit 20. Do
11 you recognize that document?

12 A Very well, sir.

13 Q What is that?

14 A This is a document that's
15 provided to the clients before they sign,
16 before they leave the dealership, stating
17 that initially, when I was speaking to
18 the gentleman that represents the fine
19 bank of M&T, I was explaining to him that
20 I usually explain to the customers that
21 there is -- when we mark up the rate
22 after getting what is called a buy rate
23 from the bank and we sell it to the
24 client at, let's say, two points or two
25 and a half points higher, we get what is

1 JULIO ESTRADA

2 called reserves.

3 This is a document that I
4 told the customer that by endorsement of
5 this document, the undersign acknowledges
6 that Planet Motor Cars against said buyer
7 has a penalty of 6896, will be paid if
8 the loan is paid off or refinanced
9 through another lender before six
10 payments are paid to the original lender.

11 Why? 'Cause paying off,
12 just like it indicates on Exhibit 20 --
13 paying off the loan within six payment
14 may cause the dealership loss. Dealer --
15 the dealer has negotiated this loan,
16 subject to the buyer making at least six
17 payments.

18 Q I was just explaining to
19 M&T's counsel: This document was turned
20 over by the dealership in discovery, part
21 of the documents that were turned over in
22 discovery by the dealership in Anwar
23 Alkhatib's case.

24 So my question is: Was it
25 standard to use this document in every

1 JULIO ESTRADA

2 transaction at New York Motor Group?

3 A If we charged -- if we
4 marked up the rate, yes; if the rate was
5 marked up. If the rate's not marked up,
6 there's no need for a document like that
7 because we're not going to include -- the
8 dealership is not going to include any
9 losses by them paying off the loan before
10 six payments because there would be no
11 chargeback because there was no markup of
12 the rate.

13 Q The banks allowed you to
14 mark up the rate?

15 A Every banking institution,
16 all bank institution, not just for auto
17 loans, mortgages, anything, anything you
18 get what is called a buy rate, what you
19 sell it for is totally different.

20 As long as you disclose it
21 and document it in any contract with the
22 client, you're allowed to -- if I get a
23 loan for a customer for 72 months, I can
24 mark up the rate up to 2 points. If I do
25 it for 60 months, I could do it up to 2

1 JULIO ESTRADA

2 and a half points, max being 2 and a half
3 points, not to exceed 24.99 percent in
4 the State of New York, sir.

5 Q This document says that --
6 correct me if I'm wrong -- a penalty will
7 be paid.

8 A It says that by you
9 endorsing this document, which is the
10 customer, the undersigned hereby
11 acknowledges -- the undersign being the
12 customer because there's a column that
13 says for a buyer, for a cosigner to sign.
14 So it says: By endorsement of this
15 document, the undersign being the
16 customer, acknowledges that a penalty
17 of -- in this case, \$6,896, will be paid
18 if the loan is paid off or refinanced
19 through another lender before six
20 payments are paid to the original lender.

21 And anyone would ask: But
22 why is that? Why? Because paying off
23 the loan within six payment may cause the
24 dealership loss. Dealership has
25 negotiated this loan, subject to the

1 JULIO ESTRADA

2 buyer making at least six payments.

3 Q I guess what's unclear to me
4 from reading this document is: Who would
5 have to pay that penalty?

6 A The client. The
7 undersigner.

8 Q So if a customer went in and
9 refinanced with a different bank, they
10 would pay a penalty of -- in this case,
11 Mr. Alkhatib would have had to pay a
12 penalty of \$6,896?

13 A Not to the banking
14 institution. To the company that's put
15 on top of that document.

16 Q To Planet Motor Cars?

17 A Yes, to Planet Motor Cars,
18 which is Exhibit 20.

19 Q Did you ever see Planet
20 Motor Cars enforce one of these
21 agreements?

22 A If the customer paid off the
23 loan beforehand, have they ever been
24 charged?

25 Q Yes.

1 JULIO ESTRADA

2 A No. Some have. And we
3 would charge the customer whatever the
4 penalty was.

5 Q How would Planet Motor Cars
6 charge that once they refinance the loan?

7 A How we would charge them?

8 Q Right.

9 A We would call them and
10 explain to the customer that we received
11 a request of a lien release from the
12 bank, stating that you paid off the car.
13 And you actually paid it off before our
14 agreed time.

15 So the issues wouldn't be
16 with the bank or the customer. It would
17 be with us, like it indicates at that
18 part -- and excuse me for saying "us." I
19 mean Planet Motor Cars, like in Exhibit
20 6.

21 Q Would you ever make those
22 calls to tell a customer?

23 A To a client?

24 Q Yes.

25 A No.

1 JULIO ESTRADA

2 Q Who would call a customer
3 and say we just got notice that there was
4 a release of lien and that means you
5 refinanced and so now --

6 A And you paid off the car
7 before?

8 Q -- you owe us money?

9 A Whomever it may be that Toby
10 may pick out to call, let's just say Nada
11 or someone. Me myself, I wouldn't
12 call --

13 Q You never --

14 A Even if he asked me to call,
15 I wouldn't call because I wouldn't get
16 paid on that. Why would I be calling?

17 Q When you were working as the
18 F&I manager, you would give this document
19 to people to sign?

20 A Yeah, absolutely. There's
21 also -- I notice and in those folders,
22 there's also forms that are missing.
23 There's a rider forms that states that
24 they're not obligated to take a
25 processing fee, extended warranty or any
